STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JUNE 19, 1961

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction - Routes 130 & 206, Interchange at Bordentown, Project U-94(7). The amount of Federal Aid Urban Funds obligated is $653,800.00, which is 50% of the estimated cost for Federal participation. (June 15, 1961)

Penn-Jersey Transportation Study

2. Under the revised and increased budget for the Penn-Jersey Transportation Study, the increase in the New Jersey share, of 18% or $171,000.00, will be participated in by the Bureau of Public Roads in the amount of $114,000.00 of Federal monies and $57,000.00 of State funds. The increase can be provided from our regular budget of Highway Planning Funds for the next two fiscal years. Approval in establishing a revised budget for conducting the Penn-Jersey Transportation Study in a revised amount, not to exceed $3,400,000.00, has been put under agreement dated May 31,1961. (June 15, 1961)

Services - Engineering

3. Under date of January 6, 1960 this Department entered into an Agreement with Porter, Urquhart, McCreary & O'Brien, O.J. Porter & Company, for Engineering Services for the improvement of Route U.S. 1 at the intersection of Woodbridge Avenue in Edison Township. Total payments for work on this contract was established not to be in excess of $54,000.00 plus payment of reimburseable items, increasing the net payment not to be exceeded of $62,000.00. Due to the additional work included in this contract plus the unusual demands of the project as covered by letter of April 25, 1961 from Mr. O.J. Porter, it is respectfully recommended that authority be granted to increase the total on this contract to a ceiling of $85,000.00. (June 15, 1961)

- - - - - - - -

4. Approval and execution is recommended of the attached Supplemental Agreement between Deleuw, Cather & Company, Consultant, and the State of New Jersey covering understandings in connection with the performance of Engineering Services relative to the improvement of a portion of State Highway Route 23, from Charlotteburg to Oak Ridge Road, a distance of about 3.4 miles. The Consultant is to be paid for additional work on a basis of 4% of a construction cost factor calculated by multiplying estimated quantities by agreed upon unit prices, and it is recommended that an additional sum of $10,000.00 be set-up thus causing the total ($99,000.00 plus $10,000.00) to equal $109,000.00 for both Agreements. (June 17, 1961)

Agreements-Drainage-Borough of Sussex

5. Approval and execution is recommended of the attached Drainage Agreement between the Borough of Sussex and the State of New Jersey, covering understandings in connection with the drainage improvement for Route 23, Section 8, at Fourth Street in the Borough of Sussex. The Borough has adopted a Resolution providing for a deposit of $400.00 at the signing of these presents (check received). The Borough is to request the State's Maintenance Division to proceed with the improvement which is estimated to cost $8,000.00. At the completion of the project execute off-set vouchers amounting in total to $3,600.00 as payment in full of the Borough's share. (June 17, 1961)

Utilities-Route 80 (Erie-Lackawanna RR Co.)

6. Approval and execution is recommended of the attached agreement between the Erie-Lackawanna Railroad Company and the State of New Jersey covering understandings in connection with the improvement of Interstate Route 80 in the vicinity of Howard Boulevard (Morris County, Route 264). This improvement will require State Highway Department employees to enter upon lands of the Railroad for boring operations. The state is to reimburse the Railroad for the actual cost of the necessary insurance in its name to protect itself against our operations, which cost shall not exceed the premium amount of $100.00. (June 15, 1961)

Utilities-Route 80 (Public Service Elec.&Gas Co.)

7. Approval and execution is recommended of the attached ORDER PUO-21-80-4C, issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of gas main facilities to accommodate the construction of Freeway Interstate Route 80, Section 4C, located in the Borough of East Paterson, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $36,900.00. (June 17, 1961)

Utilities-Route 80, Section 5N (PS Elec. & Gas Co)

8. Approval and execution is recommended of the attached Order (PUO-46-80-5N) issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 80, Section 5N, located in the City of Hackensack, Borough of Lodi, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $157,710.00. (June 15, 1961)

(Section 1)
Utilities-City of Bordentown, Rt. U.S. 130 & U.S. Rt. 206

9. To accommodate the construction of Route U.S. 130 & U.S. Route 206, Section 1A, it will be necessary for the City of Bordentown to rearrange certain portions of its existing water facilities in the City of Bordentown and the Town of Bordentown, County of Burlington. The City is to be reimbursed for the actual cost of this work, which including approximately 10% for contingencies is estimated at $2,300.00. (June 17, 1961)

At the hearing before condemnation commissioners the testimony on behalf of the owner ranged from $9,555.00 to $13,500.00. While the witness for the State presented testimony in the amount of $5,775.00, he did admit to a value in excess of $8,500.00 if the property were appraised on a front-foot basis. The commissioners made an award in the sum of $8,500.00. It is recommended that this award be approved without interest. (June 20, 1961)

Right of Way-Route 28 (1953)

101. There is presented again the matter of acquisition of property on Route 28 (1953), Section 4, Green Brook to Bonegat Brook, Parcel 77B and 77C, The National Bank of New Jersey, on which an agreement in the sum of $3,900.00 was previously approved. Completion of the title search revealed that there is presently outstanding a vested right of dower in Mary E. Grubbs, the widow of Harry C. Grubbs, a former owner of two of the lots comprising a portion of Parcel 77C, which interest the bank advises cannot be acquired as Mrs. Grubbs refuses to convey the same. It is therefore recommended that authority be granted to accept the deed from The National Bank of New Jersey covering Parcels 77B and 77C and to pay the sum of $3,400.00 therefor, and to hold in abeyance the balance of $500.00 until such time as the outstanding interest is acquired or ceases to exist by reason of the death of the said Mary E. Grubbs. (June 20, 1961)

Right of Way-Route 17 (1953)

102. There is presented again the matter of condemnation of lands on Route 17 (1953), Section 5, Project U 102-(16), Ridgewood Avenue to Allendale Avenue, Parcel 12, Frank Zendzian and wife. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $39,300.00 and the testimony on behalf of the owner was in the sum of $71,700.00. The Commissioners made an award in the sum of $55,000.00. It is recommended that an appeal be authorized. (June 23, 1961)

Right of Way-Route 28 (1953)

103. There are presented report and appraisal with map and description on Route 28 (1953), Section 4, Green Brook to Bonegat Brook; Parcel 36, Shirley DeSioto, single and Gloria Ross, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $2,000.00 is considered excessive. (June 23, 1961)

Right of Way-Route 80 (1953)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS-JULY 17, 1961

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route U.S. 22, Section 14B, 900' West of Harding Terrace, Project No. U-178(18). The amount of Federal-Aid Urban Funds obligated is $318,780.00 which is 50% of the estimated cost for Federal participation. (July 13, 1961)

Federal Aid Funds-Right of Way

2. It is recommended that the attached modified project agreement in duplicate be approved and executed for Right of Way: Route 33, Sections 17 & 18, Corlies Avenue to Garden State Parkway, Project No. F-66(6). The amount of Federal Aid Funds obligated is $13,911.81 which is 50% of the estimated cost for Federal participation. This action increased the federal funds by $1,911.81 above the original obligation. This modification is necessary to receive final reimbursement. (July 13, 1961)

Utilities-Public Service Elec.& Gas Co.

3. Under date of May 9, 1961, the Commissioner approved reimbursement to the Public Service Electric & Gas Company for the relocation of two 26 KV electric transmission lines that are in the railroad right of way. As a result of later investigations made by our Bridge Division, it was decided that the proposed scheme of relocation would result in difficult construction operations and would result in higher bid prices. It is now proposed to construct these facilities underground. It is, therefore, recommended that the Public Service Electric & Gas Company be reimbursed for the actual cost of the electric transmission line relocation which including contingencies of approximately 10% amounts to $43,600.00, and that the Commissioner's action of May 9, 1961, be rescinded. (June 21, 1961)

Utilities-Route 80, Section 4F

4. Approval and execution is recommended of the attached Order (PUO-32-80-4F) issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 80, Section 4F, located in the Township of Saddle Brook, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work including approximately 10% for contingencies which is estimated to be $6,280.00. (July 13, 1961)

Utilities-Route 80, Section 4G

5. Approval and execution is recommended of the attached Agreement between the Passaic Valley WaterCommission and the State of New Jersey covering understandings in connection with the rearrangement of water supply facilities to accommodate the construction of Freeway Interstate Route 80, Section 4G, located in the City of Paterson, County of Passaic and the Borough of East Paterson, County of Bergen. The Water Commission is to be reimbursed forthe actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $27,300.00. (July 13, 1961)

Utilities-Route 287, Section 3B

6. Approval and execution is recommended of the attached Order (PUO-46-287-3B) issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Section 3B, located in the Township of Edison and the Borough of Metuchen, County of Middlesex. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $14,000.00. (July 13, 1961)

Utilities-Route 287, Section 3C

7. Approval and execution is recommended of the attached Order (PUO-52-287-3C) issued to the Public Service Electric & Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 287, Section 3C, located in the Township of Edison, Borough of Metuchen, County of Middlesex. Right of Way-Route 22 (1953)

114. There is presented again the matter of acquisition of property on Route 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road, Parcels 14A & 14B, William Platt et al, on which an agreement in the sum of $7,500.00 was previously approved. Subsequently, it was learned that the existing stream was incorrectly plotted on our right of way map and that the actual location was approximately 50 feet to the northwest. This entire matter was reviewed by the appraisers who concisered that the corrected plan results in additional damage to owner's remaining property, not considered on the original appraisals. Negotiations were reopened on this basis and an agreement has been executed in the sum of $8,500.00. It is recommended that this agreement be approved and that the previous agreement in the sum of $7,500.00 be rescinded. (July 11, 1961)

Rt. 50 (1953), Sec. 2B &3A- Bridge over Tuckahoe River, Corbin City, Atlantic County and Upper Township, Cape May County

This project is to be financed by the 1961-1962 Maintenance Funds. Bids to be received August 22, 1961. (July 24, 1961)

Route 18, Sections 1A & 4A

14. Approval is recommended in making award of contract to J. F. Chapman and Son, Inc., for the dualization and improvements at Old Bridge Circle, East Brunswick and Madison Townships, Middlesex County, on Route 18, Sections 1A and 4A, from the New Jersey Turnpike to the Raritan River Railroad, at their bid, the lowest of seven bids received on July 13, 1961 in the amount of $696,344.87. (July 21, 1961)

Route 23 (1953), Section 11A

15. Approval is recommended in making award of contract to J. F. Chapman and Son, Inc. for the Grading, Paving and Bridges, from Clove Road to New York State Line, on Route 23 (1953), Section 11A, in the Township of Montague, Sussex County, at their bid, the lowest of three bids received on July 13, 1961, in the amount of $234,464.95. (July 24, 1961)

Route 80, Section 5N

16. Approval is recommended in making award of contract to Franklin Contracting Company for Grading, Paving and Bridges on Route 80, Section 5N, located in the Boroughs of Lodi and Teterboro, City of Hackensack and Township of South Hackensack, Bergen County, Federal Project N.J.-I-80-5(16)64, at their bid, the lowest of three bids received on June 29, 1961, in the amount of $4,678,771.82. (July 18, 1961)

Route 208 (1953), Section 2B

17. Approval is recommended in making award of contract to Samuel Braen's Sons (Hawthorne Division) for the Grading, Paving and Bridges, on Route 208 (1953), Section 2B, from Colonial Road to Route U.S. 202, Boroughs of Franklin Lakes and Oakland, Bergen County, Federal Project No. F-189(17), at their bid, the lowest of six bids received on July 7, 1961 in the amount of $1,659,499.48. (July 21,1961)

[redacted]-Route 287, Section 3B

18. It is recommended that all bids received on July 6, 1961 for Route 287, Section 3B, New Durham Road to Prince St., Federal Project I-IG-287-1(19)2 be rejected and the project readvertised. The low bidder, Public Constructors, Inc. obviously unbalanced their bid in order to take advantage of an error in the estimation of Foundation Excavation. The following is a tabulation of the items involved and the unit prices bid by the various bidders:

Item No.	Plan Quantity	Actual Quantity	Public Constr.	S. J. Groves	Poirier & McLane	Rusciano Constr.
172	430 Cu Yd	683 Cu Yd	$50.00	$8.70	$13.00	$6.00
182	605 Cu Yd	1362 Cu Yd	50.00	8.45	5.00	6.00
193	505 Cu Yd	1046 Cu Yd	30.00	4.50	5.00	6.00

An award of the contract on the above basis would make the apparent low bidder higher than some of the others. (July 14, 1961)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JULY 31, 1961

Administration Items

Federal Aid (Defense Access Rd Landing

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction. (Defense Access): Defense Access Road - Landing Street, Newbolds Corner to Eayrestown Road, Lumberton, Project A-AD-1(1). The amount of Federal aid funds obligated is $76,400.00 which is 100% of the estimated cost for Federal participation. (July 31, 1961)

Claims-Settlements

2. This claim arises out of an accident occurring on July 29, 1960 involving a vehicle owned by the New Jersey State Highway Department, operated by John V. Lincoln, and a vehicle owned and operated by Rose M. Brewer. When a bill in the amount of $136.87 was presented to the insurance carrier representing this debtor, we received a reply that liability on the part of their assured was very questionable, but in order to dispose of the claim and make an amicable adjustment, they were willing to pay the sum of $68.44 representing 50% of our claim. This offer was immediately rejected and subsequent negotiations by the Claims Bureau have now resulted in the insurance carrier offering $100.00 to dispose of this claim. The driver of the other vehicle involved was charged with "careless driving" by the investigating officer and at the Magistrate's Court pled "not guilty" and was found not guilty. In the event we elected to institute a suit in order to recover the full amount of our claim, it would undoubtedly cost the State more than the sum of $36.87 to produce witnesses that would be necessary in order to obtain a judgment. In view of the foregoing, we feel that the best interest of the State would be served if we accepted the sum of $100.00 in full settlement of this claim, and it is our recommendation and in accordance with Mr. Levine's memorandum attached, hereto, and the recommendation of Deputy Attorney General, Joseph Lipkin that the offer receive favorable consideration and the balance of $36.87 be cancelled. (July 26, 1961)

3. The Highway Department's claim against the Campbell Soup Company in the amount of $173.33 arises out of an accident occurring in the cafeteria located in the State Highway building, 1035 Parkway Avenue, Trenton, New Jersey on August 3, 1959, involving Michael E. Goyden, an employee of the Division of Right-of-Way, Acquisitions of Titles. The accident occurred while this employee was eating clam chowder in the cafeterial which he alleges contained a clam shell which broke his tooth. Inasmuch as the clam chowder was purchased from the Campbell Soup Company, we placed them on notice that we would expect reimbursement for any medical treatment we were required to render this employee. Subsequent to the accident, the front tooth had to be extracted and the Department paid the sum of $33.33 towards a partial denture prepared by Dr. David Raw. We were also required to expend the sum of $140.00 representing compensation for the loss of one natural tooth. Upon presenting our claim to the Campbell Soup Company, they advised after giving due consideration to the circumstances under which the accident occurred, they did not consider a shell in the clam chowder a foreign object but indigenous to the product and that the courts have so ruled. They furnished several citations to support their position. However, in order to dispose of the claim as a "goodwill" gesture, they offered the sum of $42.50 in full settlement of our claim. Subsequent negotiations by the Claims Bureau has now resulted in an offer of $100 being made to dispose of this claim. In the event this employee had obtained the services of an attorney and made claim against the Campbell Soup Company and did recover a sum in excess of our lien, we would be entitled to the sum of $173.33, less statutory contribution toward counsel fee which would result in a net recovery to the State in the amount of $115.66. In the event suit was instituted in order to obtain a recovery, the expenses of suit would also be chargeable to the State and there is a very good possibility that our net recovery would amount to less than $100. In view of the circumstances under which the accident occurred, it might be difficult, if not impossible, for us to prove our case in the event we elected to institute a suit. Giving due consideration to the foregoing, it is our feeling and in accordance with Mr. Levine's memorandum attached, hereto, and the recommendation of Deputy Attorney General Joseph Lipkin, that the best interest of the State would be served by accepting the sum of $100 and the balance of $73.33 be cancelled. ((July 31, 1961)

Agreements-Mercer County Base Map

4. Approval is recommended for raising the ceiling established in an agreement dated February 11, 1960 between General Drafting Co., Inc., consultants, and this Department, covering revision and correction of Mercer County Base Map. This increase is requested to cover extra work as follows;

Legend Drawings as quoted in letter of April 12, 1960	$180.00
Work over and above that in basic agreement calculation based on part Second, section 2	93.27
Total	$273.27

The estimate cost of additional work listed above is $273.27, which will increase the total cost from $3750.00 to $4023.27. (July 26, 1961)

Services -Testing

5. Approval and execution is recommended of the attached Agreement between Richard P. Hughes Company and the State of New Jersey covering understandings in connection with the performance of testing services, namely the inspection of cast iron pipe and fittings at foundry. The Company is to be reimbursed for these inspections at the rate of $30.00 per day with a minimum charge of $15.00. Explanation; Transportation, meals and lodging will be reimbursed to the Tester (when transportation is by automobile - $0.07 per mile will be the rate) when service is performed away from registered site of business. (July 27, 1961)

Reimbursements-Hackensack Water Company

6. Approval is recommended in making reimbursement to the Hackensack Water Company in the amount of $432.49 (Bill attached) for repair to their 12" main located on the north side of Route S-3, 300' west of Route No. 20, East Rutherford, N. J. which was damaged as a result of State Highway Department boring operations in that area. (July 31, 1961)

Utilities-Route 208, Section 2B

7. To accommodate the construction of Route 208, Section 2B, Colonial Road to Route U. S. 202, in the Borough of Oakland, it will be necessary for the Public Service Electric and Gas Company to relocate their gas main facilities in the vicinity of Route U. S. 202 (Ramapo Valley Road). The Utility Company is to be reimbursed for this relocation work which including 10% for contengencies is estimated at $1,650.00. (July 27, 1961)

- - - - - - - - -

8. To accommodate the construction of Route 208, Section 2B, through the Borough of Oakland, it was necessary for the Borough of Oakland Water Department to relocate part of its facilities. It is recommended that the Borough be reimbursed for this work which including approximately 10% for contingencies is estimated at $13,500.00. (July 26, 1961)

- - - - - - - - -

9. To accommodate the construction of Route 208, Section 2B, Colonial Road to Route U. S. 202, Boroughs of Oakland and Franklin Lakes, it will be necessary for the Rockland Electric Company to rearrange their existing electrical facilities. The Rockland Electric Company is to be reimbursed for the relocation work in an amount which is estimated at $37,000.00. This amount may be somewhat less when due credit is given for incidental betterments for expansion of facilities through undeveloped territory, and for credit due to increased conductor sizes and for increased salvage credits. (July 27, 1961)

No Parking,Stopping, Standing Zones

10. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping, standing" zones along Route 63, Boroughs of Fairview, Palisades Park and Fort Lee, Bergen County. Municipal concurrence on file. (July 26, 1961)

No Passing Zones

11. In accordance with the provisions of s. 114, c. 23, L. 1951 (c. 39:4-201.1), it is recommended that the attached regulation be adopted establishing "No Passing" Zones along Route 47, Wildwood City, Lower, Middle and Dennis Townships, Cape May County. (July 26, 1961)

Construction Items

Route 70, Section 1A

12. Approval is recommended of the plans and specifications and authority to advertise for the Widening, Resurfacing and Island Closings on Route 70, Section 1A, from Cuthbert Road to Haddonfield Road Circle, Delaware Twp. Camden County. Bids to be received August 10, 1961. (July 20, 1961)

No. 28 - 1961

Route 10, Section 5B

13. Approval is recommended in making award of contract to Frapaul Construction Co. Inc. for the Pavement Reconstruction and Widening & Culvert on Route 10, Section 5B, from Pleasant Valley Way to the West Branch of the Rahway River, Town of West Orange, Essex County, at their low bid of $76,213.68 received on July 20, 1961. (July 26, 1961)

Route 52 (1953), Section 1B

14. It is recommended that contract for Route 52 (1953), Section 1B, Beach Thorofare, Rainbow Thorofare, Elbow Thorofare and Ship Channel Deck Slab Repairs, Ocean City and Somers Point, Atlantic and Cape May Counties, be awarded to Brann & Stuart Company, Whitehead Road, Trenton, New Jersey, in the amount of $144,319.78, being the lowest of four bids received for this project on July 20, 1961. (July 26, 1961)

Route 80, Section 4C

15. Approval is recommended in making Award of Contract to Poirier & McLane Corporation for Bridges and Incidental Work on Route 80, Section 4C, from River Drive to Boulevard, in the Borough of East Paterson, Bergen County, Federal Project No. N. J. I-80-4(12)60, at their bid, the lowest of 10 bids received on July 18, 1961, in the amount of $3,076,403.50. (July 26, 1961)

Route 287, Sections 12A & 13A

16. Approval is recommended in making Award of Contract to Franklin Contracting Co. for Grading, Paving and Bridges on Route 287, Section 12A & 13A, from Route U. S. 202 to Vreeland Avenue, in the Township of Parsippany-Troy Hills and the Town of Boonton, Morris County, Federal Project No. N. J. I-287-3(6)41, at their bid, the lowest of 5 bids received on July 5, 1961, in the amount of $3,598,772.03. (July 26, 1961)

Route 95, Section 1A

17. Approval is recommended of the request from Geo. M. Brewster & Son, Inc., for an extension of time from June 30, 1961 to September 30, 1961 on their contract for the construction of Route 95, Section 1A, Federal Project I-95-7(3)63. Approval is recommended of this extension of time for the following reasons:
1. A railroad wreck involving sand materials destined for the contract resulted in considerable loss of time and confusion among the railroad people, relative to future rules and regulations covering the shipment of sand from Wanaque to Leonia.
2. Following the wreck a terrific snow storm covered the work area, paralyzed traffic and prevented construction workers from reporting to the job. A railroad strike caused further delays. More snow and intense cold weather resulted in the sand freezing in the railroad cars and on barges to such an extent that that the cars and barges could not be unloaded.
3. An effort was made to defrost the sand by the use of "Liquid Sunshine". However, this was not effective because of the low temperatures, and the sand had to be broken from the cars in large frozen lumps. In pumping this material from the pit, the hydraulic pump was seriously damaged, causing extensive repairs.
The above mentioned conditions have been certified by Department field representatives. The contractor will be notified that approval of this extension of time will pertain to this contract only, and cannot be used as a reason for an extension of time for other contracts covering the same area. (July 27, 1961)

Sec. 15A
Route 129, Section 1A, Rt. 29 (1953),

18. Geo. M. Brewster & Son, Inc. has requested an extension of time of 60 working days for the completion of their contract for the construction of Route 129, Section 1A: Route 29(1953) Section 15A, F-203-(3), F-198-(7), Mercer County. Approval is recommended for an extension of time of 45 working days for the following reasons:
1. The utility relocation work at Bear Tavern Road began on September 16, 1960, and was not completed until April 18, 1961.
2. Additional work added to the contract in the amount of $59,044.14.
3. At the request of Department representatives, work was delayed in the vicinity of the golf course from October 1, 1959 until November 1, 1959.
4. Severe winter and unfavorable spring weather conditions, 1960-1961, prevented normal work progress.
5. Since July 5, 1961, only 10 working days have been charged to the project due to weather conditions. One day of rain on the soil formations of this project may preclude work for an indefinite period. (July 27, 1961)

87. There is presented again the matter of acquisition of property on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 12, Edward Morba and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $17,500. Continued negotiations have resulted in the execution of an agreement in the sum of $16,700 including down payment of $4,100. It is recommended that this agreement be approved and that condemnation proceedings authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (Aug 1, 1961)

Right of Way-Route 287

88. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287-2-(3), Easton Avenue to Stelton Road, Parcels R9A, 2R9B, 9C, R9D, R9F, 9G, and 9H, Sophy Kokenyessy, widow. Condemnation proceedings were previously authorized at which time the owner was demanding $90,000. Continued negotiations have resulted in the execution of an agreement in the sum of $64,750. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (July 31,1961)

Right of Way-Route 287

89. There is presented again the matter of acquisition of property on Route FAI 104-2-(4), also known as 287-2-(4), Stelton Road to Route U.S. 1, Project U-95-(46), Parcels 407 and 408, Phillip Fortunato and wife. Condemnation proceedings were previously authorized at which time the owner's demand was unknown. Continued negotiations have resulted in the execution of an agreement in the sum of $33,500 including down payment of $8,000. (Owner to retain and remove the one-story commercial structure). It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the two-story frame and block dwelling and two-car garage to the road contractor, by public auction, or by sealed bids. (July 26, 1961)

Right of Way-Route U.S. 130 & 206 (1953)

90. There is presented again the matter of acquisition of property on Route U.S. 130 and 206 (1953), Section 1, Project U-94-(8), Farnsworth Avenue to Mile Hollow Creek, Parcel 1, G.V.C. Realty Company. Condemnation proceedings were previously authorized at which time the owner was demanding $350,000. Continued negotiations have resulted in the execution of an agreement in the sum of $182,000. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (July 26, 1961)

Right of Way-Route 10 (1953)

91. There is presented again the matter of acquisition of a slope easement on Route 10 (1953) Section 3, Tabor Road to Troy Hills Road, Parcel E2, Andrew Russin and wife, on which an agreement in the sum of $500 was previously approved. Deed was delivered and payment made. During construction operations the septic system was damaged which was unforeseen and therefore not included in the original appraisals upon which the agreement was based. Three bids were secured from local contractors in accordance with Township specifications, the low bid being $1,000. The owners have executed and submitted a release of the claims for damages in the sum of $1,000. It is recommended that this release be accepted and authority be granted to pay the sum of $1,000 therefor; making the total cost for the acquisition of parcel E2 $1,500. (July 26, 1961)

Right of Way-Route 95 (1953)

92. There is presented purchase agreement on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a point East of Fletcher Avenue, Fort Lee, Parcels UER9B, UER-11C, and UE11D, Michael J. Monaghan and wife. Consideration $4,400. This agreement provides for conveyance of Parcels UER-9B, UER-11C, and UE-11D to Bergen County Sewer Authority. These parcels are required by the Bergen County Sewer Authority for construction and maintenance of a sanitary sewer line. It is recommended that the agreement be approved; and that authority be granted to transmit same to the Sewer Authority with the understanding that the State will reimburse the Bergen County Sewer Authority under R.S. 27:7A-7. (July 26, 1961)

Right of Way-Route 29 (1927)

93. There is presented again the matter of condemnation of lands on Route 29 (1927), Section 12, Project F 109-(15), Centreville to Freylinghuysen Avenue, Parcel R45A, Donald T. Busher. A condemnation commissioners' award was previously approved in the sum of $2,900 plus interest from May 12, 1961. Inasmuch as the State entered upon this property on June 22, 1959, it is recommended that interest be paid from June 22, 1959 to June 22, 1960 and from February 23, 1961 to the date of payment. (Interest will not be paid for the period from June 22, 1960 to February 23, 1961). (July 26, 1961)

- - - - - - - - - - -

94. There is presented again the matter of condemnation of lands on Route 29 (1927) Section 12, Project F 109-(17), Route U.S. 202 (1953) Centreville to Frelinghuysen Avenue, Parcel 56, Walter P. Perun and wife. The testimony on behalf of the owner was $3,595 and the testimony on behalf of the State was $1,100. The commissioners made an award in the sum of $1,100. It is recommended that this award be approved without interest. (Aug 1, 1961)

Right of Way-Route 80

95. There is presented again the matter of condemnation of lands on Route 80, Section 2J, Project I 80-2-(20), from Route U.S. 46 to Route 53, Parcel 30, The First National Iron Bank. At the hearing before the condemnation commissioners the testimony on behalf of the owner was $10,000 and the testimony on behalf of the State was $8,300. The commissioners made an award in the sum of $8,300. It is recommended that this award be approved without interest. (July 27, 1961)

No. 28 - 1961

Right of Way-Route 80 -

96. There is presented again the matter of condemnation of lands on Route FAI 80-2-(14) Route U.S. 46 at Netcong to East Side of Landing Road, Parcel R46, Project FAI 80-2-(14), Mildred Powers et al. At the hearing before condemnation commissioners the testimony on behalf of the State was in the sum of $226. The defendants did not appear nor were they represented. The commissioners made an award in the sum of $226. It is recommended that this award be approved. (July 27, 1961)

Right of Way-Route 295

97. There is presented again the matter of condemnation of lands on Route FAI 108-1-(12) also known as 295-1-(12), North-South Freeway (FAI 109) to Verga; Parcel R41A, Carlton Williams and wife. At the trial before a Judge and Jury the testimony on behalf of the State ranged from $21,000 to $23,000 and the testimony on behalf of the owner was $87,800. The Jury returned a Verdict in the sum of $60,000 and on July 8, 1960, a Judgment was entered in the sum of $62,000 (which included $2,000 interest from September 8, 1959, the date of entry to June 28, 1960). On July 12, 1960 the Commissioner authorized an appeal to the Appellate Division of the Superior Court. The Superior Court affairmed the Judgment of the Trial Court. Subsequently, our Department Attorneys requested the Attorney General's office to apply to the Superior Court for certification which is a preliminary move to an appeal to the Supreme Court. The Attorney General and his Assistant Attorneys General Satz and Botter settled the matter without consulting with our Atorneys and when our Attorneys learned of the settlement, it was too late to seek certification. Since the time for taking and appeal has expired, authorization is requested to proceed with paying the Judgment of $62,000 plus interest to the date of payment, except that no interest shall be paid for the period from April 28, 1961 to June 16, 1961, inclusive. (July 31, 1961)

- - - - - - - - -

98. It is presented again the matter of condemnation of lands on Route FAI 108-1-(12), also known as 295-1-(12), North-South Freeway (FAI 109) to Verga, Parcel R104, Board of Education of West Deptford Township. An appeal was previously authorized from a condemnation commissioners' award in the sum of $150. The day before the appeal, at a conference with Judge Kramer and the property owner's counsel, the Court contended that if the matter went to trial before the Jury, it would cost the Court at least $600 in Jury fees and felt that the matter should be compromised. It was therefore agreed that the State Highway pay $500 without interest. A Judgment in the amount of $500 without interest was entered. It is recommended that this Judgment be approved. (July 27, 1961)

Right of Way-Route 28 (1953)

99. There is presented report and appraisal with map and description on Route 28 (1953), Section 3, Bridge Street to Green Brook, Parcel 7, Selmer Loft and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $12,000 which is considered excessive. (July 26, 1961)

- - - - - - - - -

100. There are presented report and appraisal with map and description on Route 80 (1953), Section 4D, Project I 80-4-(4), Parcel 577A, Gray Realty, Inc. 104. There are presented report and appraisal with map and description on Route FAI 104-2-(4), also known as 287, Stelton Road to Route U.S. 1, Parcel E217, Timothy Moriarty and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this slope easement and temporary roadway, subject to any public utilities existing in the premises. The owner is demanding $3,500 which is considered excessive. (July 27, 1961)

- - - - - - - - -

105. There are presented report and appraisal with map and description on Route 287, (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel 75A, John Weglaz and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $10,000 which is considered excessive. (Aug 1, 1961)

Right of Way-Route U.S. 322

106. There is presented again the matter of condemnation of a drainage easement on Route U.S. 322, Section 3, Project F 105-(12), from Route 54 to Weymouth, Parcel E14, David Magno et al. Condemnation proceedings were previously authorized because of involved title. Our engineers have now advised that this drainage easement is no longer necessary. It is therefore recommended that condemnation proceedings previously authorized be rescinded and that this drainage easement be not acquired. (July 26, 1961)

Sale of Buildings, Route 21

107. There is presented a communication from Shanley and Fisher, attorneys, representing the Coastal Oil Company on which they guarantee a minimum bid in the amount of $26,492 for parcels X2 and X3 on Route 21, Section 5, from a point North of Chester Avenue to Belleville Bridge. It is recommended that authority be granted to advertise and sell at public auction parcels X2 and X3 on Route 21, Section 5 based on a minimum price of $26,492 with the understanding that the amount of $150 which is the estimated cost of conducting the sale, be paid for by the interested parties. It is further recommended that the above properties be sold subject to such slope and drainage rights as may be required and, further, that the successful bidder be required to construct a retaining wall, if required. (July 31, 1961)

Demolition of Buildings, Route 95 (1953)

108. There are presented estimates for the demolition of the two-car garage located on Route 95 (1953), Section 1B, Project I-95-6-(3), Teaneck Road to Route 4, Parcel R7, as follows:

Walter Moritz	$ 410.00
Hackensack Wrecking Company	1000.00

It is recommended that the bid in the amount of $410, submitted by Walter Moritz be accepted and that he be authorized to demolish the garage in accordance with his proposal. (July 26, 1961)

Demolition of Buildings, Route 80

109. There are presented estimates for the cost of demolishing the building located on Route FAI-101-5-(2), also known as 80-5-(2), from West Shore Railroad in Ridgefield Park to Teaneck Road in Teaneck, Parcel 259, formerly owned by Harry L. Cross. The following estimates were received:

Hackensack Wrecking Co.	$ 200.00
Walter Moritz	415.00

It is recommended that the bid in the amount of $200, submitted by Hackensack Wrecking Company, be accepted and that they be authorized to demolish the building in accordance with their proposal. (July 26, 1961)

No. 28 - 1961

Sale of Buildings- Route 80

110. There are presented reports on the public auction held on June 29, 1961, for the two buildings located on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 19. A bid in the amount of $525 was received for building No. 1, and a bid for $525 was received for building No. 2 from Ayce Associates of Hackensack, New Jersey. It is recommended that the bids in the amount of $525 for each building be accepted and the successful bidder be notified to remove the same upon payment of the full purchase price. (July 27, 1961)

Appraisal Orders

111. There are presented the following Appraisal Orders:

The Consultant is to be paid for this work on a force account basis, limited to a ceiling of $10,750.00. (Aug 4, 1961)

No. 29 - 1961

Sec. 1A

Reimbursement-Township of Bordentown-Rt.US 130&US 206(1953),

9. To accommodate the construction of Route U.S. 130 & U.S. 206 (1953), Section 1A, located in the City of Bordentown, Township of Bordentown, County of Burlington, it will be necessary for the Township of Bordentown to relocate 140'± of 2" water service main across proposed South Bound Route 130 at Station 162+95±, including either the relocation of an existing valve and box or the installation of a new valve and box in said main behind the proposed westerly curb line. It may also be necessary to rearrange other water facilities as encountered during the advancement of our Contractors grading and drainage operations. It is, therefore, recommended that an amount of $2,000.00 be set-up for reimbursing the Township of Bordentown for the necessary relocation work. (Aug 2, 1961)

Utilities-Route 208, Section 2B

10. To accommodate the construction of Route 208, Section 2B, in the Boroughs of Oakland and Franklin Lakes, Bergen County, it will be necessary for the New Jersey Bell Telephone Company to rearrange its facilities due to an existing road being wiped out. Rather than replacing the existing facilities that are wiped out along High Mountain Road, it is recommended that the Scheme for removing the facilities from High Mountain Road and constructing off-site facilities along Yawpo Avenue and Summit Avenue be approved, and that the State pay 48.7% of the actual cost of the work along Yawpo Avenue and Summit Avenue, and 100% of the removal cost along High Mountain Road in the estimated amount of $4,600.00 (including contingencies) for reimbursing the New Jersey Bell Telephone Company for the necessary work. (Aug 2, 1961)

Right of Way-Route 80

66. There is presented again the matter of acquisition of property on Route FAI 101-4-(2), also known as 80-4-(2), Passaic River to New York Susquehanna and Western Railroad, Parcels 3A and 3B, Curtiss Wright Corporation, on which condemnation proceedings were previously authorized. On March 22, 1961, the State Highway Commissioner approved an agreement dated March 17, 1961, providing for the construction of a vehicular-pedestrian underpass at about Station 471+22. There is now presented a supplemental agreement which provides for the construction of this underpass at about Station 472+00 instead of Station 471+22. The supplemental agreement further provides that the Curtiss Wright Corporation shall bear the additional engineering costs of $3,000 and also bear the increased construction costs not to exceed $9,000: it being understood that this supplemental agreement confirms all of the other recitals, terms, covenants, and provisions of the agreement dated March 17, 1961. It is recommended that this supplemental agreement be approved. (Aug 2, 1961)

67. There is presented again the matter of acquisition of property on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 48, Dominick Ferrara and wife, on which an agreement was previously approved in the sum of $20,900 (owner to retain and remove dwelling) including down payment of $5,200, which down payment was subsequently made in accordance with this agreement. Subsequently, the owner learned that they could not move the dwelling to their new lot because of a local ordinance prohibiting it. Negotiations were reopened on the basis of the State acquiring the dwelling and an agreement has been executed in the sum of $22,600, including the down payment of $5,200 already made, leaving a balance due of $17,400. It is recommended that tis agreement be approved; that the previous agreement be rescinded; and that authority be granted to dispose of the dwelling to the road contractor, by public auction, or by sealed bids. (Aug 3, 1961)

No. 29 - 1961

Right of Way-Route U.S. 30 (1953)

68. There is presented again the matter of condemnation of lands on Route U.S. 30 (1953), Section 1, Taunton Road to Wellington Avenue, Parcel 6, William G. Rohrer and wife. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $7,000. The attorney for the owner stated that he did not present any testimony inasmuch as the owner considered the State's previous offer of $7,420 to be just. The commissioners made an award in the sum of $7,420 to which interest should not be added. It is recommended that this award be approved. If the difference between owner and tenant connot be resolved within a month, it is recommended that the money be paid into Court. (Aug 3, 1961)

Right of Way-Route 29 (1927), Route U.S. 202 (1953)

69. There is presented again the matter on condemnation of lands on Route 29 (1927), Section 12, Route U.S. 202(1953), Centerville to Freylinghuysen Avenue, Project F-109-(17), Parcel 57B, Joseph J. McAndrew and wife. On June 23, 1961, a condemnation commissioners' award in the sum of $1,275 was approved without interest. At the hearing before condemnation commissioners no one appeared on behalf of the owner. Subsequently, the owner claimed the reason he did not appear was because he did not receive the notice of the hearing in time. Investigation revealded that the notice was incorrectly addressed and that the owner's contention was correct. It is therefore recommended that another hearing be held before condemnation commissioners to give the owner an opportunity to present his testimony; and that the action of June 23, 1961, approving the award of $1,275 be rescinded. (Aug 3, 1961)

Right of Way-Route 95

70. There is presented again the matter of condemnation of lands on Route FAI 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to A point east of Fletcher Avenue, Fort Lee, Parcel 58, Mary Collum, widow. At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $5,200 and the testimony on behalf of the State was in the sum of $2,000. The commissioners made an award in the sum of $3,710. It is recommended that an appeal be authorized. (Aug 7, 1961)

Right of Way-Route 287

71. There is presented again the matter of condemnation of lands on Route 104-2-(2) also known as 287-2-(2) Route 22 to Easton Avenue, Parcel 25, Kenneth Stohler. At the hearing before condemnation commissioners, the testimony on behalf of the owner was $14,800 and the testimony on behalf of the State was $5520. The commissioners made and award in the sum of $9750. It is recommended that an appeal be authorized. (Aug 2, 1961)

Right of Way-Route U.S. 130 (1953)

72. There is presented again the matter of condemnation of lands on Route U.S. 130 (1953), Section 10, Columbus Road, Burlington to Cooperstown Road, Parcel R1, John Nells et al. At the hearing before the condemnation commissioners, the testimony on behalf of the State was $26,176, and the testimony on behalf of the owner was in the sum of $83,250. The commissioners made an award in the sum of $60,000. It is recommended that an appeal be authorized. (Aug 7, 1961)

Right of Way-Route 80 (1953)

73. There is presented again the matter of condemnation of lands on Route 80 (1953) Section 5L, Project 80-5-(3), Saddle River to Market Street. Condemnation proceedings were previously authorized for the acquisition of Parcel 7A, R7B, and 7C, Dorothy P. Johnson and husband. Completion of the title search revealed that the Thompsons did not own a portion of Parcel R7B. This required revision of the map and the appraisals. It is recommended that the previous action authorizing condemnation of Parcels 7A, R7B, and 7C (containing 104,945 square feet) be rescinded and that authority be granted to institute condemnation proceedings for the acquisition of Parcels 7A, R7B1, and 7C (containing 97,509 square feet) in fee simple subject to any public utilities existing in the premises. The owners are demanding $25,000. (Aug 3, 1961)

- - - - - - - - - - -

74. There are presented report and appraisal with map and description on Route 80, Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 102B, William Faustini, single. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner has not made known his demand. (Aug 8, 1961)

Right of Way-Route 80

75. There are presented report and appraizal with map and description on Route 80, Section 5E, Project I 80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie), at Hackensack, Parcel 102A, Frank Altomare and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $5,600 which is considered excessive. (Aug 8, 1961)

Sale of Buildings

76. There is presented a report of the public auction held on August 1, 1961, on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 5. A bid in the amount of $75 was received from Mr. Edward Rembish of Clifton, New Jersey, for this building. It is recommended that the bid in the amount of $75 be accepted and that the successful bidder be notified to remove the building upon payment of the full purchase price. (Aug 3, 1961)

- - - - - - - - - - -

77. There are presented reports of the public sale held on August 1, 1961, for the buildings located on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, as follows:

Parcel	Name of Bidder	Amount of Bid
31 and 32	Lewis Innella	$100.00
67	Lewis Innella	100.00
104	Lewis Innella	100.00

It is recommended that these bids be approved and that the successful bidder be notified to remove the same upon payment of the full purchase price. (Aug 3, 1961)

Appraisal Orders

78. There are presented the following Appraisal Orders:

Date	Order No.	Appraiser	County	No. of Parcels	Fee
8/4/61	1961-A-400	Alfred London	Middlesex	1	$ 100.
"	401	James Harkins	"	1	100.

No. 30 - 1961

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - August 21, 1961

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director, and Chief Road Engineer, Counsel and State Highway Engineer. (Aug 9, 1961)

Services-Engineering

2. It is recommended that the request contained in letter from Mr. M. J. Madigan dated August 16, 1961, to transfer the agreements between this Department and the Firm of Madigan-Hyland to the Corporation of Madigan-Hyland Inc., be approved. The agreements in question are listed below and more particularly described in attached Schedule A:

Agreement dated May 24, 1957 - Route F.A.I. 102 (Route 78)
Agreement dated June 4, 1957 - Route F.A.I. 104 (Route 287)
Agreement dated May 6, 1959 - Route 287
Agreement dated August 15, 1960 - Routes 202 and 206
Agreement dated February 3, 1961 - Route 287
(Aug 18, 1961)

- - - - - - - - - -

3. Approval is recommended of increasing the ceiling appearing in the Agreement dated November 23, 1960 between Louis Berger Associates and this Department, under Article Second, Item 2, as it pertains to Section 2E from $20,000.00 to $24,000.00 an increase of $4,000. Due to the assignment of additional work, and the additional expense incurred because of the scattered nature of the project, etc,, the Consultant was unable to accomplish the output of work anticipated when they submitted their Proposal. (Aug 15, 1961)

- - - - - - - - - -

4. Approval and execution is recommended of the attached Supplemental Agreement dated 15 August 1961, between Maurice N. Quade, Walter S. Douglas, Alfred Hedefine, John O. Bickel, Rush F. Ziegenfelder and William H. Bruce, Jr., trading as Parsons, Brinckerhoff, Quade and Douglas, Consultant, and the State of New Jersey, relative to the construction of State Highways Routes I-80 and I-95. An original Agreement between the parties hereto was executed 25 April 1957. The Consultant is to be paid for an extended scope of contract services on a sliding percentage scale of the construction contracts awards cost to the State. The difference to be set up is based upon different estimated construction costs, namely 4.2% of $6,230,000.00 ($49,230,000.00 minus the original $43,600,000.00) or $261,600.00. It is suggested that $270,000.00 additional be set up. (Aug 18, 1961)

Agreements-City of Millville-North Second Street

5. Approval is recommended of including as a supplement to the Agreement dated August 5, 1959 between the City of Millville, Cumberland County, and the State of New Jersey for the improvement of North Second Street at the intersection of Route 47 (Delsea Drive), the following item: Bituminous Concrete Pavement MA-BC-1-2" Thick, 47 ton @ $11.90 - $559.30. The inclusion of this Contract item, performed for the benefit of this Department, will make a total of $11,207.71 as this Department's share of the cost for this project. This share of the cost is well within the funds of $12,500.00 approved for this project on August 4, 1959. (Aug 11, 1961)

Agreements-Township of Cedar Grove

6. Approval and execution is recommended of the attached Agreement dated August 7, 1961, between the Township of Cedar Grove and the State of New Jersey covering understandings in connection with a channelized intersection of Commerce Road and State Highway Route 23, which construction will be undertaken by the Township. The Township will be reimbursed for the cost of this construction in an amount not to exceed $9,600.00. (Aug 17, 1961)

Agreements-Township of Greenwich

7. Approval and execution is recommended of the attached Agreement dated August 4, 1961, between the Township of Greenwhich and the State of New Jersey covering understandings in connection with the apportionment of jurisdiction, control and maintenance relatiove to the improvement of a portion of New Village Road as part of the construction of Route 78, Section 2B (formerly Route 102) from Still Valley to Central Railroad of New Jersey, Greenwich Township, Warren County. (Aug 17, 1961)

Utilities-Route 27, Section 3B

8. Approval and execution is recommended of the attached Agreement between the Pennsylvania Railroad Company and The United New Jersey Railroad and Canal Company, and the State of New Jersey, covering understandings in connection with the reconstruction of the railroad grade crossing and the installation of electric flasher warning signals, to accommodate the improvement of Route 27, Section 3B, located in the Township of Frankling, County of Somerset, and in the City of New Brunswick, Middlesex County. The State will reimburse the Railroad for 50% of the cost of the work it must perform, with the State's share being in the estimated amount of $7,150.00. (Aug 10, 1961)

Utilities-Route 70, Section 1A

9. Approval and execution is recommended of the attached agreement between the Merchantville-Pennsauken Water Commission and the State of New Jersey covering understandings in connection with the rearrangement of existing water distribution facilities, to accommodate the construction of Route 70, Section 1A, located in the Township of Delaware, County of Camden. The State will reimburse the Water Commission for the work it must perform to accommodate the State's construction, which work is estimated at $1,122.00, which includes approximately 10% for contingencies. (Aug 10, 1961)

Right of Way Items

General Property Parcel Map-Route 69 Freeway, Section 1

84. There are presented eighteen sheets of the General Property Parcel Map on Route 69 Freeway, Section 1, from the vicinity of the Pennington Circle to Route U.S. 1 in the vicinity of Slackwood, showing property to be acquired from Crest Avenue to Route U. S. 1; together with processing form which has been approved by Messrs. Gerard and Rigby. It is recommended that these sheets be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The total estimated cost for right of way located between the aforementioned termini is $1,080,000. Heretofore the State Highway Commissioner has authorized the acquisition of certain parcels located within this project and also authorized the setting up of $530,000.00 to cover their estimated cost. The balance of $550,000.00 is the estimated cost of acquiring the remaining right of way. It is therefore requested that authority be granted to set up the sum of $550,000.00 from funds available under Item 21, of the 1958-59 Construction Program. (Aug 11, 1961)

Right of Way-Route 78

85. Discussions have been held between personnel of this Department and the Bureau of Public Roads concerning the programming for advance acquisition of properties on a portion of Route 78 (1953) from Springfield Avenue to Port Street in Union and Essex Counties as shown on the plan (scale 1"=600') submitted herewith. It has been deemed feasible and desirable to request authority of the State Highway Commissioner to negotiate for the advance acquisition of property where the owners are seeking approval by municipal and county zoning boards for the filing of development maps and a request for building permits. The advance acquisition of these parcels would permit our taking advantage of present day values and the forestalling of attempts by owners to claim excessive values by reason of the filing of development maps and the construction of improvements. The total estimated cost of right of way required for this project is $34,921,500.00. There is, however, only funds in the amount of $5,000,000.00 available at this time. Authority is therefore requested to set up this amount and to negotiate for properties on sections as listed below, where the necessity of such properties becomes imperative. This type programming will provide for immediate reimbursement by the Bureau of Public Roads.

Route 78	Section 5D	Springfield avenue to Garden State Parkway	$ 900,000.
	5E	Garden State Parkway to Lyons Avenue	800,000.
	5F	Lyons Avenue to Schuyler Avenue	1,000,000.
	5G	Schuyler Avenue to Elizabeth Avenue	1,000,000.
	5H	Elizabeth Avenue to Port Street	1,300,000.

As right of way plans are completed for the above sections, they will be transmitted to the State Highway Commissioner for formal approval in the usual manner. (Aug 15, 1961)

Bankos, single, Consideration $18,000.00 including down payment of $4,500. Approval is recommended. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (Aug 16, 1961)

Burlington Bristol Bridge Approaches (Right of Way)

107. There is presented a purchase agreement in the name of the Burlington County Bridge Commission-Burlington Bristol Bridge Approaches; Parcel 12, Attilio Marrani & Wife, Consideration $2,700.00. Authority is requested to transmit these agreements to the Burlington County Bridge Commission for approval and execution. (Aug 11, 1961)

Right of Way-Route 295

108. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, Parcels R81B & R82, James B. Kane and wife, on which an agreement was previously approved in the sum of $235,000 including down payment of $55,000 (owner to retain and remove nursery stock). Under the terms of this agreement the down payment of $55,000 has already been made. Subsequently, the owners expressed a desire to accept as part consideration, the conveyance by the State of Parcel V2R68C2. A supplemental agreement has been executed which contains the following provisions:

Right of Way-Route 10 (1953)

A. The State shall convey to James B. Kane and wife Parcel V2R68C2, subject to slope and drainage rights, and deduct from the balance due of $180,000 the sum of $2,000 which will make the total consideration $233,000 plus conveyance of Parcel V2R68C2.
B. All other terms and provisions of the original agreement shall remain in effect.

It is recommended that this supplemental agreement be approved. (Aug 16, 1961)

Right of Way-Route10 (1953)

109. There is presented again the matter of acquisition of a slope easement on Route 10 (1953), Section 4, Troy Hills Road, Whippany to Livingston Avenue, Parcel E64, on which an agreement was previously approved with Mabel N. Dydo, widow, in the sum of $300 (owner to retain fence). Before this agreement was consummated, Mrs.Dydo sold this property to Eleanor Voyski, single. Continued negotiations with Miss Voyski have resulted in the execution of an agreement in the sum of $300 (owner to retain fence). It is recommended that this agreement be approved and that the previous agreement with Mrs. Dydo be rescinded. (Aug 11, 1961)

Right of Way-Route 69 Freeway

110. There is presented again the matter of acquisition of property on Route 69 Freeway, Section 1, from the Vicinity of the Pennington Circle to Route U.S. 1 in the vicinity of Slackwood. An agreement was previously approved in the sum of $4,500 covering Parcel 31C (0.914 Ac), Patrolmen's Benevolent Association, Trenton Local #11. Subsequently, it was learned that the areas shown on the original map were incorrect. According to the corrected map, Parcel R31C, containing 0.547 Ac. is required from this owner. As a result of further negotiations, an agreement has been executed covering Parcel R31C in the sum of $4,300. It is recommended that this agreement be approved and that the previous agreement covering Parcel #31C be rescinded. (Aug 10, 1961)

Right of Way-Route 80

111. There is presented again the matter of acquisition of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 467, George Kayal and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $23,000. Continued negotiations have resulted in the execution of an agreement in the sum of $20,700 including down payment of $5,000. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (Aug 11, 1961)

Right of Way-Route 95

112. There is presented again the matter of acquisition of property on Route 95 (1953), Section 1B, Project I-95-7-(2), Teaneck Road to Route 4, Parcel R2, Edward M. Young Jr. & Wife. Condemnation proceedings were previously authorized at which time the owners were demanding $4,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $2,000. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (Aug 11, 1961)

Right of Way-Route 80

113. There is presented again the matter of acquisition of property on Route FAI-101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 84, Louis C. Urcinole & Wife. Condemnation proceedings were previously authorized at which time the owners were demanding $18,000. Continued negotiations have resulted in the execution of an agreement in the sum of $15,000, including down payment of $3,150. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings either to the road contractor, at public auction or by sealed bids. (Aug 11, 1961)

Right of Way-Route 287

114. There is presented again the matter of acquisition of property on Route FAI 104-2-(3), also known as 287-2-(3), Easton Avenue to Stelton Road, Parcel R-53, Drum Equipment Corporation. Condemnation proceedings were previously authorized at which time the property was owned by Regina Kulak and husband. Subsequently, the property was sold to the Drum Equipment Corporation. Continued negotiations have resulted in the execution of an agreement in the sum of $2,400. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (Aug 16, 1961)

Right of Way-Route 295

115. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as FAI 295-2-(5), Parcel 83, Warwick Road to Route 73, Joseph Grosso and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $35,000. Continued negotiations have resulted in the execution of an agreement in the sum of $18,900 including down payment of $4,700. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (Aug 10, 1961)

- - - - - - - - - -

116. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Rt. 73, Parcel 84, Frank Mento and wife. Condemnation proceedings were previously authorized at which time the owner would not make known his demand. Continued negotiations have resulted in the execution of an agreement in the sum of $18,750 including down payment of $4,650. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (Aug 10, 1961)

Right of Way-Route 130 (1953)

117. There is presented again the matter of acquisition of property on Route U.S. 130 (1953), Section 7, Project U-69-(21), Pennsauken Creek to Woodland Avenue. Condemnation proceedings were previously authorized for the acquisition of Parcel 15 (0.016-Ac) Max Sussman and wife. Subsequently, it was determined that Barclay Street was vacated and that the Sussmans had clear title to the center line of this street. The maps were accordingly revised and Parcel R15 now required from these owners contains 0.021 Ac. Because of this revision and also because the buildings on the property were completely gutted by fire, it became necessary to reappraise and renegotiate, as a result of which agreements have now been executed covering Parcel R15 in the sum of $946. It is recommended that this agreement be approved and that condemnation proceedings previously authorized for Parcel 15 be rescinded. (Aug 11, 1961)

Right of Way-Route 80

118. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 2J, Project I-80-2-(20), from Route U. S. 46 to Route 53, Parcel 31, Joseph C. Lombardi et al. At the hearing before condemnation commissioners the testimony on behalf of the State was in the sum of $8,600 and the testimony on behalf of the owner was in the sum of $12,000 to $13,000. The commissioners made an award in the sum of $9,500. It is recommended that this award be approved. (Aug 11, 1961)

- - - - - - - - - - -

119. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 5E, Project I-80-5-(11), New York Railroad (Erie) at Hackensack, Parcels 25A, R25B1 and 25B2, John Pepe et al. Condemnation proceedings were previously authorized at which time the owners would not make known their demands. Completion of the title search reveals the existence of a transcontinental pipe line which affects Parcels R25B1 & 25B2. It is recommended that authority be granted to condemn these parcels subject to this pipe line easement. (Aug 16,1961)

- - - - - - - - - - -

120. There is presented report and appraisal with map and description on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River, Parcel 6, Mary P. Melber & Husband. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $18,000 is considered excessive. (Aug 11, 1961)

- - - - - - - - - - -

121. There are presented report and appraisal with map and description on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River, Parcels 30A and 30B, Roman Raviola, Incorporated. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $360,000 which is considered excessive. (Aug 11, 1961)

Right of Way-Route 287

122. There are presented report and appraisal with map and description on Route FAI 104-2-(4), also known as 287, Stelton Road to Route U.S. 1, Parcel 458, Julia Germak and husband. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $2,500 which is considered excessive. (Aug 10, 1961)

Sale of Buildings

123. There is presented the matter of the public sale held on May 18, 1961, for the building located on Route 24 (1953), Section 12, Project EU-204-(2), River Road to Short Hills Avenue, Parcel 55. A bid in the amount of $2,500 was approved on May 22, 1961, for this building. Subsequently, the successful bidder was unable to comply with the terms and conditions of the sale. It is recommended that the deposit in the amount of $625.00 paid by Mr. Herman Kravis at the time of the sale, be declared forfeited to the State. (Aug 16, 1961)

- - - - - - - - - - -

124. There is presented a report regarding seven small radiators, which were found missing from the property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 365, formerly owned by Mr. William Breen. Mr. Breen has reimbursed this department in the amount of $50 for the missing radiators, which is considered fair and reasonable. It is recommended that the amount of $50.00 be accepted and that the money be credited to the Right-of-Way Account on Route 80 (1953), Section 4D. (Aug 16, 1961)

- - - - - - - - - - -

125. There is presented again the matter of the public sale held on June 6, 1961, for the sale of the garage located on Route FAI 104-2-(4), also known as 287-2-(4), Stelton Road to Route U.S. #1, Parcel 329. A bid in the amount of $25 for the garage was approved on June 29, 1961, at which time a deposit in the amount of $6 was made by Mr. George Nicolacopulos. Mr. Nicolacopulos failed to comply with the terms and conditions of the sale, and it is recommended that the deposit in the amount of $6 be forfeited to the State. (Aug 16, 1961)

Sale of Buildings

126. There are presented reports of the public sale held on August 8, 1961, for buildings located on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, as follows:

Parcel	Name of Bidder	Improvements	Amount of Bid
R81B and R82	James B. Kane	2 greenhouses	$ 50.00
121A1 and 121B1	Harry F. Renwick	1 sty. masonry dwelling	1,250.00
147	Silas V. Kenzler	One-car frame garage & 2 frame chicken coops	50.00

It is recommended that these bids be approved and that the successful bidders be notified to remove the buildings upon payment of the full purchase price. (Aug 11, 1961)

Appraisal Orders

127. There are attached the following Appraisal Orders:

Date	Order No.	Appraiser	County	No. of parcels	Fee

This bridge was damaged by the floods of August 18 & 19, 1955. (August 24, 1961)

Agreements-Borough of River Edge

4. Approval and execution is recommended of the attached Agreement dated August 7, 1961, between the Borough of River Edge and the State of New Jersey, relative to the apportionment of jurisdiction, control and maintenance in connection with the construction of a pedestrian overpass and kindred safety devices on Route 4, Section 2, in the Borough of River Edge, County of Bergen. (August 21,1961)

Agreements-Blue Star Shopping Center

5. Approval and execution is recommended of the attached Agreement dated August 14, 1961, between the Blue Star Shopping Ceneter and the State of New Jersey covering understandings in connection with the improvement of traffic conditions on State Highway Route U.S. 22 between Terrill Road on the west and Bonnie Burn Road on the east, in the vicinity of the Shopping Center, and also the improvement of traffic conditions at the Park Avenue-Bonnie Burn Road overpass entrance to said Center. The State is to pay for the installation of a traffic signal system at an estimated cost of $13,400.00; the rechannelization of intersection at Bonnie Burn Road, New Providence Road and the Park Avenue overpass connection at an estimated cost of $5,700.00, revision of the approaches to the Blue Star Shopping Center at an estimated cost of $5,800.00; the removal of the barrier curb on Route 22 and incidental maintenance charges at the estimated cost of $1,500.00. The total amount of the estimated cost to the State is $26,400.00, and it is suggested that the amount of $26,500.00 be set up. (August 24, 1961)

Services-Engineering

6. Approval and execution is recommended of the attached Agreement dated August 22, 1961, between Howard, Needles, Tammen & Bergendoff, Consultant and the State of New Jersey covering understandings in connection with the performance of a portion of State Highway Route 15 from the vicinity of Picatinny Arsenal to a point on existing Route 15 between Sparta and Woodruffs Cap, a distance of amount 11.5 miles. The Consultant is to be paid for his services on an estimate of quantities - agreed upon unit price product basis. The estimated fee for design is $417,100.00; repayable items based upon receipted bills $30,000.00; making a total of estimated charges $447,100.00. It is suggested that the sum of $492,000.00 be set up to cover the cost of the work called for under this Agreement. (August 24, 1961)

- - - - - - - - - - -

7. Approval and execution is recommended of the attached Supplemental Agreement dated August 17, 1961, between Louis Berger & Associates, Consultant and the State of New Jersey covering understandings in connection with the performance of additional engineering services relative to the improvement of the intersection of State Highway Route 17 with Linwood Avenue, under previous Agreements dated December 27, 1960. This Supplemental Agreement extends the improvement of State Highway Route 17 so as to include a similar service for the intersection of said

(cont'd)

Route with Paramus Road, East Saddle RiverRoad and East Glen Avenue. The ceiling amount of the new services under this Agreement is $18,000.00 extra, and it is suggested that the sum of $20,000.00 be set-up to cover the cost of the work called for under this Supplemental Agreement. (August 24, 1961)

Services-Engineering

8. Approval and execution is recommended of the attached Agreement dated August 17, 1961, between Howard, Needles, Tammen & Bergendoff, Consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the improvement of State Highway Route 24 (Freeway) from the vicinity of Baltusrol Avenue and a connection with Route I-78 in Springfield to the vicinity of the D.L. & W.R.R. crossing in Summit, a distance of about 1.0 mile. The Consultant is to be compensated at 5.35% of the payment based (approved total estimated quantities multiplied by agreed upon specified unit prices for his services) for his services modified as follows: If the final approved estimate of quantities indicates a payment varying more than 10% over or under $100,526.50 for actual design services or 10% over or under $10,000.00 for othe items, then the amount of the fee is to be renegotiated. The total of the estimated cost of services amounts to $120,000.00 be set up to cover the cost of the work called for under this Agreement. (August 22, 1961)

- - - - - - - - - - -

9. Approval and execution is recommended of the attached Agreement dated August 17, 1961, between Parsons, Brinckerhoff, Quade & Douglas, Consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to a route location study of a portion of State Highway Route I-95 beginning on the south in the vicinity of WestTTrenton connecting with State Highway Route 129 in the vicinity of Scudders Falls Bridge and extending northeastwardly to the vicinity of Ridgefield Park, a distance of about 65 miles. The Consultant is to be paid based upon approved hourly rates of employees who actually work on this project multiplied by two, plus an addition premium of 1/2 times straight time rates for approved overtime hours, if any, for actual engineering services. He is to be repaid for amounts expended for aerial photographs and photogrammetrics as evidenced by receipted bills, repayment for amounts spent for printing and reproductions, repayment for necessary work item - long distance telephone calls, car mileage in pertinent work production exclusive of computation charges. The total mount ot be paid the Consultant excluding the amount paid for aerial photographs and photogrammetrics is $75,000.00. It is, therefore, suggested that the amount of $84,000.00 be set up to cover the cost of the work called for under this Agreement. (August 22, 1961)

Right of Way-Route 18 (1953)

67. There is presented again the matter of acquisition of property on Route 18 (1953), Section 1, Weston's Mills to Tanner's Corner, Parcel 59, Frederick B. Young and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $49,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $27,500.00 including down payment of $6,850.00 (owner to retain and remove oil storage tanks, platform scale, and fencing). It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (August 31, 1961)

Right of Way-Route 80

68. There is presented again the matter of acquisition of property on Route 80, Section 4D, Project I=80-4-(4), Glover Avenue to Passaic River, Parcel 168, Elizabeth Pirozzi, single. Condemnation proceedings were previously authorized at which time the owner was demanding $24,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $19,500.00 including down payment of $4,800.00 (owner to retain and remove dwelling). It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the garage to the road contractor, by public auction, or by sealed bids. (August 29, 1961)

- - - - - - - - - - -

69. There is presented again the matter of condemnation of lands on Route 80, Section 5K, New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River. Condemnation proceedings were previously authorized for the acquisition of Parcel 17, Nyco Holding Company, Inc. at which time the owners did not state their demands. Subsequently, the parcel was subdivided into 17A and 17B. Because of title transfers, Parcel 17A and 17B comprise what was originally Parcel 17. At the present time ownership to both Parcels 17A and 17B is in the name of the Nyco Holding Company, Inc. Agreements have been executed for these parcels as follows:

Parcel 17A	Nyco Holding Company, Inc.	Consideration $3,000.00
Parcel 17B	Nyco Holding Company, Inc.	Consideration $137,000.00 including down payment of $34,250.00.

It is recommended that these agreements be approved and that condemnation proceedings previously authorized for Parcel 17 be rescinded. Authority is requested to dispose of the buildings on Parcel 17B to the road contractor, by public auction, or by sealed bids. (August 31, 1961)

- - - - - - - - - - -

70. There is presented again the matter of acquisition of property on Route FAI-101-5-(2), also known as Route 80-5-(2), West Shore Railroad in Ridgefield Park to Teaneck Road in Teaneck; Parcel R264A, Neighborhood Reformed Church. Condemnation proceedings were previously authorized at which time the owners were demanding $188,000.00 plus the building. Continued negotiations have resulted in the execution of an agreement in the sum of $64,000.00, plus conveyance of Parcel 335, the estimated value of which is $5,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (August 31, 1961)

Right of Way-Route U.S. 130 (1953)

71. There is presented again the matter of acquisition of property on Route U.S. 130 (1953), Section 7, Pennsauken Creek to Woodland Avenue. Condemnation proceedings were authorized for the acquisition of Parcel 51 (0.288 acres), Paul F. Schlatter and wife, at which time the owners were demanding $35,000.00. Subsequently Parcel 51 was subdivided into 51A and E51B because of a sale of a portion of the Schlatter property. This subdivision did not change the area of the fee taking - Parcel 51A (0.288 acres); but reduced slightly the amount of the slope easement required from the Schlatters. Continued negotiations have resulted in the execution of an agreement in the sum of $30,000.00 for Parcel 51A. It is recommended that this agreement be approved and that condemnation proceedings previously authorized for Parcel 51 be rescinded. (August 28, 1961)

Right of Way-Route U.S. 130 (1953)

72. There is presented again the matter of acquisition of property on Route U.S. 130 (1953), Section 9, Cooperstown Road to New Albany, Parcel 34, William H. Conca, Esq. and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $50,000.00. Subsequently, the plan was revised to include a drainage easement not previously shown. Continued negotiations have resulted in the execution of an agreement covering Parcel 34 including the drainage easement in the sum of $9,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (August 31, 1961)

Right of Way-Route 208 (1953)

73. There is presented again the matter of acquisition of property on Route 208 (1953), Section 2, Project F-189-(16), Ewing Avenue to Ramapo Valley Road, Parcel R30, Charles Moog and wife. Condemnation proceedings were previously authorized at which time the owners' demands were unknown. Continued negotiations have resulted in the execution of an agreement in the sum of $19,700.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings either to the road contractor, at public auction or by sealed bids. (August 28, 1961)

Right of Way-Route 80

74. There is presented again the matter of condemnation of lands on Route FAI 101-2-(2), Mt. Hope-Rockaway Road to Route U.S. 46 at Denville, Parcel 2R54, Charles Polka and wife. At the hearing before condemnation commissioners the testimony on behalf of the State ranged from $815.00 to $1,000.00; and the testimony on behalf of the owner was in the sum of $2,925.00. The commissioners made an award in the sum of $1,950.00. It is recommended that an appeal be authorized. (August 28, 1961)

- - - - - - - - - -

75. There is presented again the matter of condemnation of lands on Route 80, (1953), Section 2J, Project I-80-2-(20), from Route U.S. 46 to Route 53. Condemnation proceedings were previously authorized for the acquisition of Parcel 34A (4,165 sy. ft.), Andrew C. Bechtel and wife. Subsequently the plan was revised to R34A (2,729 sq. ft.) and R34B (4,406 sq. ft.), which two revised parcels comprise owner's entire property. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcels R34A and R34B in fee simple subject to any public utilities existing in the premises. It is further recommended that the previous action authorizing condemnation on Parcel 34A be rescinded. (August 31, 1961)

Right of Way-Route 28 (1953)

76. There is presented report and appraisal with map and description on Route 28 (1953), Section 3, Bridge Street to Green Brook; Parcel 6, Elmer W. Schaal and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner's demand of $24,160.00 is considered excessive. (August 28, 1961)

Right of Way-Route 35 (1953)

77. There are presented report and appraisal with map and description on Route 35 (1953), Section 2, Seaside Heights to Point Pleasant, Parcel E12, William C. Kiefer and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this drainage easement subject to any public utilities existing in the premises. The owner would not indicate what amount would be acceptable. (August 28, 1961)

Right of Way-Route 80

78. There are presented report and appraisal with map and description on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcels 573 and 579, Joseph M. Erucci and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple subject to any public utilities existing in the premises. The owner is demanding $30,000.00 which is considered excessive. (August 29, 1961)

- - - - - - - - - -

79. Sale of Buildings

82. There is presented again the matter of the sale of buildings on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, on which the following bidders have deposited to this department $300.00 each to be held in escrow until the terms and conditions of the sale regarding the buildings have been complied with, as follows:

Parcel	Name of Bidders	Amount of Escrow
112	Mrs. Vincent Ciccarelli	$300.00
114A & B	Mrs. Robert Kinzley	300.00

It is recommended that authority be granted to return the above money as the successful bidders have now complied with the terms and conditions of the sale. (August 31, 1961)

Demolition of Buildings - Route 80

83. There is presented again the matter of the demolition of buildings on Route FAI 101-4-(3), also known as 80-4-(3), New York Susquehanna and Western Railroad to a point east of Garden State Parkway, Parcel 5, formerly the W. & W. Paint Company, Inc. On June 29, 1961, the State Highway Commissioner approved the awarding of a demolition contract to Mr. Walter Moritz based on his low bid of $2,380.00, which amount was to be deducted from the purchase price before final settlement was made with the former owners. Due to the delays caused by the former owners, an additional expense in the amount of $265.00 was incurred by the contractor. At the time of final settlement with the former owners, a check in the amount of $2,645.00 was received from the W. & W. Paint Company to cover the cost of demolition and the additional expenses involved. It is recommended that authority be granted to reimburse the demolition contractor the additional amount of $265.00 upon completion of the work. (August 31, 1961)

Sale of Buildings

84. There is presented again the matter of the public sale held for the building located on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel 40. In accordance with the requirements of the sale, Mr. Sol Fogelson of Montville, New Jersey, who was the successful bidder, deposited with this department a check in the amount of $300.00 to guarantee the compliance with the terms and conditions of the sale. Authority is requested to return the $300.00, which was held in escrow, as the successful bidder has complied with the terms and conditions of the sale. (August 31, 1961)

Appraisal Orders

85. There are prested the following Appraisal Orders:

Date	Order No.	Appraiser	County	No. of Parcels	Fee

It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. The site has been cleared of structures by the road contractor in the performance of the construction contract. (September 8, 1961)

Right of Way-Route 38 (1953)

68. There is presented again the matter of acquisition of property on Route 38 (1953), Section 1, Project U-106-(8), from Route U.S. 130 to Route 73, Parcels 44 & 45, Johnson & Towers, Inc., on which an agreement in the sum of $6,000.00 was previously approved. Our title officer reports than an examination of title indicates that Parcel 45 (455 sq. ft.) can be conved in accordance with the terms of the agreement; but that Parcel 44 (45 sq. ft.) is subject to federal lien and two judgments against a former owner. Because of the title complication on Parcel 44, it is recommended that authority be granted to accept a deed for Parcel 45 and to pay the sum of $5,000.00 therefor; withholding payment of the b alance of $1,000.00 until such time as clear title to Parcel 44 is conveyed. (September 8, 1961)

At the hearing before condemnation Commissioners, the testimony on behalf of the State was in the sum of $2,500.00, and the testimony on behalf of the owner was $4,248. The Commissioners made an award in the sum of $4,050.00. It is recommended that an appeal be authorized. (September 8, 1961)

Right of Way-Route 295

72. There are presented report and appraisal with map and description on Route FAI-108-2-(5), also known as 295-2-(5) Warwich Road to Route 73, Parcel 139, Daniel Ricci & Wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $75,000.00 which is considered excessive. (September 8, 1961)

Sale of Buildings

73. There is presented again the matter of the public sale held on June 1, 1961, for the building located on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 178. On June 5, 1961, the State Highway Commissioner approved the bid submitted by Mr. Philip Bello for the above building in the amount of $250.00. Under the terms and conditions of the sale, Mr. Bello deposited with this department a Treasurer's check in the amount of $300.00 to guarantee the compliance with the terms and conditions of the sale. The terms and conditions of the sale have now been complied with. It is recommended that authority be granted to return the $300.00 to Mr. Bello, which was deposited with this department to be held in escrow. (September 8, 1961)

1. Approval is recommended of substituting the following wording in the items indicated, of the Agreement dated February 15, 1961, between this Department and Sherman, Taylor and Sleeper for engineering services, Route 34 between Brielle Circle and Collingswood Park Circle. Part second item (h-1) shall be changed to read as follows: Monthly part fee payments for the proportion of the total work actually completed toward a fee of seventy-five thousand dollars, ($75,000.00) less retainage allowed under Chapter VII Laws 1958, plus approved force account payments for extra work calculated by multiplying approved hourly pay rates by two (x2) for productive straight time hours plus an additional premium of one-half times straight time rates (x ½) for approved overtime hours, if any, until an approved engineer's estimate is available. Item (h-6) shall be changed to read as follows: A final payment in case no construction contract is awarded within six months of the date of acceptance of plans, specifications and final engineer's estimate or time limit set in part FIRST, comprising the remaineder of a straight fee of 5.0% (minimum $75,000.00) of the amount of the final approved engineer's estimate for regular work items plus money withheld as retainer, plus payment for due approved extra force accounts plus all due repayments. If a construction contract is awarded, an adjusted remainder of the amount due based upon a fee schedule as follows:

Actual contract awards cost to the State modified as in part THREE	Fee as percentage of modified contract awards
Up to $1,500,000.00	Minimum Fee $75,000.00
$1,500,000.00 to $1,549,999.99	5.000%
$1,550,000.00 to $1,599,999.99	4.875%
$1,600,000.00 to $1,649,999.99	4.750%
$1,650,000.00 to $1,699,999.99	4.625%
$1,700,000.00 to $1,749,999.99	4.500%
$1,750,000.00 to $1,799,999.99	4.375%
$1,800,000.00 and above	4.250%

The adjustment of this Agreement was caused by additional services authorized to provide jug handles for left and "U" turns and a re-design of ramps. The funds of $43,312.50 originally established will be increased to $75,000.00 to which should be added an amount of $3,750.00 for contingencies making a total amount of $78,750.00 or an increase in funds of $35,437.50. STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - SEPTEMBER 22, 1961

Administration Items

Federal Aid-Urban Funds

1. It is recommended that the attached project agreement in duplicate be approved and executed for Construction: Route 3 (1953), Section 1B, Hackensack River Bridge Substructure, Hudson & Bergen Counties, Project U-116(6). The amount of Federal Aid Urban funds obligated is $1,448,000.00 which is 50% of the estimated cost for Federal participation. (September 16, 1961)

Buildingd-Main Office Emergency Generator Building

2. Presented herewith is the Pre-Final and Final acceptance Certificate submitted by the Bureau of Construction, Department of the Treasury, requesting approval for making final payment to the Fowler-Thorne Company of Trenton, New Jersey, for the construction of the Main Office Emergency Generator Building. An inspection has been made of the facility and approval of the Acceptance Certificate is recommended. (September 16, 1961)

Utilities-Route 287, Sections 13B & 14A

3. Approval and execution is recommended of the attached Order (PUO-287-13B & 14A), issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Sections 13B & 14A, located in the Town of Boonton, Township of Montville, County of Morris. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $20,030.00. (September 20, 1961)

Agreements-Reading Company-Rooute 287, Section 3A

4. Under date of June 8, 1961, the State Highway Commissioner approved of the execution of a railroad agreement between the Reading Company and the State of New Jersey relative to the construction of Interstate Route 287, Section 3A. Since it was not anticipated at that time that there would be any reimbursable railroad force account work, this Agreement did not call for the setting up of any funds. However, it has now been determined that some drainage improvement work will have to be undertaken to insure the safe flow of highway collected storm watersthrough railroad right of way. The estimated cost of this improvement which is to be performed by the railroad forces amounts to $935.00 which includes approximately 10% for contingencies and it is recommended that this amount be set up for reimbursement to the railroad company. (September 20, 1961)

Reimbursement-Mr. Neumueller-Route 28

29. The Bureau of Maintenance in its normal mud-jacking operations on Route 28 in the Township of Cranford partially obstructed a six inch sanitary sewer house connection. The property owner, Mr. Neumueller, working with the services of a plumber and with the cooperation of the Township Engineer eliminated the obstruction. Mr. Neumueller incurred expenses in the amount of $355.00, which amount was estimated by the Township Engineer to be a fair and reasonable amount for the work done. The Department had an inspector on the site and examined the obstruction to insure that the obstruction was caused by our mud-jacking operation. Mr. Neumueller is requesting that the Department reimburse him for the cost incurred in this operation. The Department would normally correct any faults caused by its operations. Should we drive a post through a pipe we would replace the pipe or should we in our construction operations cause any other breakage, we would

29 (contd.) assume the responsibility. A precedent for reimbursement is established. Mr. Neumueller in this case is asking for full reimbursement. Since the sewer is over forty years old and has remained in service all this time, certainly the State cannot be expected to bear the full cost and expense of this operation. Depreciation of value must be considered. In view of these facts, it is recommended that the Department reimburse Mr. Neumueller to the extent of $175.00 or 50% of the total cost. Release Form signed by Mr. Neumueller is attached hereto. (September 28, 1961)

Right of Way-Route U.S. 22 (1953)

78. There is presented again the matter of acquisition of property on Route U.S. 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road. An agreement was previously approved in the sum of $41,700.00 (owner to retain and remove building, wood and metal fencing and sign) covering Parcel 15, William B. Platt and wife. As a result of information revealed by a completed title search Parcel 15 (1.190 ± Ac.) was revised to Parcel R15 (1.094 Ac.) The small area containing 0.096 Ac. had previously been conveyed to the State by the former owner. Negotiations were reopened with Mr. Platt which resulted in the execution of an agreement covering Parcel R15 in the sum of $41,100.00 (owner to retain and remove building, wood and metal fencing and sign). It is recommended that this agreement covering Parcel R15 be approved and that the previous agreement covering Parcel 15 be rescinded. (September 28, 1961)

Right of Way-Route 80 (1953)

79. There is presented again the matter of acquisition of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 464B, Meyer Lobsenz and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $12,936.00. Continued negotiations have resulted in the execution of an agreement in the sum of $9,750.00, including a down payment of $2,400.00. It is recommended that this agreement be approved and the condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the building to the road contractor, by public auction or by sealed bids. (September 28, 1961)

- - - - - - - - - - -

80. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 89, Topper Construction Corp. Condemnation proceedings were previously authorized at which time the owner was demanding $12,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $9,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (September 28, 1961)

- - - - - - - - - - -

81. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River, Parcels 5 and 7, Peter Paskauskas, widower. Condemnation proceedings were previously authorized at which time the owner was demanding $125,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $50,000.00 including down payment of $12,500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor by public auction or by sealed bids. (September 28, 1961)

- - - - - - - - - - -

82. There is presented again the matter of acquisition of property on Route FAI 101-5-(3), AKA 80-5-(3), Market Street to Route 17, Parcel R76, Justina Lo Dico (widow). Condemnation proceedings were previously authorized at which time the owner was demanding $25,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $22,500.00 including down payment of $5,600.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor by public auction, or by sealed bids. (September 26, 1961)

Right of Way-Route 287

83. There is presented again the matter of acquisition of property on Route FAI 104-2-(2), also known as 287-2-(2), Route U.S. 22 to Easton Avenue, Parcels 417A, 417B, R417C, 417D, 2R417F, 417G, RE417H, E417J, RE417K, R417L and E417N, Township of Franklin, on which an agreement in the sum of $32,350.00 was previously approved. This agreement contained a clause to the effect that, if the Township cannot convey good title to any of the parcels, the consideration shall be reduced accordingly. Completion of the search discloses that the Township cannot convey good title to Parcel 2R417F. The foreclosure proceedings through which title was acquired by the Township is defective on thirty-five of the fifty-nine lots comprising Parcel 2R417F. The Township is willing to institute the necessary foreclosure proceedings. The appraised valuation of Parcel 2R417F is $13,450.00. Authority is requested to accept a deed covering all of the above indicated parcels exclusive of Parcel 2R417F and to pay the sum of $18,900.00 therefor; retaining the balance of $13,450.00 until title to Parcel 2R417F has been perfected and conveyance made to the State. (September 28, 1961)

Right of Way-Route 80

84. There is presented again the matter of condemnation of lands on Route FAI-101-2-(2), Mt. Hope-Rockaway Road to Route U.S. 46 at Denville, Parcel 2R54, Charles Polko and wife. On August 28, 1961 an appeal was authorized from a condemnation commissioners award in the sum of $1,950.00. The date for filing an appeal in this case expired on September 10, 1961. A review of this case indicates that there are good and sufficient reasons for not carrying the case to an appeal. It is therefore recommended that the award in the sum of $1,950.00 be approved without interest and that the action authorizing an appeal be rescinded. (September 28, 1961)

Right of Way-Route U.S. 130 & U.S. 206 (1953)

85. There is presented again the matter of condemnation of lands on Route U.S. 130 and U.S. 206 (1953), Section 1, Farnsworth Avenue to Mile Hollow Creek, Project U-94-(8); Parcels 9A, 9B and 9C, Reuben J. Hill, et al. The testimony on behalf of the State, at the condemnation hearing, was $31,900.00; and the testimony on behalf of the owner was $54,175.00. The commissioners made an award in the sum of $38,150.00. It is recommended that an appeal be authorized. (September 28, 1961)

Right of Way-Route 80

86. There are presented report and appraisal with map and description on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcel 115, Hackensack Holding Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $4,500.00 which is considered excessive. (September 28, 1961)

Right of Way-Route 80 (1953)

91. There are presented report and appraisal with map and description on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey & New York Railroad (Erie) at Hackensack, Parcel E-152, Marie Jerome (widow). It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this drainage easement subject to any public utilities existing in the premises. The owner did not make known her demand. (October 2, 1961)

- - - - - - - - - - -

92. There are presented report and appraisal with map and description on Route 80, Section 5K, Project I-80-5-(12), New Jersey & New York Railroad (Erie) at Hackensack to Hackensack River, Parcels 23A & 23B, Goodall Sanford, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple, subject to any public utilities existing in the premises. The owner is demanding $1,100,000.00 which is considered excessive. (October 4, 1961)

Right of Way-Route 287

93. There are presented report and appraisal with map and description on Route FAI-104-2-(4) also known as 287, Stelton Road to Route U.S. 1, Parcels 102A & 102B, Frank Banno and Eva Banno, h/w and Peter Lanzi and Carmela Lanzi, h/w. 94. There are presented report and appraisal with map and description on Route FAI-104-2-(4), also known as 287, Stelton Road to Route U.S. 1, Parcel 250, Unknown owner. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel subject to any public utilities existing in the premises. (October 3, 1961)

- - - - - - - - - - -

95. There is presented again the matter of acquisition of property on Route FAI-104-2-(4), also known as 287, Stelton Road to Route U.S. 1, Parcel 372, Harold G. Habe, Jr. & wife, on which an agreement in the sum of $3,500.00 was previously approved. Our title officer reports that the completion of the search has revealed certain title exceptions which the attorney for the owner feels could not be cleared without considerable expenses to his client. Because of this situtation the owner has asked that the property be acquired through condemnation proceedings. It is therefore recommended that the previous action approving the agreement be rescinded and that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. Title is involved. (October 5, 1961)

Right of Way-Route 295

96. There are presented report and appraisal with map and description on Route FAI-108-2-(5), Warwick Road to Route 73, Parcels 38A, R38B, 38C & 38D, Lawnside Hills, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple, subject to any public utilities existing in the premises. The owner is demanding $131,000.00 which is considered excessive. (October 4, 1961)

Right of Way-Route 208

97. There are presented report and appraisal with map and description on Route 208, Section 2, Federal Project F-189-(16), Ewing Avenue to Ramapo Valley Road, Parcel 67, Joseph H. Scully and Shirley, his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The suggested settlement of $950.00 was rejected, the owners demanding $4,500.00, which is considered excessive. (October 4, 1961)

~~Route 80~~
Right of Way-Route 95

98. A review of the Right of Way Accounts on Federal Aid Interstete Projects reveals that the sum of $1,550,000.00 is required to complete the acquisition of right of way on Route 95, Section 1F, Route 4 to Point East of Fletcher Avenue and Route FAI-101-5-(3), Market Street to Route 17 at Lodi. ((October 5, 1961)

Sale of Buildings

99. There is presented again the matter of the public sale of the greenhouses located on Route FAI-104-2-(4), also known as 287-2-(4), Stelton Road to Route U.S. 1, Parcel 377. On June 6, 1961, a public sale was held and a bid in the amount of $75 was received from John Pisula. In accordance with the terms and conditions of the sale, Mr. Pisula deposited with this department the amount of $300 to guarantee the compliance with the terms and conditions of the sale. Mr. Pisula has now complied with the terms and conditions of the sale. Authority is requested to return the $300 which was deposited with this department. (October 4, 1961)

Sale of Land

100. There are presented two additional items of excess land which the State Highway Commissioner does hereby determine to be no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction or maintenance of any State Highway:

County	Item Numbers

State Highway Commissioner

NO. 38 - 1961

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - OCTOBER 13, 1961

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or reclassifications of prospective bidders as prepared by the Pre-qualification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director, and Chief Road Engineer, Counsel and State Highway Engineer. (October 9, 1961)

Federal Aid-Interstate Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Preliminary Engineering: Route 280, Livingston-W. Orange Line to E. Orange - Orange Line, Essex County, Project No. I-280-6(2). The amount of Federal-aid Interstate funds obligated is $888,300.00 which is 90% of the estimated cost for Federal participation. (October 12, 1961)

- - - - - - - - - - -

3. It is recommended that the attached project agreement in duplicate be approved and executed for Preliminary Engineering: Route 280, East Orange - Orange Line to Route 58 including Interchange, Essex County, Project No. I-280-6(3). The amount of Federal-aid Interstate funds obligated is $1,073,296.00 which is 90% of the estimated cost for Federal participation. (October 12, 1961)

Claims-Settlements

4. This claim arises out of an accident occurring on May 14, 1959 on Route 47, Franklinville, Gloucester County, New Jersey, and involved a vehicle owned and operated by Richard B. Jones. As a result of this occurrence, an over-hanging traffic light was damaged and subsequently repaired by the Highway forces at a cost of $72.14. Investigation by the Claims Bureau disclosed that the vehicle involved in this accident was not insured. Subsequent correspondence directed to Mr. Jones, and several personal calls to his home, resulted in one payment of $10.00 made on July 5, 1960. No partial payments have been made since that date. Mr. Jones has, however, made an offer for a cash settlement in the amount of $30.00, which would result in a total recovery of $40.00 on the original claim totaling $72.14. Mr. Jones has indicated that he is employed as a house mover and due to illness in the family has been unable to make any further payments. Giving due consideration to Mr. Jones' financial status and the possibility of his making future payments, it is the opinion of the Claims Bureau that the State would be justified in accepting the above offer for settlement rather than attempting to recover the full amount of the claim by means of a law suit and judgment, which might prove uncollectable. It is our recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that the offer of settlement receive favorable consideration. (October 12, 1961)

Flood Damage-Sussex County Bridge No. 381

5. Submitted herewith is a Resolution of Award of Contract from the Board of Chosen Freeholders of Sussex County for the construction of Sussex County Bridge No. 381 in Wantage Township, which was damaged by the floods of August 18 and 19, 1955. Winans Engineering and Manufacturing Corporation of Layton, New Jersey, submitted a bid of $11,962.00 for this work, being the lowest of two bids received on October 10, 1961. It is recommended that we concur in the Award of Contract to Winans Engineering and Manufacturing Corporation. (October 13, 1961)

Agreements-Woodbridge Township-Jug Handle

6. Approval and execution is recommended of the attached agreement dated October 5, 1961, between the Township of Woodbridge and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of a jug handle type of turning facility at the intersection of Ford Avenue with Route U.S. 1, Section 6. (October 9, 1961)

Agreements-Livingston Township-Route 10

7. Under date of October 14, 1960, the Commissioner approved an Agreement with the Township of Livingston calling for the rearrangement of water supply facilities at an estimated cost of $8,270.00 to accommodate the construction of State Highway Route 10 through the Township. However, during the course of construction additional points of conflict were discovered making it necessary for the Township of Livingston to incur additional rearrangement of water facilities as indicated on the attached memorandum, which additional work amounted to $4,694.50. It is recommended that the Township of Livingston be reimbursed for this added work, which will be in addition to the work covered by our Agreement dated October 14, 1960 for Route 10, Sections 4B and 5A. (October 12, 1961)

Construction Items

Route 80, Section 4G

8. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and approval to advertise for bids after approval has been received from the Bureau for the Grading, Paving, Bridges and Walls, on Route 80, Section 4G, from Lakeview Ave. to River Drive, City of Paterson, Borough of East Paterson, Passaic and Bergen Counties, Federal Project No. N.J.-I-80-4(14)60. (October 9, 1961)

67. There is presented the matter of Parcel 340 on Route FAI 104-2-(4), also known as 287, Stelton Road to Route U.S. 1, on which an agreement was previously approved by the State Highway Commissioner. Upon vacation of the property by the former owner, it was found that some pipe was removed from the premises, and a check in the amount of $25.00 was received from the attorney for the owner, Olive Hughes, Executrix under the Last Will and Testament of James A. Lewis, deceased. It is recommended that the amount of $25.00 be accepted in payment for the missing pipe. (October 12, 1961)

Right of Way-Route 80

68. There is presented again the matter of the public sale of the building located on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 311. In accordance with the terms and conditions of the agreement, the high bidder, Mr. John Manginello, deposited the amount of $300.00 with this department to guarantee the compliance with the terms and conditions of the sale. An investigation discloses that Mr. Manginello did not fully comply with the provisions of filling in the cellar, and the demolition contractor completed the work for which he will be reimbursed $36.40. It is recommended that authority be granted to return to Mr. Manginello the amount of $263.60, which is the balance of the $300.00 previously deposited with this department. (October 12, 1961)

NO. 39 - 1961

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - OCTOBER 20, 1961

Administration Items

Route 37, Section 16

1. Final payment of Route 37, Section 16, Mathis Bridge to Seaside Heights, Ocean County, which was authorized by Action of the Commissioner dated December 30, 1960, has been withheld pending evidence of settlement of claims against the contract. Reid Contracting Co., Inc., the contractor, have now furnished releases from all except two of the claims of record, which two they dispute and for which they have furnished the bonds attached. Acceptance of the bonds in double the amounts of the claims of Harry Stephenson and Lester A. Tice's Sons and authorization to make final payment of the contract without requiring releases of these claimants is recommended. (October 18, 1961)

Utilities-Route 287, Section 3B

2. Approval and execution is recommended of the attached Agreement between the State of New Jersey, the Pennsylvania Railroad Company and The United New Jersey Railroad and Canal Company, covering understandings in connection with the rearrangement of facilities of the Pennsylvanis Railroad affected by the proposed overhead bridge over Main Line and two underground bridges for Bonhamton Branch and Westinghouse and Ford Leads on Route 287, Section 3B, Borough of Metuchen, Township of Edison, County of Middlesex. The original estimate of reimbursable work was $356,720.00. However, approval of Change Order #1 will reduce the original Agreement by $72,050.00 making the total amount to be set up $284,670.00. (October 18, 1961)

Approval is recommended. (October 17, 1961)

Right of Way-Route 95

63. There is presented again the matter of acquisition of property on Route 95 (1953), Section 1F, Project I-95-7-(4), Route 4 to a point East of Fletcher Avenue, Fort Lee, Parcel R1, Tide Water Realty Company. Condemnation proceedings were previously authorized at which time the owners were demanding $40,000.00 which was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $25,000.00. It is recommended that this agreement be approved and that the condemnation proceedings previously authorized be discontinued. (October 18, 1961)

Right of Way-Route 80

64. There is presented New Jersey Power & Light Company invoice number I-10 in the sum of $61.95 covering additional expenses required for the acquisition of Parcel UE162C on Route FAI 101-2-(2) (Route 80) Mt. Hope-Rockaway Road to Route US 46 at Denville. The State Highway Commissioner on December 16, 1959 approved the payment of the consideration of $2,750.00, together with $201.90 for the expenses incurred in the acquisition of this parcel for a total payment of $2,951.90. On December 30, 1959 check number 176437, in the sum of $2,951.90 was transmitted to New Jersey Power & Light Company. Subsequently, invoice number I-10 in the sum of $61.95 was received, together with supporting data and transmittal letter to Mr. J.F. Farrell, Supervisor, General Accounting, New Jersey Power & Light Company explaining that this amount was not included in the previous payment. It is recommended that authority be granted to reimburse to the New Jersey Power & Light Company in the sum of $61.95 for the additional expenses required for the acquisition of Parcel UE162C. Claims-Acceptance

1. This claim arises out of an automobile accident which occurred on April 20, 1961 and involved a vehicle owned by the New Jersey State Highway Department and operated by Walter Martin, and a vehicle owned by Richard Dahn, Inc., and operated by M. H. Clark. As a result of the above referred accident, State Highway Ford truck HYD 340 was damaged and subsequently repaired at a cost of $60.30. Investigation by the Claims Bureau and subsequent negotiation with the insurance company representing Richard Dahn, Inc. resulted in their denying liability on the part of their assured, and therewith a denial of our claim. On the basis of reports submitted by the State Highway driver, it is our feeling that liability is questionable. However, further negotiation with the above named insurance company resulted in their making an offer of 50% of our claim in the amount of $60.30, namely $30.15. Giving due consideration of the fact that the insurance company representing Richard Dahn, Inc. originally denied payment of our claim, it is my opinion that the State would be justified in accepting the above offer of settlement. It is recommended, in accordance with Mr. Levine's memorandum dated October 20, 1961, attached hereto, and the recommendation of William J. McCormack, Deputy Attorney General, that the offer be approved. (October 25, 1961)

Federal Aid-Urban Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Right of Way: Route U.S. 1, Woodbridge Avenue Overpass-Edison Township, Middlesex County, Project No. U-95(45). The amount of Federal-aid Urban Funds obligated is $600,000.00 which is 50% of the estimated cost for Federal participation. (October 30, 1961)

5. It is recommended that the attached project agreement in duplicate be approved and executed for Right of Way: Route U.S. 22, Middle Brook East to Washington Avenue, Somerset County, Project No. U-178(21). The amount of Federal-aid Urban Funds obligated is $150,000.00 which is 50% of the estimated cost for Federal participation. (October 30, 1961)

Federal Aid-Primary Funds

6. It is recommended that the attached project agreement in duplicate be approved and executed for Right of Way: Route U.S. 322, Eighth Street North to Williamstown, Atlantic and Gloucester Counties, Project No. F-105(13). The amount of Federal-aid Primary Funds obligated is $80,550.00 which is 50% of the estimated cost for Federal participation. (October 30, 1961)

Agreements-N.Y.S. & W.R.R.-Route 80, Section 5R

7. Approval and execution is recommended of the attached Agreement (RRA-1-80-5R) between the New York Susquehanna and Western Railroad Company and the State of New Jersey covering understandings in connection with the rearrangement of railroad facilities to accommodate the construction of Freeway Interstate Route 80, Section 5R, located in the Township of Saddle Brook, County of Bergen. The State will reimburse the Railroad for the work it must perform to accommodate the State's construction, which work is estimated to be $39,860.00. (October 26, 1961)

NO. 40 - 1961

Services-Engineering

8. Approval and execution is recommended of the attached Agreement dated October 20, 1961, between Clarke and Hartman, consultant, and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the improvement of a portion of State Highway Route 36 from Keyport to Atlantic Highlands, a distance of about 9.5 miles. The consultant is to be paid for this work first on a force account basis as follows: Two times all approved hourly pay rates for employees used on this project for productive straight time hours, plus an additional premium of one-half times straight time rates for approved overtime, if any, for surveys based upon an estimated ceiling of $35,000.00. Secondly, the consultant is to be paid on a fee basis of 4.55% of an estimated cost of construction of $3,000,000.00 for engineering design services or $136,500.00, making a total amount of $171,500.00 to which should be added 15% for contingencies. It is therefore recommended that an amount of $197,225.00 be set up to cover the cost of the work called for under this Agreement. (October 30, 1961)

Utilities-Route 287, Section 1 (1953), Rt. US 1 (1953), Secs. 7A & 8B

9. Approval and execution is recommended of the attached Agreement (PUA-55-287-3C) between The Buckeye Pipe Line Company and the State of New Jersey, covering understandings in connection with the rearrangement of the Ethylene Transmission Pipe Line facilities, to accommodate the construction of Freeway Interstate Route 287, Section 3C, and Route U.S. 1 (1953), Sections 7A and 8B, located in the Township of Edison, County of Middlesex. The State will reimburse the Company for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $161,000.00. (October 23, 1961)

Utilities-Route 287, Sections 13B & 14A

10. Approval and execution is recommended of the attached Order (PUO-60-287-13B & 14A) issued to the Jersey Central Power and Light Company, covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 287, Sections 13B and 14A, located in the Town of Boonton and the Township of Montville, County of Morris. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $39,500.00. (October 26, 1961)

Utilities-Route 47, Section 10A

11. To accommodate the construction of Route 47, Section 10A, Drainage Project, in the City of Vineland, it was necessary for the City of Vineland Electric Utility to move two (2) poles at an estimated price of $141.00 per pole. They have submitted a bill in the amount of $282.00 for which reimbursement is hereby requested. (October 24, 1961)

Utilities-Route U.S. 130, Sections 7B & 10B

12. To accommodate the construction of Route U.S. 130, Sections 7B and 10B, in the Township of Pennsauken, County of Camden, it was necessary for the Merchantville-Pennsauken Water Commission to rearrange some of its water main facilities. The Commission performed this work with their own forces and have submitted a bill for the water main rearrangement work in the amount of $821.05. It is, therefore, recommended that the Merchantville-Pennsauken Water Commission be reimbursed for this rearrangement work. (October 23, 1961)

Reimbursement-Erie-Lackawanna R.R. Co.-Rt. US.206, Sec. 21A

13. To accommodate the construction of Route U.S. 206, Section 21A in Byram Township, Sussex County, the State Highway Department is to construct a new wall to replace the defective existing wall which will be superimposed upon the right-of-way of the Erie-Lackawanna Railroad Company. The State is to reimburse the Railroad Company for the engineering inspection and protective personnel costs incurred which is estimated at $7,315.00 ($5,800.00 protective personnel, $1,515.00 engineering and inspection). (October 30, 1961)

116. There is presented again the matter of acquisition of property on Route 17 (1953), Section 5, Project U-102-(16), Ridgewood Avenue to Allendale Avenue, Paramus, Parcel 7, Nicholas Mandis and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $1,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (October 26, 1961)

Right of Way-Route 80 (1953)

117. There is presented again the matter of acquisition of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River. Condemnation proceedings were previously authorized for the acquisition of Parcel 45 (entire taking 7,500 square feet); Frank Vivino and wife. Subsequently, the plan was revised providing for a partial taking; Parcel R45, containing 4,975 square feet. Negotiations conducted on this new basis have resulted in the execution of an agreement covering Parcel R45 in the sum of $8,400.00 plus conveyance of Parcels V46B, V48B and V49B (owner to remove that small portion of the building which encroaches on Parcel R45). It is recommended that this agreement be approved and that condemnation proceedings previously authorized on Parcel 45 be rescinded. (October 31, 1961)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - NOVEMBER 10, 1961

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director, and Chief Road Engineer, Counsel and State Highway Engineer. (November 8, 1961)

Services-Engineering

2. Approval and execution is recommended of the attached Agreement dated October 30, 1961, between John G. Reutter, Consultant and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the improvement of Highway Route U.S. 9 for dualization, construction of a median strip, jug handles together with drainage corrections between State Highway Route 18 and Freehold Circle connection, a distance of about 9.5 miles. The Consultant is to be paid on a fee basis of percentage on the construction awards cost to the State plus incidental and specifically requested extra work. Taking the median of the probable fees plus 15% incidentals, it is suggested that an amount of $110,000.00 be set up to cover the cost of the work called for under this Agreement. (November 3, 1961)

Agreement-Hackensack Water Company
Services-Engineering

3. Approval and execution is recommended of the attached agreement between the Hackensack Water Company and the State of New Jersey covering understandings in connection with the Company's desire to construct an 18" steel water line through the Hackensack River Bridge. The State will include in the Bridge Superstructure Contract Plans, as a construction item, "Installing 18" Water Main". All Materials to be furnished by the Company. The water main is to extend through the bridge structure from abutment to abutment as shown on the plans for Route 3, Section 1C, Hackensack River Bridge, Superstucture, Town of Secaucus, Hudson County, and Borough of East Rutherford, Bergen County. The Company will reimburse the State for the actual lump sum bid price for the above mentioned item, unless the Company considers the price unreasonable, in which case the item will be deleted from the State's contract and the Company may negotiate with the State's contractor or other contractors for the performance of the work. The Company will also negotiate with and pay directly to the State's consulting engineers for the engineering costs in connection with the water main work. (November 3, 1961)

Agreement-Burlington County

4. Approval and execution is recommended of the attached Agreement dated October 24, 1961, between Burlington County and the State of New Jersey covering understandings in connection with the improvement of County Route 530 which serves as a connector between State Highway Routes 38 and 206. This work will be undertaken as a joint project between the State and the County, for which the State's share will be a flat sum of $250,000.00. The total cost of this project being $425,000.00. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on April 13, 1961, under the terms of which the Board of Education of the Town of Phillipsburg conveyed to the State Parcel 25C at a consideration of $1.00 plus conveyance of Parcel X32A2. All the other terms of this agreement have been consummated. It is recommended that this deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcel X32A2 is no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway. (November 8, 1961)

Right of Way-Route 95 (1953)

114. There is presented again the matter of condemnation of lands on Route 95(1953), Section 1F, Project I-95-7-(4), from Route 4 to a point East of Fletcher Avenue, Fort Lee, New Jersey. Condemnation proceedings were previously authorized for the acquisition of Parcels R2A1, R2A2 & R2B, Mark M. Stark and Max Gellis. Subsequently, the plan was changed to eliminate Parcel R2B. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcels R2A1 & R2A2 in fee simple, subject to any public utilities existing in the premises. The owners are demanding $350,000.00 for these two parcels together with Parcels R4A & 2R4B which is considered excessive. It is recommended that the previous action authorizing condemnation of Parcels R2A1, R2A2 & R2B be rescinded. (November 8, 1961)

115. There is presented again the matter of condemnation of lands on Route 95(1953), Section 1F, Project I-95-7-(4), from Route 4 to a point East of Fletcher Avenue, Fort Lee, New Jersey. Condemnation proceedings were previously authorized for the acquisition of Parcels R4A & R4B, Mark I. Stark & Max Gellis, trading as Star-Gell Realty Company. Parcel R4B (containing 14,360 square feet) was an entire taking. Subsequently, this parcel was revised to Parcel 2R4B (9,372 square feet), a partial taking. Negotiations were re-opened for the acquisition of Parcels R4A & 2R4B. The owners are demanding $350,000.00 for these two parcels together with Parcels R2A1 & R2A2. It is therefore recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcels R4A & 2R4B in fee simple, subject to any public utilities existing in the premises, in view of the owners' excessive demand. It is further recommended that the previous action authorizing condemnation of Parcels R4A & R4B be rescinded. (November 8, 1961)

Right of Way-Route 95 (1953)

116. There are presented report and appraisal with map and description on Route U.S. 1 , Section 8, Main Street to Raritan River, Parcel 25, Irving Littman, et al, Project U-95-(45). Sale of Excessive Land

126. In accordance with the State Highway Commissioner's action of September 20,1961 and October 3, 1961, a public sale of excess land was held in Fernwood Building #8 on October 18, 1961. As a result of this public auction, it is recommended that the items as listed in report, dated November 1, 1961, for sale to the high bidder be approved, in accordance with tabulation submitted. (November 6, 1961) (*)

- - - - - - - - - -

127. There is presented the matter of the public sale held on October 18, 1961 for the sale of excess lands on Route 4 Parkway (1927), Section 8, Parcel X72A and known as Item 92. Item 92 was previously sold in 1958, and should not have been included in the recent sale. Authority is requested to reject the bid in the amount of $1,650.00, which bid was submitted by Mr. Wm. Broderick, and that authority be granted to return the deposit in the amount of $415.00 to Mr. Broderick. (November 6, 1961)

(*) It is recommended that bids as listed in the tabulation which were considered too low, be rejected and that the same be included in a future sale. It is also recommended that authority be granted to hold action in abeyance on certain items as listed in the tabulation pending clarification as to their disposal.

Sale of Buildings --

128. There is presented again the matter of the sale of the building located on Route 80 (1953), Section 4D, Project I-80-4-(4), from Glover Avenue to Passaic River, Parcel 40, on which a bid in the amount of $100 was approved by the State Highway Commissioner on February 3, 1961. At the time of the sale, John Grosso, who was the successful bidder, deposited the amount of $25.00 with this department. Mr. Grosso has failed to comply with the terms and conditions of the sale, and authority is requested to consider the deposit paid to the State forfeited and that the previous action approving the sale be rescinded. Confirmation is also requested in turning the building over to the contractor for demolition. (November 3, 1961)

Claims-Settlement

9. This claim arises out of an automobile accident which occurred on January 19, 1961 at the intersection of Kent and Washington Streets, Trenton, New Jersey, and involved a vehicle owned by the New Jersey State Highway Department and a vehicle owned and operated by Mr. Peter Carabelli, 520 Roebling Avenue, Trenton, New Jersey. As a result of this accident State Highway Department vehicle registration HYF-376 was damaged, and subsequently repaired at Fernwood at a cost of $224.29. Investigation by the Claims Bureau disclosed that the collision occurred near the center of an intersection at a time when the streets were covered with snow and ice. Contact was made with the insurance company representing Mr. Carabelli, and based on facts concerning the occurrence, the insurance company denied payment of our claim. Further negotiations resulted in their making an offer of one-third of the amount of the Highway Department's claim for damage. This was not accepted and the insurance company later offered 50%, or $112.15 in full payment of our claim. In view of the circumstances under which this accident occurred and the cost involved should a suit be instituted against the other party and giving consideration to the possibility of a "No Cause for Action" verdict, it is the opinion of the Claims Bureau that the State of New Jersey would be justified in accepting the above offer of settlement. This is in accordance with Mr. Levine's memorandum attached hereto and the recommendation of Deputy Attorney General, William J. McCormack. (November 15, 1961)

Maintenance Item

Detour-Glassboro State College, Glassboro

26. There is presented herewith a print indicating a detour requested by the Department of Education. The detour is requested to permit the uninterrupted utility work necessary to place in operation certain buildings at the Glassboro State College in Glassboro, New Jersey. The detour will carry traffic around the work over Girard Avenue and Whitney Avenue back to Route #322. Both roads appear adequate to carry the traffic expected. The work planned involves a high pressure, high temperature steam line known as a "Thermo-Tile Installation", a sanitary crossing and a water and sewer crossing; the latter to be in one trench. The Department of Education will, if the detour is permitted:

1. Obtain permission from the local bodies having jurisdiction over the above mentioned streets.
2. Maintain the detour in good condition.
3. Restore the same when the detour is terminated to its former condition.
4. Will provide adequate signing and lighting for the benefit of traffic.

It is recommended that in the interest of the traveling public and since the cost will be borne by the Department of Education, that approval be given for this detour. (November 17, 1961)

NO. 44 - 1961

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - NOVEMBER 30, 1961

Administration Items

Services-Engineering -

1. Approval and execution is recommended of the attached Agreement dated November 27, 1961, between Parsons, Brinckerhoff, Quade and Douglas, consultant, and the State of New Jersey covering understandings in connection with the performance of engineering services relative to revising the present 1956 edition of of the Construction Inspection Manual for Resident Engineers and Inspectors issued by the State Highway Department. It is recommended that the amount of $2,000.00 be set up for payment to the consultant for the work that will be performed under this Agreement. (November 29, 1961)

Utilities-Route 95, Section 1B

2. In connection with approved Utility Order PUO-4-95-1B; NJ-I-95-7(6)63 Contract #4, it was necessary for the Hackensack Water Company to lower in service its 48" reinforced concrete water main located at about Station 1199+20 on Route 95, Section 1B, and being parallel and adjacent to the Northern Railroad of New Jersey. The estimated cost under the Utility Order was $85,000.00, however, the actual cost for this work amounted to $228,000.00, which exceeded the original estimate by $143,000.00. The contract for this project, due to lack of any prior experience on which to base bid prices, was let on a cost plus basis. The reasons for this excess are explained more fully in the attached memorandum. The major reasons being as follows:

(1) No prior experience on which to base estimate and design standards
(2) The extreme urgency in completing this project by the earliest possible date in order not to delay the Freeway construction

Despite the difficulties encountered on this project, it appears that the method employed is still somewhat below the cost of the other alternate method of relocation, which would have involved methods which are still in an early stage of development for this type of work. It is, therefore, recommended that the Hackensack Water Company be reimbursed in the additional amount of $143,000.00 which was needed to complete this project. (November 29, 1961)

No Parking Zones

3. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking" zones along Route 27, Woodbridge Township, Middlesex County. (November 29, 1961)

Right of Way-Route U.S. 1 (1953)

39. There is presented again the matter of acquisition of property on Route U.S. 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 85 (entire property) Stanley C. Ryno and wife, on which an agreement was previously approved in the sum of $16,000.00 including down payment of $4,000.00. Subsequently, it was determined that it was not necessary to acquire this owner's entire property and the revised parcel is now designated as Parcel R85. Negotiations were continued and an agreement covering Parcel R85 has now been secured, in the sum of $13,200.00 including down payment of $3,300.00 (owner to retain and remove 1 story frame dwelling and 1 car frame garage). It is recommended that this agreement covering Parcel R85 be approved and that the previous agreement covering Parcel 85 be rescinded. (November 28, 1961)

Right of Way-Route 10 (1953)

40. There is presented again the matter of acquisition of property on Route 10 (1953), Section 3, Tabor Road to Troy Hills Road, Whippany. An agreement in the sum of $14,000.00 was previously approved covering Parcels 45A, E45B, E45C, and E45D, Newark Milk and Cream Company. Subsequently, the plan was revised to eliminate the slope easement previously indicated in connection with Parcel E45B. Negotiations were reopened for the acquisition of Parcels 45A, ER45B, E45C, and E45D, which resulted in the execution of an agreement covering these parcels in the sum of $13,950.00. It is recommended that this agreement be approved and that the previous agreement covering Parcels 45A, E45B, E45C, and E45D be rescinded. (November 28, 1961)

Right of Way-Route 80 (1953)

41. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, Parcels 11A and 11B, Frank J. Servas and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $40,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $38,200.00 including down payment of $9,500.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (November 28, 1961)

- - - - - - - - - -

42. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, Parcels 21A and 21B, Joseph Holzl and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $40,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $32,800.00 including down payment of $8,200.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction, or by sealed bids. (November 28, 1961)

Right of Way-Route 78 (1953)

43. There is presented again the matter of condemnation of lands on Route 78 (1953), Section 2G, Project I-78-2-(17), Mulhockaway Creek to west of Clinton in the vicinity of Clinton Farms, Parcels 33A and 33B, Clement M. Bonnell, Jr. et al, on which an appeal was authorized from a condemnation commissioners' award in the sum of $3,000.00. Subsequently, the owner agreed to accept settlement in the sum of $2,000.00 and a consent judgment in the amount was entered without interest. It is recommended that this consent judgment be approved and that the appeal previously authorized be discontinued. (November 28, 1961)

Right of Way-Route 22

44. There is presented again the matter of condemnation of lands on Route FAI 104-2-(2), also known as 287-2-(2), Route U.S. 22 to Easton Avenue, Parcels 3A and 3B, Arthur Vennori Realty Company, Inc., on which an appeal was previously authorized from a condemnation commissioners' award in the sum of $35,672.00. At the trial before a jury, the testimony on behalf of the State was in the sum of $27,950.00; and the testimony on behalf of the owners ranged from $39,550.00 to $50,000.00. The jury returned a verdict in the amount of $31,000.00 to which the court added 6% interest from October 6, 1959, date of entry, amounting to $3,811.78 resulting in a total judgment of $34,811.78. It is recommended that this judgment be approved plus interest to the date of payment. (November 27, 1961)

Right of Way-Route 80 (1953)

45. There is presented again the matter of condemnation of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 221, Joseph Borzellino et al. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $25,700.00 and the testimony on behalf of the owner was in the sum of $32,200.00. The commissioners made an award in the sum of $27,000.00. It is recommended that this award be approved. (November 28, 1961)

- - - - - - - - -

46. There is presented again the matter of condemnation of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 222, Joseph Borzellino et al. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $11,000.00 and the testimony on behalf of the owner was in the sum of $16,000.00. The commissioners made an award in the sum of $13,100.00. It is recommended that this award be approved. (November 28, 1961)

Right of Way-Route 21 Freeway

47. There is presented again the matter of condemnation of property on Route 21 Freeway, Section 1, Project U-126-(7), Rutgers Street, Belleville to Route 3, Clifton, Parcels 2R50A, 2R50B and 2R50C, Delawanna Iron and Metal Company. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $36,300.00 and the testimony on behalf of the owner was in the sum of $274,000.00. The commissioners made an award in the sum of $85,000.00. It is recommended that an appeal be authorized. (November 28, 1961)

Right of Way-Route 95 (1953)

48. There is presented again the matter of condemnation of property on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a point east of Fletcher Avenue, Fort Lee, Parcel 17, Newo, Inc., At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $430,500.00 and the testimony on behalf of the owner was in the sum of $640,000.00. The commissioners made an award in the sum of $465,000.00. It is recommended that an appeal be authorized. (November 28, 1961)

- - - - - - - - -

49. There is presented again the matter of acquisition of property on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a point east of Fletcher Avenue, Fort Lee, Parcels 9, 11A and 11B, Michael J. Monaghan and wife, on which an agreement was previously approved in the sum of $267,000.00 including down payment of $66,000.00; which down payment has been made. Our title search reveals that one of these parcels is encumbered by a lease held by the Sun Oil Company; and the value of this unexpired lease is estimated at $15,000.00. The property owner has been unable to agree with the lessee for the release of this lease. It is therefore recommended that authority be granted to pay the full balance due under this agreement in the sum of $201,000.00 with the understanding that the owner shall deposit with the State a certified check in the sum of $30,000.00 to be held until such time as the lease of the Sun Oil Company has been satisfied of record. (November 28, 1961)

Right of Way-Route U.S. 1 (1953)

50. There are presented report and appraisal with map and description on Route U.S. 1 (1953), Section 8, Main Street to Raritan River, Parcel 52, Frank Viacava and Marie Viacava, h/w, and Richard Viacava, single (minor); Project U-95-(45). It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Owner unable to convey title free and clear. (November 28, 1961)

Right of Way-Route 46 (1953)

51. There are presented report and appraisal with map and description on Route 46 (1953), Section 11, Project F88-(16), Edwards Road to Hornseneck Road, Parcel 6, Martin Parker and Helen Parker, his wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owners' demand of $30,000.00 is considered excessive. (November 29, 1961)

Right of Way-Route 287 (1953)

52. There are presented report and appraisal with map and description on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel 78, Heirs of the Estate of George Czahlo. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. While some of the heirs executed an agreement in the sum of $2,300.00, it is necessary to acquire the property through condemnation proceedings because of involved title and inability to secure the signatures of all of the heirs. (November 30, 1961)

Right of Way-Route 80 (1953)

53. There is presented the matter of the public sale held on November 21, 1961, on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 503, formerly owned by James G. and Anna Vasile. A bid in the amount of $225.00 was received from Mr. Walter Moritz of Passaic, New Jersey. This building cannot be moved and must be demolished. The estimated cost to the State for demolishing this building would be approximately $2,500.00. It is recommended that the bid in the amount of $225.00 submitted by Mr. Moritz be approved and that authority be granted to have the successful bidder move the building upon payment of the full purchase price. (November 28, 1961)

Sale of Buildings

54. There is presented a report of the public sale held on November 21, 1961, for the sale of the building located on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 499, formerly owned by Charlotte and Saul Klein. A bid in the amount of $150.00 was received for this building from Mr. Edward Rembish of Clifton, New Jersey. This building must be moved and must be demolished, and the estimated cost to the State for demolishing this building would be approximately $3,500.00. It is recommended that the bid in the amount of $150.00 be accepted and that the successful bidder be notified to remove the building upon payment of the full purchase price. (November 28, 1961)

- - - - - - - - - -

55. There is presented the matter of the public sale held on November 21, 1961, on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, as follows:

Parcel	Name of Bidder	Amount of Bid
10A and B (garage)	Charles Dartt	$25.00
21A and B	Paul Bartel	1,500.00

Authority is requested to accept the bids as submitted by the high bidders and that authority be granted to allow the successful bidders to remove the buildings upon payment of the full purchase price. (November 28, 1961)

82. There is presented again the matter of acquisition of a drainage easement on Routes 1, 4 & 6 (1927), Section 6, Christie's Lane to Hudson River Bridge Plaza. An agreement was previously approved with the Borough of Fort Lee in the sum of $150.00 covering Parcel E165. Subsequently, we learned that Parcel E165, as shown on the General Property Parcel Map, did not correctly indicate the area in which the drainage facilities were actually installed. Therefore, the map was revised and the correct area is now designated as Parcel ER-165.

An agreement and deed has been executed covering Parcel ER-165 in the sum of $150.00. It is recommended that this agreement be approved and that the previous agreement covering Parcel E165 be rescinded. (December 7, 1961)

Right of Way-Route 22 (1953)

83. There is presented again the matter of acquisition of property on Route 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road. An agreement was previously approved with Elizabeth T. Wood, widow, in the sum of $4,100.00/ covering Parcel 3 (0.164 AC). The search subsequently made by our Title Bureau, revealed that the adjacent paper street, designated as Ridge Road, was vacated. Therefore, the area adjacent to Parcel 3 to the center line of Ridge Road reverted to Elizabeth T. Wood, widow. Negotiations were reopened and an agreement has now been reached in the sum of $4,850.00 which covers Parcel 3 (0.164 AC), and Parcel 3B (0.155 AC). It is recommended that the agreement covering Parcels 3 &3B be approved and that the previous agreement covering Parcel 3 be rescinded. (December 7, 1961)

84. There is presented again the matter of acquisition of property on Route 80 (1953), Section 2J, Project I-80-2-(20), from Route U.S. 46 to Route 53. Condemnation proceedings were previously authorized for the acquisition of Parcel 25A & 25B, Denbrook Corporation, at which time the owners were demanding $105,000.00. The owners have now executed an agreement covering Parcel 25A only in the sum of $27,000.00 plus conveyance of Parcel V1B & V27B. It is recommended that this agreement covering Parcel 25A be approved and that condemnation proceedings previously authorized for the acquisition of Parcel 25A & 25B be rescinded. The need for acquiring Parcel 25B is under investigation at the present time.

Right of Way-Route 80 (1953)

85. There is presented again the matter of acquisition of property on Route 80 (1953), Section 2J, Project I-80-2(20), from Route U.S. 46 to Route 53, Parcel 31, Joseph C. Lombardi et al, on which a condemnation commissioners' award in the sum of $9,500.00 was previously approved. The owners filed an appeal. The State took possession of this property on December 22, 1960. Continued negotiations have resulted in the execution of an agreement in the sum of $9,750.00. It is recommended that this agreement be approved and that all litigation in this matter be discontinued. The building formerly located on this property has been demolished by the contractor in the performance of his contract. (December 7, 1961)

- - - - - - - - - - -

86. There is presented again the matter of acquisition of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 109, Cornelius Van Vliet, Jr. & Wife. Condemnation proceedings were previously authorized at which time the owners were demanding $18,500.00. Continued negotiations have resulted in the execution of an agreement in the sum of $16,500.00 including down payment of $4,100.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. This property has been vacated and the building sold at public auction in accordance with action of October 6, 1961. (December 4, 1961)

This increase was caused by including a drainage project at Route 9 and 33 Traffic Circle. (December 12, 1961)

- - - - - - - - - -

2. Approval is recommended of increasing the ceiling as stated in an agreement dated August 26, 1960, entered into between this Department and Clarke and Hartman for engineering services on Route 27 from Miltonia Avenue, Linden to the Linden-Elizabeth municipal line from $47,500.00 to $49,580.60, an increase of $2,080.60. This increase was caused by the revision of plans resulting from traffic signal studies at Park Avenue. (December 12, 1961)

Utilities-Route 80, Section 4F

3. Approval and execution is recommended of the attached Order (PUO-33-80-4F), issued to the Public Service Electric and Gas Company covering understandings in connection with the rearrangement of electrical facilities to accommodate the construction of Freeway Interstate Route 80, Section 4F, located in the Township of Saddle Brook, County of Bergen. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $31,400.00. (December 14, 1961)

Agreements-Borough of E. Paterson-Route 80, Section 4H

4. Approval and execution is recommended of the attached Agreement between the Borough of East Paterson and the State of New Jersey covering understandings in connection with the relocation of the existing sanitary sewer and water supply systems to accommodate the construction of Freeway Interstate Route 80, Section 4H, located in the Borough of East Paterson, Bergen County, and City of Paterson, Passaic County. In connection with this relocation work, the State will construct 410 LF of 16" cast iron sanitary force main replacing the existing 10" cast iron force main. The Borough will reimburse the State in the lump sum amount of $4,300.00 representing the difference in cost between the 10" pipe and the 16" pipe, which is a betterment. In connection with this revisision and rearrangement of the Borough's facilities, it is estimated that the Borough will incur engineering and inspection charges in the amount of $3,000.00, which will be at State's expense. This will leave an estimated net amount to be paid to the State by the Borough of $1,300.00. (December 14, 1961)

Agreement-City of Trenton-Calhoun Street

5. Approval and execution is recommended of the attached Agreement dated December 14, 1961, between the City of Trenton and the State of New Jersey covering understandings in connection with the proposed improvement of Calhoun Street including the widening of the bridge over the Canal Feeder which is the responsibility of the State. The City will let a contract for the total improvement, however, the State will design the bridge improvement and concur in the letting of the total contract by the City. After the bridge (only) improvement is completed, the State will pay the City for the actual cost of the bridge work, which is estimated at $23,000.00. (December 14, 1961)

No Parking, Stopping or Standing Zones

6. In accordance with the provisions of s. 78, c. 23, L. 1951 (c. 39:4-138.1), it is recommended that the attached regulation be adopted establishing "no parking, stopping, standing" zones along Route 53, Denville Township, Morris County. (December 14, 1961)

17. Route 101, Section 2A

The Union Building & Construction Corporation Contract for Route 101, Section 2A, was completed on December 11, 1959. Under date of January 22, 1960, final acceptance was approved by the Commissioner and semi-final payment authorized withholding 1% of the completed work on road items. In accordance with this authorization semi-final payment was subsequently made. A second semi-final payment (Estimate #31) was made under date of October 4, 1960, withholding 1% ($32,583.58) of the completed work based on as-built quantities. Final payment has been withheld pending settlement of claims submitted by the contractor. Duringthis time various change orders were being processed through the Audit Bureau, which will increase the contract amount approximately $8,000.00. In view of the fact that this project has been accepted for approximately 2 years, performance bond having been released, semi-final payment to date made in accordance with as-built quantities, an additional payment to be made when final estimate is prepared, it is, therefore, recommended that a further semi-final payment be authorized for work completed to date, as shown on Estimate #31 without the 1% withheld. (December 21, 1961)

Route 129 Freeway, Section 1A

18. Under date of March 28, 1961, final acceptance and payment was recommended for bridge items only on the Geo. M. STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JANUARY 8, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or reclassifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director, and Chief Road Engineer, Counsel and State Highway Engineer. (January 5, 1962)

Claims-Settlements

2. This claim arises out of an accident occurring on March 29, 1961 on Route 23, Pequannock Township, New Jersey, involving a motorcycle owned and operated by Roland C. Redner, Jr. and State Highway Wayne Power Sweeper HYA-266. As a result of the aforesaid accident the Department Power Sweeper was damaged and had to be repaired at the cost of $337.95. Mr. Redner is a seventeen year old infant, expecting to be drafted into military service in the near future. He is presently earning $60.00 a week and the sole support of his mother and father, who are presently unemployed. The debtor has borrowed the sum of $168.98 and he has sent us a draft in this amount, requesting that we accept same in full settlement of this claim. In view of the aforesaid, it is my recommendation that the fifty percent offer be accepted and the remaining balance of $168.97 be cancelled. (January 5, 1962)

Services-Engineering

3. Approval is recommended of increasing the ceiling set forth in Article SECOND (g) 5 of an agreement dated January 8, 1959 entered into by this Department and Porter, Urquhart, McCreary and O'Brien, O. J. Porter and Company for engineering services for the improvement of Route 35 Freeway in Monmouth County. This increase is caused by a change in alignment at Camp Evans and the resultant junction with Route 35 further south which increased the project by more than two miles. The estimated cost of the additional work is $45,000.00 and will increase the ceiling from $125,000.00 to $170,000.00. (January 5, 1962)

- - - - - - - -

4. Approval is recommended of increasing the ceiling as shown in Part 2nd (i) 6 of the agreement dated December 27, 1960 between this Department and Louis Berger Associates for engineering service for the improvement of State Highway Route 208 and its intersection with Marlot Avenue in the Borough of Fair Lawn. This increase is requested to cover additional services caused by the expansion of the limits of this project. The estimated cost of the additional work is $10,700.00 and increases the ceiling in Part 2nd (i) 6 from the now adjusted figure of $30,900.00 to $41,600.00. (January 2, 1962)

- - - - - - - -

5. Approval and execution is recommended of the attached Agreement dated December 22, 1961, between Howard, Needles, Tammen & Bergendoff, consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the proposed improvement of State Highway Route 3, the New Jersey Turnpike and the Lincoln Tunnel interchange which join within a limited area constituting a veritable complex which needs improvement for the good of the travelling public. In order to remunerate the consultant for work performed under the terms of this Agreement, it is hereby recommended that funds be set up in the amount of $200,200.00. This amount is broken down as follows:

The amount earned under item (h-1,2 and 8) up to, but not to exceed...	$170,000.00
The amount due, after proper audit, for items (h-3,4,5,6 and 7 inclusive, up to, but not to exceed	12,000.00
10% of both the above maximum amounts for contingencies.....	18,200.00
Total	$200,200.00

(January 3, 1962)

61. There is presented again the matter of condemnation of lands on Route 17 (1953), Section 5, Project U-102-(16), Ridgewood Avenue to Allendale Avenue, Parcel 12, Frank Zendzian and wife. An appeal was previously authorized from a condemnation commissioners' award in the sum of $55,000.00. At the trial of appeal, the testimony on behalf of the owner was in the sum of $71,700.00; and the testimony on behalf of the State was in the sum of $38,000.00. A verdict was entered in the sum of $41,103.00 to which interest was added computed @ $2,260.67 resulting in a total Judgment in the sum of $43,363.67. It is recommended that this Judgment be approved plus interest to the date of payment. (January 3, 1962)

Right of Way-Route 80

62. There is presented again the matter of condemnation of lands on Route 80 (1953), Section 4D, Glover Avenue to Passaic River, Project I-80-4-(4); Parcel 229, Bernard Gallant et al. At the hearing before condemnation commissioners' testimony on behalf of the owner indicated a value for land and improvements of $89,300.00. A second witness for the owner presented testimony, over objection, that the machinery and other fixtures had a value of about $38,000.00. The testimony on behalf of the State was in the sum of $47,800.00. The commissioners made an award in the sum of $52,580.00. It is recommended that this award be approved, without interest. (January 2, 1962)

- - - - - - - - - -

63. There is presented again the matter of condemnation of lands on Route FAI 101-2-(2), also known as 80-2-(2), Mount Hope-Rockaway Road to Route U.S. 46 at Denville, Parcel 100C-2, I. Hugh Boinest et al. At the hearing before condemnation commissioners, this case was uncontested and the testimony on behalf of the State was in the sum of $100.00. The commissioners made an award in the sum of $100.00. It is recommended that this award be approved. (January 4, 1962)

Right of Way-Route 129 Freeway

64. There is presented again the matter of condemnation of lands on Route 129 Freeway, Section 3, Project U-203-(6), Federal City Road to Route U.S. 1, Parcels 24A and 24B, Andrew G. Koschek and wife. Just prior to the presentation of testimony before condemnation commissioners, a conference was held with respect to the possibility of a settlement and accordingly, the sum of $12,950.00 was agreed upon. The commissioners entered an agreed award in the sum of $12,950.00. It is recommended that this agreed award be approved. (January 2, 1962)

Right of Way-Route U.S. 1 (1953)

65. There are presented report and appraisal with map and description on Route U.S. 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 71, Gus Kitzi and Anna C, Kitzi, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. Attorney refused to state demand. (January 3, 1962)

Right of Way-Route 3 (1953)

66. There are presented report and appraisal with map and description on Route 3 (1953), Section 4, Project U-116-(5), Pleasant Avenue to 8th Street, Parcel 12, Pollbar Realty Development Corporation. Right of Way-Route 208

70. There are presented report and appraisal with map and description on Route 208, Section 2, Project F 189-(16), Ewing Avenue to Ramapo Valley Road, Parcel E10, Alice Y. Harris Mullally, widow. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this slope easement subject to any public utilities existing in the premises. The owner did not make known her demands. (January 2, 1962)

Right of Way-Route 287

71. There is presented a report regarding the loss of water supply on Route FAI 104-2-(4), property of Stephen Pocsik. An investigation by our engineers verifies the owner's contention that the well has gone dry due to our construction work in this area. Estimates for drilling a new well were secured as follows: J. C. Heller, Metuchen, New Jersey - $1,415.00; Steve Bidak, Somerset, New Jersey, $2,180.00. It is recommended that J. C. Heller be authorized to proceed with the drilling of this well in accordance with the estimate submitted. (January 4,1962)

Sale of Buildings

72. There is presented again the matter of the public sale of buildings held on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, which were previously sold at public auction, as follows:

Parcel	Name of Bidder	Amount of Escrow
10A & B (garage)	Mr. Charles Dartt	$300.00
4A (Colonial bldg.)	Mrs. H. J. Butler	300.00

The above bidders have complied with the terms and conditions of the sale, and it is recommended that authority be granted to return the escrow money, which was deposited with this department. (January 2, 1962)

Appraisal Orders

73. There are presented the following Appraisal Orders:

NO. 2 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JANUARY 16, 1962

Administration Items

Claims-Settlements

1. There is presented a claim arising out of an automobile accident which occurred on December 12, 1954 at the Cooper River Bridge, Route 45, Pennsauken, New Jersey, and involved a vehicle owned by John Klein and operated by Thelma Weinberg (Marano). As a result of this occurrence a concrete balustrade on the bridge was damaged and subsequently repaired by Highway forces at a cost of $387.15. Investigation by the Claims Bureau disclosed that there was no liability insurance coverage on the vehicle at the time of the accident. Correspondence with both the owner and driver resulted in their agreement that each would pay one half of the claim. Numerous letters and personal calls were made in the succeeding years with the result that Mr. Klein paid a total of $100.00 and Thelma Weinberg (Marano), who was married in the meantime, made no payment at all. Thelma Weinberg (Marano) now has two children, is separated from her husband and is in dire financial circumstances because she is unable to work. In view of her financial status, she has borrowed $50.00 and made an offer of that amount as full settlement of this claim. The police report from the Pennsauken Police Department which investigated this occurrence, indicates that the vehicle involved was cut off by other traffic, causing the car to lose control and strike the bridge. In view of Thelma Weinberg Marano's current financial status and the difficulty we have experienced in collecting the above amount in the past years, it is the opinion of the Claims Bureau that the State would be justified in accepting the above offer in full settlement. This is in accordance with Mr. Levine's memorandum, attached hereto, and the recommendation of the office of William J. McCormack, Deputy Attorney General. (January 9, 1962)

Penn-Jersey Transportation Study

2. In the preparation, collection and processing of the external cordon line survey of the Penn-Jersey Transportation Study, the size of the interview sample was based on a minimum of 20% of the peak hour for each station. The Highway Departments of Pennsylvania and New Jersey, through their respective planning staffs, assigned to the committees of the Penn-Jersey Study, agreed on this size sample. For the off-peak hours of survey, the sample would be greater than 20%. Since only 20% of all interviews were to be used in the Penn-Jersey Transportation Study analysis, it was decided by the states that the excess sample above the 20% would be shared by the Highway Departments of Pennsylvania and New Jersey and would not be a direct cost to the Study. This excess sample was requested by the states individually for further analysis of area problems, projections and future traffic assignments and other special planning studies. The estimated cost of the additiona interviews for the Penn-Jersey Transportation Study is $49,597.20. Funds to meet this expenditure will be provided from the 1½% Highway Planning Funds provided by the Bureau of Public Roads through the Bureau of Planning & Traffic. The amount shared by the Bureau of Public Roads will be approximately 67%. (January 12, 1962)

Services-Engineering

3. Approval is recommended of the attached Agreement dated January 2, 1962 between Taylor, Wiseman, Taylor & Sleeper, Consultant and the State of New Jersey covering understandings in connection with the furnishing of engineering services relative to the construction of State Highway Route 295, Section 2E & 2F, between Copley Road & Route 73 in Camden & Burlington Counties, a distance of 6.8 miles. In order to remunerate the Consultant for work performed under the terms of this Agreement, it is hereby recommended that funds be set-up in the amount of $177,500.00. This amount is broken down as follows:

The amount earned under item (d-1) up to, but not to exceed	$170,000.00
The amount due, after proper audit, for items (d-2 & d-3) inclusive, up to, but not to exceed	7,500.00
Total	$177,500.00

(January 2, 1962)

Services-Engineering

4. Approval and execution is recommended of the attached agreement dated January 3, 1962 between Porter & O'Brien, O.J. Porter & Company, Consultant and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the improvement and relocation of a portion of State Highway Route 69 & 202 from the Flemington Traffic Circle, Larisons Corner, thence via Ringoes by-pass to another point on Route 202 about 5,300 feet west of the 69-202 Junction, a distance of about 6.52 miles. In order to remunerate the Consultant for work performed under the terms of this agreement, it is hereby recommended that funds be set-up in the amount of $12,234.00. This amount is broken down as follows:

The amount earned under item (h-7) up to, but not to exceed	$179,740.00
The amount due, after proper audit, for items (h-2 to h-6) inclusive, up to, but not to exceed	13,200.00
10% of both the above maximum amounts for contingencies	19,294.00
Total	$212,234.00

(January 9, 1962)

Rt. U.S. 1 (1953) 7A & 8B

Agreements-Township of Edison, Rt. 287, Sec. 3C.

5. Approval and execution is recommended of the attached Agreement between the Township of Edison and the State of New Jersey covering understandings in connection with the rearrangement of the existing fire alarm facilities to accommodate the construction of Freeway Interstate Route 287, Section 3C, Route U.S. 1 (1953), Sections 7A & 8B, located in the Township of Edison, County of Middlesex. The State will reimburse the Township for the work it must perform to accommodate the State's construction, which work is estimated at $7,800.00, which includes approximately 10% for contingencies. Moorhead and wife, consideration $25,400.00, including down payment of $3,000.00. Approval is recommended. Authority is requested to dispose of the buildings and chain link fence to the road contractor, by public auction or by sealed bids. (January 15, 1962)

Right of Way-Route 287 (1953)

67. There is presented purchase agreement on Route 287 (1953), Section 7, Project I-287-2-(2), Passaic River to Annin Road; Parcel 1, Edward L. Young and Ruth M. Young, consideration $6,500.00. Approval is recommended. (January 9, 1962)

Right of Way-Route U.S. 1 (1953)

68. There is presented again the matter of acquisition of property on Route U.S. 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River, Parcel 96 (1,325 s.f.), Louis Perrochino and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $9,500.00. Continued negotiations have resulted in the execution of an agreement covering Parcel 96 plus remnant (totaling 2,650 s.f.), in the sum of $8,000.00 including down payment of $2,000.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized for Parcel 96 be discontinued. Authority is requested to dispose of the one-story frame building tothe road contractor, by public auction or by sealed bids. (January 15, 1962)

Right of Way-Route 73 (1953)

69. There is presented again the matter of condemnation of lands on Route 73 (1953), Section 2, Project U-183-(7), from Route U.S. 130 to Route 38, Parcel R5, John M. Taylor, Jr. and wife. An appeal was previously authorized from a condemnation commissioners' award in the sum of $460.00. Just prior to the appeal hearing, the owner agreed to accept the sum of $300.00 without interest. An agreement in the sum of $300.00 has now been executed. It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. (January 15, 1962)

Right of Way-Route 95 (1953)

70. There is presented again the matter of condemnation of lands on Route 95 (1953), Section 1B, Project I-95-7-(2), Teaneck Road to Route 4, Parcel 86, Faustina Ferrante, widow. Condemnation commissioners' award in the sum of $3,450.00 was previously approved. However, the owner filed an appeal. Continued negotiations have resulted in the execution of an agreement in the sum of $3,600.00. It is recommended that this agreement be approved and that litigation be discontinued. (January 9, 1962)

Right of Way-Route U.S. 322 (1953)

71. There is presented again the matter of acquisition of property on Route U.S.322 (1953), Section 10, Project F-105-(13), Clayton Road to Cecil, Parcel R8, Charles J. Hagen and wife, on which an agreement was previously approved in the sum of $17,800.00. Completion of the title search revealed that title to a portion of this parcel is defective. It is therefore recommended that authority be granted to pay the sum of $13,800.00 at this time and that the balance of $4,000.00 be held until title has been cleared. (January 9, 1962)

Right of Way-Route 35 Extension

72. There is presented a report from the Title Officer in connection with the public auction authorized December 5, 1961, for the sale of Parcel V88B, on Route 35 Extension, Sections 12, 13 & 14, from Victory Bridge Approach (Route 4) to Route 25. A high bid of $300.00 was made at this auction by James Lake, and a deposit of $190.00 was made. It is recommended that the attached Deed of Conveyance from the State to James Lake be executed by the State Highway Commissioner; and authority granted to makedelivery of the same upon payment of the balance due in the sum of $110.00. The State Highway Commissioner does hereby determine that Parcel V88B is no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction,or maintenance of any State Highway. (January 9, 1962)

Right of Way-Route 295

73. There is presented report from the Title Officer together with Deed for conveyance of Parcel U36V3, V126B, V125B & V124B on Route FAI-108-2-(1), also known as 295-2-(1), North-South Freeway to Warwick Road, from the State of New Jersey to Public Service Electric & Gas Company. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on November 7, 1960, under the terms of which the Public Service Electric & Gas Company conveyed to the State Parcels R123A & E123B at a consideration of $1,918.00 plus the conveyance of Parcels U36V3, V126B, V125B & V124B. All the other terms of this agreement have been consummated. It is recommended that this deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcels U36V3, V126B, V125B & V124B are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway. The above designated Parcel U36V3 is the same property erroneously referred to in the action of March 10, 1961, as Parcel V36V3. (January 15, 1962)

Right of Way-Route 287

74. There is presented again the matter of condemnation of lands on Route FAI-104-2(2), also known as 287-2-(2), from Route U.S. 22 to Easton Avenue, Parcels 2R9A & 2R9B, Abraham Schumer et al. An appeal was previously authorized from a condemnation commissioners' award in the sum of $4,050.00. Just prior to the impanelling of the jury, a conference was called which resulted in the agreed amount of $3,300.00. A consent Judgment was entered in the sum of $3,300.00 without interest. It is recommended that this consent Judgment be approved. (January 15, 1962)

Right of Way-Route U.S. 130

75. There is presented again the matter of condemnation of lands on Route U.S. 130 (1953), Section 7, Project U-69-(21), Pennsauken Creek to Woodland Avenue, Parcel 13, David N. Goldberg et al. At the hearing before condemnation commissioners, this case was uncontested and the testimony on behalf of the State was in the sum of $75.00. The commissioners made an award in the sum of $75.00. It is recommended that this award be approved without interest. (January 15, 1962)

Right of Way-Route 10 (1953)

76. There is presented again the matter of condemnation of lands on Route 10 (1953), Section 3, Tabor Road to Troy Hills Road, Whippany, Parcel 29, Julian Markow et al. At the hearing before condemnation commissioners, the testimony on behalf of the State was $1,800.00. The owner, Mr. Markow, testified that he felt his property was worth $5,000.00 per acre. The commissioners made an award in the sum of $3,000.00. It is recommended that an appeal be authorized. (January 9, 1962)

Right of Way-Route 3

77. There are presented report and appraisal with map and description on Route 3, Section 1, Project U-116-(5), from 8th Street to Route 20, Parcel R13B, Baris Lumber Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $6,000.00 which is considered excessive. (January 15, 1962)

Right of Way-Route 3

78. There are presented report and appraisal with map and description on Route 3 Section 1, Project U-116-(5), from 8th Street to Route 20, Parcel 13C, Baris Lumber Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner is demanding $10,000.00 which is considered excessive. (January 15, 1962)

Right of Way-Route 80

79. There are presented report and appraisal with map and description on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 582, Dowling Fuel Company. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $80,000.00, which is considered excessive. (January 12, 1962)

- - - - - - - - - - -

80. There are presented report and appraisal with map and description on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey & New York Railroad (Erie) at Hackensack, Parcel 61C, Milton Wollman & Beatrice, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquistion of this parcel in fee simple subject to any public utilities existing in the premises. The owner is demanding $10,000.00 which is considered excessive. (January 12, 1962)

Right of Way-Burlington Bristol Bridge Approaches

81. There are presented report and appraisal with map and description in the name of the Burlington County Bridge Commission-Burlington Bristol Bridge Approaches, Parcel R14, Heirs of Estate of John Lipiec. Authority is requested to transmit the data in connection with this acquisition to the Burlington County Bridge Commission for the institution of condemnation proceedings. The owners' demand of $3,700.00 is considered excessive. (January 9, 1962)

Sale of Parcels

82. There is presented report from the Title Officertogether with deeds from the State to the successful bidders covering the following items, the sale of which was approved by the State Highway Commissioner on November 6, 1961. (Schedule 41 - Item 126).

ITEM	ROUTE	SECTION	PARCEL
31	S3	5	X23
263	23	13	24X
264	23	13	26X
280-281	25	3F	X8 & 1X9

It is recommended that these deeds be executed and authority granted to make delivery of same upon payment to the State of the full amount of the respective bids. (January 9, 1962)

- - - - - - - - - - -

83. There is presented again the matter of the public sale held October 18, 1961, for excess lands as follows:

ITEM	HIGH BIDDER	1953 RT. NO.	1927 RT. NO.	SEC.	PARCEL	HIGH BID	DEPOSIT
57	Harry Wolski	87	S44	-	8X	$150.	$ 40.
58	Harry Wolski	87	S44	-	9X	250.	60.
72	Woodbridge Twp.	444	4 Pk.	2&3	X4A	1025.	260.
202	John M. Gabriel, Inc.	17	2	7	40X	2500.	625.

The above items were previously sold and were included in this sale in error. It is recommended that the previous action of November 6, 1961, approving the sale of the above properties be rescinded, and that authority be granted to return the deposits which were paid at the time of the sale. (January 12, 1962)

Sale of Excess Land

84. There is presented again the matter of disposal of items #3311 & #3313 of excess lands at the public auction held on October 18, 1961:

ITEM	HIGH BIDDER	1953 RT. NO.	1927 RT. NO.	SEC.	PARCEL	HIGH BID	DEPOSIT
3311	Albert S. Lasso	U.S. 30	43	15	16	$50.	$ 15.
3313	Michael J. Altieri	U.S. 30	43	15	157	600.	150.

The Highway Department obtained agreements on these two items in 1945 but because of title involvement, deeds were never delivered. In view of the fact that it has been determined that these parcels are not needed for highway purposes, it is recommended that the previous actions of the State Highway Commissioner approving the original agreements be rescinded, as well as the rescinding of the Commissioner's action of November 6, 1961 whereby the State Highway Commissioner approved the disposal of these two items at the high bids as indicated above. Authority is also requested to return the deposit monies paid by the individual high bidders. (January 12, 1962)

Sale of Buildings

85. There is presented a report of a public sale which was held for the building, garage and fencing located on Route 78 (1953), Section 2G, Project I-78-2-(17), Mulhockaway Creek to West of Clinton, in the vicinity of Clinton Farms, as follows:

PARCEL	NAME OF BIDDER	AMOUNT	PERFORMANCE GUARANTEE MONEY
4A & 4B (dwelling)	Vivian Klin	$100.	$ 300.00
4A & 4B (chicken house)	David Cohen	10.	-
4A & 4B (fencing)	David Cohen	10.	-
6A & 6B (barn)	Augustin Kruger	5.	-
13A&13B (frame garage)	Julie Mecsi	6.	-

It is recommended that the above bids be accepted and that the successful bidders be authorized to remove the buildings and fencing upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which she will be required to post with the State. Said money to be returned after certification that she complied with the terms of the sale.(1/15/62)

NO. 2 - 1962

Sale of Buildings

86. There is presented a report of the public sale held on January 9, 1962 for the building located on Route 80 (1953), Section 5K, Project I-80-5-(12), New Jersey & New York Railroad (Erie) at Hackensack to Hackensack River:

PARCEL	NAME OF BIDDER	AMOUNT OF BID	PERFORMANCE GUARANTEE MONEY
123	Frank Moran	$500.00	$300.00

It is recommended that the bid be accepted and that the successful bidder be authorized to remove the building upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State. Said money to be returned after certification that he has complied with the terms of the sale. (January 12, 1962)

- - - - - - - - - - -

87. There is presented again the matter of sale of buildings on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, Parcel 10A & B. By an action approved on January 2, 1962, the Commissioner authorized the return of escrow money in connection with the sale of the garage building on this property. The matter was submitted to the Commissioner in error since the escrow money that we wished returned applied to another matter. It is therefore requested that the action of the Commissioner dated January 2, 1962 be rescinded. (January 15, 1962)

- - - - - - - - - - -

88. There is presented again the matter of the public sale of buildings located on Route FAI-101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 98, which parcel was sold at public auction on June 29, 1961. The successful bidder, Franklin Housemovers, Inc., failed to comply with the terms and conditions of the sale. It is, therefore, recommended that the moneys paid to the State in the total sum of $500.00 be declared forfeited, including the sum of $200.00 covering the bid and $300.00 escrow deposit guaranteeing performance. (January 9, 1962)

89. There are presented the following Appraisal Orders:

Appraisal Orders

Date	Order No.	Appraiser	County	No. of Parcels	Fee	Approved
1/9/62	1962-A-12	W. Gerould Clark	Bergen	2	$ 50.	1/9/62

NO. 3 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - JANUARY 22, 1962

Administration Items

Claims-Settlements

1. William E. Higginson, Senior Bridge Inspector, was involved in a third party accident on April 16, 1959 which resulted in his death. Inasmuch as this accident arose out of and in the course of Mr. Higginson's employment, the State Highway Department was required to pay the widow an award entered by the Workmen's Compensation Bureau totaling $14,000.00. Mrs. Higginson's attorney after completing his investigation, decided against the institution of any law suit in view of the fact that he had been unable to locate any witnesses to the accident. The State Police report indicates that Mr. Higginson was attempting to make a left hand turn onto State Highway Route 22 from an intersection that was under construction. The State Police further indicate no improper driving on the part of the driver of the other vehicle involved but did indicate a violation for Mr. Higginson in that he failed to yield right-of-way. At the suggestion of the Claims Bureau, a suit was instituted against the owner and operator of the other vehicle involved in an effort to get the third party's insurance carrier to make at least a token payment towards the compensation award. There is attached hereto memorandum received from Robert L. Sheldon, Deputy Attorney General, who is currently handling this litigation and which is self-explanatory. After giving due consideration to the circumstances under which this accident occurred and for the reasons more fully stated in Mr. Sheldon's memorandum attached hereto, as well as Mr. Levine's memorandum which has been approved by Deputy Attorney General Philip Donnelly, it is our recommendation that the offer of settlement of $1,500.00 receive favorable consideration and the acceptance of same be approved. (January 22, 1962)

Services-Inspection

2. Approval and execution is recommended of the attached Agreement dated December 15, 1961, between the Gulick-Henderson Laboratories, Inc., Inspector, and the State of New Jersey covering understandings in connection with the performance of inspection services, namely the examining of the 12th Street Viaduct on State Highway Route U.S. 1, Jersey City, Hudson County, for spalling, cracking and general deterioration. In order to remunerate the Inspector for the services to be performed under this Agreement, it is recommended that the sum of $10,300.00 be set up. This amount is broken down as follows:

The amount earned under items (a) and (b) part first, up to, but not to exceed..... $9,836.85
The amount due, after proper audit for item (c) part first, up to, but not to exceed..... 415.57

(January 16, 1962) Total $10,252.42

Agreements-Parsippany-Troy Hills Township, Rt. 202 Freeway Section 1

3. Approval and execution is recommended of the attached Agreement dated January 2, 1962, between the Township of Parsippany-Troy Hills and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of Route 202 Freeway, Section 1, in order to provide access for local traffic, a marginal road was constructed along the southeasterly side of the Freeway and connected to Smith Road; and improvements were effected at the intersection of Smith Road with the Freeway entailing the channelizing of traffic, the installation of traffic signals and other safety facilities. (January 19, 1962)

Services-Engineering

4. Approval and acceptance is recommended of the attached Letter Agreement dated December 28, 1961, submitted by Parsons, Brinckerhoff, Quade and Douglas, which Letter Agreement outlines several amendments to be made in Agreement of August 17, 1961, between Parsons, Brinckerhoff, Quade and Douglas and the State of New Jersey, relative to performance of engineering services in connection with the location study for Route 95 from West Trenton to Ridgefield Park. (January 19, 1962)

Reimbursement-L.V.R.R., Route 78, Sections 2E & 2F

5. Under date of December 3, 1958, Commission Action was approved setting up the amount of $114,687.00 (including 10% for contingencies) to reimburse the Lehigh Valley Railroad Company for engineering, engineering inspection and railroad force account work required in connection with the construction of Interstate Route 78, Sections 2E and 2F (RRA-3-102-2), in the Township of Bethlehem, Hunterdon County. Final billing on this project has been received from the Railroad and totals $145,355.89, which is an overrun of $30,668.89, or 26.74% above the amount set up in the Agreement. This excess was due mainly to working in winter weather, increased wage and railroad retirement rates, greater inspection need than was estimated, and higher material costs. The work period extended over about a two year period of time. Since the reasons for the overrun seem reasonable, it is hereby recommended that an additional amount of $30,668.89 be set up to permit payment of invoices presently in the hands of our Department's Auditing Section. (January 16, 1962)

Agreement-Saddle Brook Township, Route 80, Section 4F

6. Approval and execution is recommended of the attached Agreement between the Township of Saddle Brook and the State of New Jersey, covering understandings in connection with the rearrangement of water supply facilities to accommodate the construction of Freeway Interstate Route 80, Section 4F, located in the Township of Saddle Brook, Borough of East Paterson, Bergen County. The Township is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $31,416.00. (January 16, 1962)

Utilities-Public Service Elec. & Gas Co.-Rt.80, Sec. 4G

7. Approval and execution is recommended of the attached Order (PUO-57-80-4G) issued to the Public Service Electric and Gas Company, covering understandings in connection with the rearrangement of gas facilities to accommodate the construction of Freeway Interstate Route 80, Section 4G, located in the City of Paterson, County of Passaic. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $59,250.00. (January 17, 1962)

Agreement-Saddle Brook Township, Route 80, Section 5K

8. Approval and execution is recommended of the attached Agreement between the Township of Saddle Brook and the State of New Jersey, covering understandings in connection with the rearrangement of water supply facilities to accommodate the construction of Freeway Interstate Route 80, Section 5K, located in the Township of Saddle Brook, County of Bergen. The Township is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $21,120.00. (January 16, 1962)

Utilities-Middlesex Water Company, Rt. 287, Sec. 3B

9. Approval and execution is recommended of the attached Order (PUO-49-287-3B) issued to the Middlesex Water Company, covering understandings in connection with the rearrangement of water facilities to accommodate the construction of Freeway Interstate Route 287, Section 3B, located in the Township of Edison, Borough of Metuchen, County of Middlesex. The Water Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $16,950.00. (January 19, 1962)

69. There is presented again the matter of acquisition of property on Route 80 (1953), Section 5K, Project I-80-5-(12), from New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River, Parcel 55, Raymond Mellone and wife. Condemnation proceedings were previously authorized at which time the owners were demanding $5,000. Continued negotiations have resulted in the execution of an agreement in the sum of $3,500. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (January 16, 1962)

Right of Way-Route 4 (1927)

70. There is presented again the matter of acquisition of property for easements on Route 4 (1927), Section 3, Hackensack River to Fort Lee, Parcel 102, John McCrory and Parcel 101, Allison Land Company, The Deeds conveying these parcels to the State included an easement for certain slope and drainage rights. The property over which these rights were acquired, have been purchased by the Gram Realty Company. Through its attorney this company has now requested a release of certain of these rights. Investigation confirms that these rights are no longer required between Stations 539 and 541+40. It is therefore recommended that the attached release from the State to the Gram Realty Company of the slope and drainage rights between these designated stations be executed. (January 22, 1962)

Right of Way-Route 17 (1953)

71. There is presented again the matter of condemnation of lands on Route 17 (1953), Section 3, Project U-102-(16), from Route 4 to Ridgewood Avenue. Condemnation proceedings were previously authorized for the acquisition of Parcel 12 (747 sq. ft.), Mary M. Gabriel and husband. Completion of the title data revealed that the Gabriels owned only 520 sq. ft. which parcel has now been designated as Parcel R12A. The owners have refused an offer of $780. and have not made known their demands. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel R12A in fee simple subject to any public utilities existing in the premises. It is further recommended that the previous action authorizing condemnation proceedings on Parcel 12 be rescinded. (January 16, 1962)

Right of Way-Route 287

72. There is presented again the matter of acquisition of an easement for the right to relocate the Channel of Crooked Brook, Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel E100. An agreement in the sum of $100. was previously approved with Vivian Knapp and husband. Completion of the search revealed that the Knapps do not own the property over which this easement is required. Negotiations were re-opened with David Young, 3rd, Esquire of Newton, the attorney representing the present owners, Richard Husk and Arnold Husk. Owner's attorney has requested that condemnation proceedings be instituted because of involved title. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel E100, subject to any public utilities existing in the premises. It is further recommended that the previous agreement with Vivian Knapp and husband be rescinded. (January 16, 1962)

85. There is presented again the matter of Parcel 46 on Route U.S. 1 (1953), Section 8, Project U-95-(45), from Main Street to Raritan River, on which an agreement was previously approved with Clarence and Maria Bergen. An investigation disclosed that a gas range was missing from the building, and a final settlement has been secured in the amount of $100. to cover the cost of the missing item. It is recommended that the check in the amount of $100. be accepted in full settlement of the claim. (January 19, 1962)

- - - - - - - - - -

86. There are presented reports of the public sale held on January 12, 1962, for the buildings located on Route 1 (1953), Section 8, Project U-95-(45), Main Street to Raritan River; as follows:

Parcel	Name of Bidders	Amount of Bid	Performance Guarantee Money
60	Daley & Petrics	$300.00	$300.00
61 (garage)	Daley & Petrics	100.00	300.00
76	Ralph Ugaro	175.00	300.00
89	S. Nevins	450.00	300.00

It is recommended that the bids be accepted and that the successful bidders be authorized to remove the buildings upon payment of the full purchase price. Authority is requested to return to the successful bidders the Performance Guarantee Money which they will be required to post with the State. Said money to be returned after certification that they have complied with the terms of the sale. (January 16, 1962)

Right of Way-Route 10 (1953)

87. There is presented again the matter of condemnation of lands on Route 10 (1953), Section 2, Project F-114-(11), Millbrook Avenue to Tabor Road, Parcel 1B, Helen P. Rak and husband. An appeal was previously authorized from a condemnation commissioners' award in the sum of $14,500. At the trial before a judge and jury, the testimony on behalf of the State was in the sum of $9,600. and the testimony on behalf of the owner ranged from $17,400. to $18,400. A jury verdict was entered in the sum of $12,600. to which was added interest totaling $1,101.80 resulting in a judgment of $13,701.80. It is recommended that this judgment be approved plus interest to the date of payment. (January 19, 1962)

Right of Way-Route 43

88. There is presented again the matter of parcel 351 on Route 43, Section 15, from Route 56 at Absecon to Route 43 at McKinley Avenue, and designated as item 3322. On September 20, 1961, the State Highway Commissioner authorized a sale of this item at public auction. On October 18, 1961 a bid in the amount of $1,000. was submitted by Kathryn Riggins for item 3322, and the full amount of the bid price was paid. Subsequently, it was learned that this department acquired the above property through Condemnation Proceedings for road purposes only, and in view of this, the State could not dispose of this property. It is recommended that the bid in the amount of $1,000. which was submitted by Kathryn Riggins, be rejected and that the amount of $1,000. be returned to her. (January 22, 1962)

89. There is presented again the matter of Parcel 467 on Route 80 (1953), Section 4D, Project I-80-4-(4), from Glover Avenue to Passaic River, on which an agreement was previously approved with the former owner, George Kayal. An investigation on October 13, 1961, disclosed the following items had been removed from the premises: 5 kitchen sinks, 2 bathtubs, 5 porcelain basins, 6 ceiling light fixtures and 10 electrical base outlets. On December 5, 1961, Mr. William Dewey, Esq., attorney for the owner, informed this bureau that the owner removed some of the above items, which were as follows: 2 kitchen sinks, 2 bathtubs and 3 porcelain basins. On December 6, 1961, Mr. Dewey agreed to reimburse the State of New Jersey the amount of $100. for the missing items, which is considered fair and reasonable. At the time of settlement, the owner gave the Title Company a check in the amount of $100. which has since been forwarded to this department. It is recommended that the check in the amount of $100. from the New Jersey Realty Title Insurance Company be accepted in full settlement for the missing items removed from the premises by the owner. (January 16, 1962)

90. There is presented the matter of the public sale of buildings located on Route 80 (1953), Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcels 122A and 122B, which building was sold at public auction on May 11, 1961. At the time of the sale, the successful bidder, Franklin Housemovers, Inc., deposited with this department the sum of $45., leaving a balance of $130. on the bid of $175. for the building located on the above parcel. The balance due in the amount of $130. and the escrow money in the amount of $300. has not been received by this department. The bidder failed to comply with the terms and conditions of the sale, and it is, therefore, recommended that the deposit paid for this building be forfeited to the State. (January 19, 1962)

- - - - - - - -

91. There are presented reports of the public sale held on January 16, 1962, for the buildings located on Route 80 (1953), Section 5K, Project I-85-(12), New Jersey and New York Railroad (Erie) at Hackensack to Hackensack River; as follows:

Parcel	Name of Bidder	Amount of Bid	Performance Guarantee Money
41A, B	Paul Patti	$7,300.	$300.00
137	S. Kutta & Sons	350.	300.00

It is recommended that the bids can be accepted and that the successful bidders be authorized to remove the buildings upon payment of the full purchase price. Authority is requested to return to the successful bidders the Performance Guarantee Money which they will be required to post with the State. Said money to be returned after certification that they have complied with the terms of the sale. (January 19, 1962)

92. There is presented again the matter of the public sale of buildings located on Route 80 (1953), Section 5L, Project I-80-5-(8), Saddle River Road to Market Street, Parcel 4A (Ranch House), which building was sold at public auction on November 2, 1961. At the time of the sale, the successful bidder, Mrs. Janet Gortner, deposited with this department the sum of $25., leaving a balance of $75. on the bid of $100. for the building located on the above parcel. The balance due in the amount of $75. and the escrow money in the amount of $300. has not been received by this department. The bidder failed to comply with the terms and conditions of the sale and it is, therefore, recommended that the deposit paid for this building be forfeited to the State. (January 19, 1962)

- - - - - - - -

93. There is presented again the matter of the public sale of buildings located on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 98, which parcel was sold at public auction on June 29, 1961. On January 9, 1962 the State Highway Commissioner authorized the amount of $500. to be forfeited to the State because the successful bidder, Franklin Housemovers, Inc., failed to comply with the terms and conditions of the sale. This matter was presented in error as the successful bidder did comply with the terms and conditions of the sale. It is recommended that the previous action of January 9, 1962 be rescinded. (January 16, 1962)

Sale of Buildings

94. There is presented the matter of the public sale of buildings located on Route FAI 101-5-(3), also known as 80-5-(3), Market Street to Route 17, Parcel 92, which parcel was sold at public auction on June 29, 1961. At the time of the sale, the successful bidder, Franklin Housemovers, Inc., deposited with this department the amount of $50., leaving a balance of $150. on the bid of $200. for the building located on the above parcel. The bidder failed to comply with the terms and conditions of the sale, and it is therefore recommended that the deposit paid for this building be forfeited to the State. (January 16, 1962)

- - - - - - - - -

95. There is presented again the matter of the public sale of buildings located on Route FAI 104-2-(4), also known as 287-2-(4), Stelton Road to Route U.S. 1, which were previously sold at public auction, as follows:

Parcel	Name of Bidder	Amount of Bid	Amount of Deposit
347 (1½ sty. fr. dwg.)	Louis Cirrito	$50.00	$12.00
R349 (1 sty. fr. dwg.)	Louis Cirrito	50.00	12.00
R350 (1 sty. fr. dwg.)	Louis Cirrito	50.00	12.00
365	Louis Cirrito	50.00	12.00

The above bidder failed to comply with the terms and conditions of the sale, and it is therefore recommended that authority be granted to forfeit to the State the deposits totalling $48. (January 19, 1962)

Claims-Settlement-Route 36,130,47, Redecking 4 Bri.

12. Under date of April 20, 1961 final acceptance was made and 100% payment authorized on contract of Hughes Steel Erection Company, Inc. for Redecking of Four Bridges, Route 36, Section 3A, Bridge over Shrewsbury River; Route 130, Sections 1A & 6A, Bridge over Big Timber Creek; Route 47, Sections 8A & 9A, Bridge over Menantico Creek. By letter dated April 21, 1961, copy attached, Travelers Indemnity Company, Surety, requested the balance due under the above contract be paid them for the purpose of paying lawful claims of material suppliers and sub-contractors. The contractor, Hughes Steel Erection Company, Inc. consented to this arrangement by letter dated April 16, 1961, copy attached, in which they declared themselves financially unable to complete the contract. Change Order No. 2B mailed contractor April 17, 1961 to adjust contract to final cost, has not been returned accepted and subsequent attempts to contact them have been unavailing. On the advice of Mr. Joseph Lipkin, Deputy Attorney General, the Travelers Indemnity Company have now furnished releases in settlement of all claims against the contract on file with this Department totaling $29,046.68, and have supplied the specified guaranty bond, transmitted by letter of December 11, 1961, copy attached hereto. It is recommended that final payment of $26,306.79, balance due on the contract, be authorized made to the Travelers Indemnity Company, Completing Surety for Hughs Steel Erection Company, Inc. in default, and that the requirement of Change Order No. 2B specified in Article 1.8.4 be waived. (January 23, 1962)

Claims-Settlement

13. The State Highway Depeartment has a claim against the Estate of Esther Shub in the amount of $412.46 covering the cost of making necessary repairs to traffic signal equipment located at the intersection of Route 33 & Millhurst Road, Manalapan Towaship, Monmouth County. This claim arises out of an accident occurring on December 9, 1957 involving a vehicle owned and operated by Esther Shub and a vehicle owned by Edward Bennet and operated by Herbert W. Thompson. As the result of the aforesaid accident, Esther Shub died at the scene. Inasmuch as the Claims Bureau was unable to negotiate a settlement between the insurance companies involved, a suit was instituted in the Monmouth County District Court. We have now been offered the sum of $375.00 in full settlement of this claim. The Electrical Division indicates that the sum of $11.01 may be given as a depreciation allowance which would reduce our claim to $401.45. By accepting the offer of settlement plus the depreciation item, the State would only be waiving the sum of $26.45. Inasmuch as it would cost us more than the sum of $26.45 to produce the necessary witnesses in order to obtain a judgment and collect the same, it is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement receive favorable consideration and be approved. (January 26, 1962)

Route U.S. 202 Freeway, Section 1D

19. Approval is recommended in making award of contract to Dosch-King Company, Inc. for the Pavement Reconstruction of Existing Marginal Road South of Smith Road on Route U.S. 202 Freeway, Section 1D, located in the Township of Parsippany-Troy Hills, Morris County, at their bid, the lowest of 7 bids received on January 18, 1962, in the amount of $11,927.10. (January 26, 1962)

Route 35, Sections 6A & 4A

20; Michael J. Stavola, Inc. contractor for the construction of Route 35, Section 6A & 4A, Federal Project F-26(8), from 1500' South of Eatontown Traffic Circle to Eatontown Traffic Circle, Widening, and from Shrewsbury Avenue to Newman Springs Road, Widening & Resurfacing, have satisfactorily completed both the road and bridge items under their contract as of March 13, 1961. The original contract completion date was August 1, 1960. By Change Order #1 the completion date was revised to October 1, 1960, making a total overrun on this project of 163 calendar days. However Change Order #1 stated that the construction south of the Eatontown Traffic Circle should be the first order of work. The contractor did not start work in this area until after October 1, 1960, completing the work, having a contract value of $16,000.00, on December 3, 1960, making an overrun for this particular construction of 63 calendar days. It is, therefore, recommended that this project be finally accepted and that an extension of time to March 13, 1961 be granted for the completion of the project north of Shrewsbury Avenue because of utility, right of way, railroad and municipal delay beyond the contractor's control. Further that semi-final payment be authorized withholding 1% of the value of the completed road work and that liquidated damages in the amount of $1,260.00 be assessed against the contractor representing 63 calendar days, from October 1, 1960 to December 3, 1960 at $20.00 per day for non-completion of the work south of the Eatontown Traffic Circle. Final payment to be made without further action by the Commissioner, subject to and in accordance with the as-built quantities when available. 100% payment is recommended of all Bridge Items. (January 26, 1962)

Route 80, Section 4K

21. V. Ottilio & Sons, contractor for the Demolition of Buildings on Route 80, Section 4K, Pennsylvania Avenue to Passaic River, City of Paterson, Federal Project No. N.J.-I-80-4(11)59, have satisfactorily completed the work under their contract as of October 19, 1961. The contract completion date for this project was July 1, 1961. Due to the fact that the contractor was delayed in his demolition of buildings because of late rightof way acquisition and release to the contractor of buildings for demolition, it is recommended that an extension of time be granted for the completion of this contract from July 1, 1961 to October 19, 1961. It is, therefore, recommended that this project be finally accepted and final payment authorized in accordance with the as-built quantitits. (January 26, 1962)

Route 130, Sections 7A & 8B

22. Geo. M. Brewster & Son, Inc., contractor for the construction of Route 130, Sections 7A & 8B, Interchange at Route 73, Townships of Pennsauken & Cinnaminson, Camden & Burlington Counties, Federal Project U-69(22), have satisfactorily completed the road portion of their contract as of October 31, 1961. All bridge items were accepted for final payment on October 9, 1961. It is recommended that the road portion of this project be semi-finally accepted and that semi-final payment be authorized withholding 1% of the value of the completed road work and deducting the sum of $7,079.30 as a penalty from monies due the contractor due to overthick bituminous pavement and deficencies in the bituminous stabilized base course 6" & 7" thick. (January 29, 1962)

Route 80, Section 4G

23. Approval is recommended of the request of P.T. & L. Construction Company, Inc., 526 Route 17, Paramus, New Jersey, contractor for the construction of Route 80, Section 4G, from Lakeview Avenue to River Drive, Grading, Paving, Bridges & Walls, City of Paterson, Borough of East Paterson, Passaic & Bergen Counties, Federal Project No. N.J.-I-80-4(14)60, to sublet the Equipment & Labor Only of Items 233,246,247,248, 275,276,277,278,279, Cast-in-Place Concrete Piles, 12BP53# Bearing Piles, 12BP53# Splices, 12BP74# Bearing Piles, 14BP117# Bearing Piles & Splices, in the amount of $113,592.30, representing 2.127% of the total contract amount less Specialty Items, to:

Selco Steel Erectors Co. 605 - 66th Street West New York, New Jersey	and	C.R.P. Foundation Co., Inc. 53 West Fort Lee Road Bogota, New Jersey

NOTE: The above items were not included in the subcontract approved for Ell-Dorer Contracting Company, who is doing the major portion of the bridge work for this project. Ell-Dorer was approved for Items 175 to 305 inclusive. Please delete the above items from Ell-Dorer's work. (January 26, 1962)

Maintenance Item

Detours-Route 80, Section 5N

28. The regular detour established previously for Route 80, Section 5N, Hackensack, did not provide adequate bus service to the public in the area bounded by Route 80, Polifly Road, Essex Street & Summit Avenue. The police officials of Hackensack established a bus route to serve the residents of this area, by leaving Essex Street onto South Prospect Avenue and continuing to Standish Avenue to Hopper Street, to Mary Street and returning to Polifly Road. This additional detour for busses only becomes part of the overall detour set up for this construction job. To keep these streets in acceptable condition for bus service it is estimated that an additional $3,000.00 must be set up to cover the cost of maintenance. It is recommended that the bus detour (outlined in yellow on attached map) be officially adopted and that authority be given for setting up the above sum for its maintenance. (January 26, 1962)

Right of Way-Route 10

75. There is presented again the matter of condemnation of lands on Route 10 (1953), Section 4, Troy Hills Road, Whippany to Livingston Avenue, Parcel E2, Kenrose Builders, Inc. An appeal was previously authorized from a condemnation commissioners' award in the sum of $2,500.00. At the trial before a Judge and Jury, the testimony on behalf of the State was in the sum of $500.00 and the testimony on behalf of the owner ranged up to approximately $18,000.00. The Jury returned a verdict of $7,500.00 plus interest, from which an appeal was made to the Appellate Division of the Supreme Court which resulted in a reduced judgment of $6,750.00 without interest. It is recommended that this reduced judgment be approved for payment. (February 5, 1962)

Right of Way-Route 29 (1953)

76. There is presented again the matter of condemnation of lands on Route 29 (1927), Section 12B, Route U.S. 202 (1953), River Road to Route 28 (1927), Project F-109-(16), Parcel 60A, John Macko et al. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $8,700.00 and the owner testified in his own behalf to a value of $25,000.00. The commissioners made an award in the sum of $8,700.00. It is recommended that this award be approved. (February 5, 1962)

Route U.S. 202 (1953)
Right of Way-Route 29 (1927)

77. There is presented again the matter of condemnation of slope and drainage easements on Route 29 (1927), Section 12B, Route U.S. 202 (1953), River Road to Route 28 (1927), Project F-109-(16), John Macko et al, Parcel E60B. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $300.00 and the owner testified in his own behalf to a value of $500.00. The commissioners made an award in the sum of $300.00. It is recommended that this award be approved. (February 5, 1962)

Right of Way-Route 129 Freeway

78. There is presented again the matter of condemnation of lands on Route 129 Freeway, Section 1, Project F-283-(2), from abutment of Delaware River Bridge to Scotch Road, Parcel 16, Bernard Lutsky et al. An appeal was previously authorized from a condemnation commissioners' award in the sum of $78,500.00. At the trial before a Judge and Jury the testimony on behalf of the State ranged from $30,000.00 to $34,850.00 and the testimony on behalf of the owner ranged from $118,200.00 to $122,558.00. The Court entered a judgment in the sum of $60,000.00 plus interest at 6% from August 26, 1959, the date of entry. It is recommended that this judgment plus interest be approved. (February 2, 1962)

Right of Way-Route 23 (1953)

79. There is presented again the matter of acquisition of a drainage easement on Route 23 (1953), Section 11, Steeny Kill Lake to New York State Line, Parcel E-7, Edward M. Clarke and wife, on which an agreement was previously approved in the sum of $100.00. Subsequently, the owners complained their well had dried up due to our construction operations. After investigation this complaint was substantiated by our engineer and estimates for the cost of a new well were secured as follows:

Greening Brothers, Milford, Pa. $1,475.00
Dunn & Dunn, Sussex, N.J. 1,125.00
Emil J. Schields, Milford, Pa. 780.00

The owners have executed a release of all claims for damages by reason of the loss of the well in the sum of $1,125.00 and have also delivered the deed of easement in accordance with the previous agreement. It is recommended that the release be accepted and authority granted to pay the sum of $1,125.00 therefor; making the total consideration for the conveyance of Parcel E-7, $1,225.00. (February 5, 1962)

Right of Way-Route 80

80. There are presented invoices from New Jersey Power and Light Company covering parcels acquired in the name of the Company, the considerations for which were previously approved by the State Highway Commissioner, with the understanding that the Utility Company would be reimbursed by the State in accordance with R.S. 27:7A-7. These invoices cover the following parcels on Route FAI 101-2-(2), (Route 80) Mt. Hope-Rockaway Road to Route U.S. 46 at Denville; Route FAI 80-2-(14), Landing Road to Route U.S. 46 at Netcong and Route 80, Section 2J (I-80-2-(20) Route U.S. 46 to Route 53:

Project	Parcel	Owners Name	Consideration	Acq. Costs, Title Expense & Recording Fees
101-2-(2)	UE162D	D. H. Ehrgott, et ux	$2,180.	$659.33
I-80-2-(14)	URE72C	Salmon Bros., Inc.	250.	79.64
I-80-2-(20)	UE14	C. Laser, et ux	1,000.	91.17
"	UE19B	O. A. Larsen, et ux	-	83.00
"	UE22B & UE23	A. J. Benner, et vir	1,800.	92.49
"	UE24	E. Davis, et ux	1,800.	114.49
		Total	$7,030.	$1,120.12

It is recommended that authority be granted to reimburse the New Jersey Power and Light Company in the sum of $7,030. for the actual amount paid for property rights; plus the sum of $1,120.12 to cover title expenses, recording fees and acquisition costs. (February 7, 1962)

Right of Way-Route 22 (1953)

81. There is presented again the matter of acquisition of property on Route U.S. 22 (1953), Section 10, Project U-178-(19), Finderne Avenue to King George Road, Parcel 18, unknown owner. Condemnation proceedings were previously authorized because of inability to locate the owner. Completion of the search discloses that Parcel 18 is within the limits of Watchung Road and the Tax Map of the Boro of Bound Brook shows Watchung Road extending across Parcel 18. A search of the records in the County Clerk's Office of Somerset County; the offices of the Borough Clerk and Borough Engineer of the Borough of Bound Brook, does not disclose any vacation of this portion of Watchung Road. It is, therefore, recommended that Parcel 18 be eliminated inasmuch as it is within an existing road, and that condemnation proceedings previously authorized be rescinded. (February 5, 1962)

Bristol Bridge Approaches
Right of Way-Burlington County Bridge Commissioner-Burlington

82. There is presented again the matter of acquisition of property in the name of the Burlington County Bridge Commission - Burlington Bristol Bridge Approaches, Parcel R14, Heirs of the Estate of John Lipiec, on which condemnation proceedings were previously authorized. Further investigation reveals that this parcel is not required. It is therefore recommended that the parcel be eliminated and that the action authorizing condemnation be rescinded. (February 5, 1962)

Right of Way-Route 24 Freeway

83. There are presented report, map and description on Route 24 Freeway, Section 9, Whitehead Road to Whippany Road, Parcel 34, John Volker, Jr. and wife and John Apgar and wife. Federal Project EUF-204-(2). Authority is requested to place a condemnation complaint on file immediately in order to insure the stoppage of extensive building operations now under way within the area of Parcel 34; - with the understanding that negotiations in the regular manner will eventually be conducted in an effort to reach an amicable settlement. (February 2, 1962)

Right of Way-Route 287

84. There are presented report and map on Route 287, Section 7, Passaic River to Annin Road, Federal Project I-287-2-(2), Parcel 3, Mirsa Inc. The owner is demanding $145,482.00 which is considered excessive. (February 2, 1962)

Demolition of Buildings
Right of Way-Route 42, No.-So. Freeway

91. There are presented estimates for the demolition, stuccoing party walls, and closing openings in party wall roof to prevent water damage for the four buildings located on Route 42, North-South Freeway, Section 10, Pennsylvania Railroad to Kaighn Avenue, Parcels 14, 66, 67 and 68 as follows:

Dolan Demolition Contractors, Inc.	$2,230.00
McGinley and Kelly, Inc.	$5,175.00

Due to the demolition of Parcel 14, it will become necessary to stucco the party wall of the adjacent building located at 700 Washington Street, Camden, New Jersey. This work is included in the above estimates. It is recommended that the proposal by Dolan Demolition Contractors, Inc. be accepted, and that they be authorized to proceed with the work. (February 5, 1962)

Sale of Buildings

92. There is presented again the matter of the public sale of buildings located on Route U.S. 1, Section 8, Main Street to Raritan River, Project U-95-(45), Parcel 75, which building was previously sold at public auction. The successful bidder, Daley & Petrics, Inc., has complied with the terms and conditions of the sale, and it is recommended that authority be granted to return the escrow money, which was deposited with this department. (February 5, 1962)

Appraisal Orders

93. Authority is requested to rescind previous action approving Appraisal Order 1962-A-6 to Jules Pomerantz of Newark. Because of prior commitments Mr. Pomerantz will be unable to make the appraisals. (February 6, 1962)

General Property Parcel Map-~~Right-of-Way~~-Route 24 Freeway, Sec. 12

53. There is presented General Property Parcel Map on Route 24 Freeway, Section 12, River Road to Route 78; together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham & Mr. Fritzsche. The State Highway Commissioner by several actions heretofore authorized the acquisition of Parcels 41, 55, 70, 74 & 150 in the public interest. The Commissioner also approved three sheets of this General Property Parcel Map showing right of way to be acquired between the D.L. & W.R.R. and Route 78 and authorized the acquisition of entire takings only. By these various actions, the sum of $811,750.00 was set up to cover the estimated cost. Of this amount, $650,000.00 is 100% State Funds and $161,750.00 is mixed (Federal & State). Authority is now requested to approve the balance of the General Property Parcel Map subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The total estimated cost of the right of way for this entire project is $4,000,000.00. There is available in various Right of Way Accounts, the sum of $2,000,000.00. Authority is requested to make transfers totaling this amount as indicated below. The transfers of $2,000,000.00 would be from Urban Projects (50-50 Funds)

Condemnation proceedings were previously authorized at which time the owner was demanding $16,000.00. Continued negotiations have resulted in the execution of an agreement in the sum of $13,500.00, including down payment of $3,300.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the buildings to the road contractor, by public auction or by sealed bids. (February 27, 1962)

Right of Way-Route U.S. 130 (1953)

62. There is presented again the matter of acquisition of property on Route U.S. 130 (1953), Section 7, Pennsauken Creek to Woodland Avenue, Parcel 25, Anne B. Keebler, widow. Condemnation proceedings were previously authorized at which time the owner would not make known her demand. Continued negotiations have resulted in the execution of an agreement in the sum of $1,250.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (February 27, 1962)

Right of Way-Route 287 (1953)

63. There is presented again the matter of acquisition of property on Route 287, (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel 4. An agreement with James D. Sanders and wife in the sum of $18,000.00 was previously approved. Completion of the title search revealed that James D. Sanders could not convey title. Subsequently, the Yorke Savings & Loan Association had acquired title by reason of mortgage foreclosure proceedings. Negotiations conducted with the Yorke Savings and Loan Association have resulted in the execution of an agreement in the sum of $19,000.00. It is recommended that this agreement be approved and that the previous agreement be reseinded. The dwelling formerly located on this parcel has been demolished by the contractor in the performance of his contract. (February 27, 1962)

Right of Way-Route 25 Connecting Link

64. There is presented report from the Title Officer regarding Riparian Grant required from the Department of Conservation and Economic Development on Route 25 Connecting Link, Section 6, Parcels A, T2B and T8, at Passaic River and on Route 25 Connecting Link, Sections 3 and 4, Parcels T15, T16, 17 and T19, Hackensack River. The fee has been fixed at $16,340.00 (including $40.00 fee for preparation of instrument). Right of Way-Route 287 -

66. There is presented again the matter of acquisition of property on Route FAI 104-2-(2), Route U.S. 22 to Easton Avenue, Parcel 356, on which an agreement was previously approved in the sum of $357.00 with Mr. Nathan Bloom. When negotiations were conducted with Mr. Bloom, he indicated he was unmarried. Completion of the title search reveals that he was married, his wife's name being Rebecca. Efforts to secure the execution of the deed by Mr. and Mrs. Bloom have been unsuccessful. It is therefore recommended that the agreement be rescinded and that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. (February 27, 1962)

Right of Way-Route 95 (1953)

67. There is presented again the matter of acquisition of an easement in the name of the Bergen County Sewer Authority on Route 95 (1953), Section 1F, Project I-95-7-(4), from Route 4 to a point east of Fletcher Avenue, Fort Lee; Parcel UER10B, Fornaby Construction Company. Authority was previously granted to transmit the data in connection with this easement to the Bergen County Sewer Authority for the institution of condemnation proceedings at which time the owners were demanding $3,000.00. The owners have now executed a Grant of Easement in the name of the Bergen County Sewer Authority for the sum of $1,500.00. Approval of the consideration provided for in the Grant of Easement is recommended; authority is requested to submit this Grant of Easement to the Bergen County Sewer Authority with the understanding that the State will reimburse the Utility Company under R.S.27:7A-7. It is further recommended that the previous action recommending condemnation in this case be rescinded. (February 27, 1962)

Right of Way-Route 80 -

68. There are presented invoices from New Jersey Power and Light Company covering parcels acquired in the name of the Company, the considerations for which were previously approved by the State Highway Commissioner, with the understanding that the Utility Company would be reimbursed by the State in accordance with R.S. 27:7A-7. Parcels U2RE12E and UE12F	Henry O. Baker & Baker Holding Corp.	$3100.00
Parcel U2RE29	Henry O. Baker	5500.00

These grants included not only the area required for the relocation of facilities but an additional area for which the Utility Company had previously secured options. The proportionate share for which the State is obligated to reimburse the Utility Company is as follows:

Parcels U2RE12E and UE12F	Henry O. Baker & Baker Holding Corp.	$2310.00
Parcel U2RE29	Henry O. Baker	3900.00
Plus the usual acquisition costs amounting to		172.79
		$6382.79

It is recommended that authority be granted to reimburse the New Jersey Power and Light Company in the total sum of $6382.79 to cover the above indicated Grants. (February 23, 1962)

Right of Way-Route 287

70. There is presented again the matter of acquisition of property on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, on which agreements were previously approved as follows:

Parcel	Name	Consideration
24C (6250 sq.ft.)	Allen D. Allford	$12,100.00
52 (7050 sq.ft.)	H & M Holding Co.	11,300.00

Completion of the title search revealed that Allford owned 7050 square feet and H & M Holding Company owned 6250 square feet. Deeds covering the correct area were executed as follows:

Parcel	Name	Consideration
R24C (7050 sq.ft.)	Allen D. Allford	$12,100.00
R52 (6250 sq.ft.)	H & M Holding Co.	11,300.00

Inasmuch as the considerations paid for the revised parcels are the same, Deeds were executed in accordance with the revision. Confirmation of the acceptance of these Deeds covering the revised parcels is recommended. (February 27, 1962)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS-MARCH 12, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or re-classifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director & Chief/Engineer, Counsel and State Highway Engineer. (March 2, 1962)

Claims-Settlements

2. There is presented a claim arising out of an automobile accident which occurred on May 29, 1957 at the intersection of Route 27 & Hagel Avenue, Linden, New Jersey, involving a vehicle owned and operated by David D. Chambers, then of 1515 St. George Avenue, Roselle, New Jersey. As a result of this accident, traffic signal equipment owned by the New Jersey State Highway Department was damaged and subsequently repaired at a cost of $263.65. This equipment had been in service just a little over one year and no depreciation was allowable. However, $10.80 was allowed for salvage of 72-lbs. of scrap aluminum at 15¢ per pound, totaling $10.80, revising the original claim to $252.85. Investigation by the Claims Bureau disclosed that Mr. Chambers was uninsured at the time of this occurrence and had moved from the Roselle area. Further investigation disclosed that he was residing in Atlantic City area. Several personal calls in Atlantic City were unsuccessful in contacting Mr. Chambers, but it is our opinion he did reside at 2402 Artic Avenue. Considerable correspondence directed to Mr. Chambers was unanswered and subsequent personal calls at his last known address were unsuccessful. Contact with us was later made by the insurance company which represented Mr. Chambers at the time of this occurrence, and basedon information contained in the police report, the carrier made an offer of $203.00 in full settlement of this claim. It is, therefore, my recommendation in accordance with Mr. Levine's memorandum attached hereto and the recommendation of Deputy Attorney General William J. McCormack, that the above offer of settlement receive favorable consideration. (March 7, 1962)

3. There is presented a clim arising out of an accident occurring on June 21, 1961 on Route 202 Ringoes, New Jersey, when it is alleged that a stone hurled by a vehicle owned by A.L. Lewis struck the windshield of a Highway Department Ford, registration HYD 505. Since the Department had no coverage for this mishap, it made a claim against Mr. Lewis in the amount of $42.13 for the cost of repairing the windshield which was damaged. Mr. Lewis' insurance carrier turned down this claim on the basis that their assured had no knowledge of this incident and they could not see how they were legally liable for our damage. After negotiations by the Claims Bureau with the insurance carrier involved, the sum of $21.00 was offered in full settlement of our claim. Giving due consideration to the circumstances under which the damages occureed, it is the opinion of the Claims Bureau that the State would be justified in accepting the insurance company's offer of $21.00 and the balance of this claim in the amount of $21.13 be cancelled. It is our recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that the offer of settlement receive favorable consideration. (March 5, 1962)

Bayhead-Manasquan Canal Bridge-Route 13

4. At some time Tuesday, March 6, 1962, during the recent storm, the westerly abutment of the Bridge on State Highway Route 13 over the Bayhead-Manasquan Canal at Point Pleasant, New Jersey, was undermined and collapsed, thereby causing the westerly span of the bridge to fall. In falling, the span jammed against the end of the swing drawspan which made it impossible to open the drawspan to allow the passage of vessels. In order to forestall further collapse, remove the fallen span and restore the bridge to waterway and roadway traffic as soon as possible, the attached agreement has been prepared with Ole Hansen & Sons, Inc., 22 North Franklin Avenue, Pleasantville, New Jersey, to perform the necessary work on cost-plus basis. The form of this agreement has been approved by the Legal Division. It is estimated that the cost of removing the fallen span and abutment will be $40,000.00 and that the reconstruction of the span will cost $50,000.00 for a total of $90,000.00. It is recommended that the attached Agreement be approved, subject to authorization from the State House Commission to proceed with this work without advertising for bids at an estimated cost of $90,000.00. (March 12, 1962)

NO. 9 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MARCH 21, 1962

Administration Items

Agreements-Newark Transportation Study

1. Approval is hereby recommended that the ceiling price of $150,000.00 for Items 1, 6 and 7, as established in the Contract Agreement for the Newark Transportation Study between the consultants, Edwards and Kelcey, Incorporated, and DeLeuw, Cather & Company, and the New Jersey State Highway Department, be increased by an amount of $6,612.66 and it is also recommended that the additional amount of $6,612.66 be set up for payment of this work. The additional work was either requested of the consultants during the course of the Study or deemed necessary to complete the Study satisfactorily. The ceiling price of $150,000.00 will hereby be increased to $156,612.66. Recommendation is also made for final acceptance of the Study and full payment of the retainer fee. (March 21, 1962)

Agreements-Township of West Windsor, Mercer County

2. Approval and execution is recommended of the attached Agreement dated March 12, 1962, between the Township of West Windsor and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the widening and resurfacing of Route U.S. 1, Section 2, where it was necessary to construct a new turning facility at its intersection with Meadow Road, in the Township of West Windsor, Mercer County. (March 19, 1962)

Urbahns - Rt. U.S. 1 Sec. 6C + 8C

Reimbursements-Township of Edison

3. To accommodate the construction of Route U.S. 1 (1953), Sections 6C and 8C, it will be necessary for the Township of Edison, Department of Public Works, Division of Water, to relocate a portion of their water facilities. The work will consist of relocating four (4) fire hydrants, installing approximately 300' of 6" cast iron pipe and blanking off water main at four (4) places. It is recommended that the Township of Edison be reimbursed for the actual cost of this relocation work, which including approximately 10% for contingencies is estimated at $2,960.00. (March 15, 1962)

Urbahns - Rt. 38, Sec 1

Reimbursements-Pennsauken Sewerage Authority

4. Under date of May 10, 1961, Commission Action was approved for reimbursing the Pennsauken Sewerage Authority for extra costs for the rearrangement of their facilities to avoid later greater costs to the Department in connection with the construction of Route 38, Section 1. The ceiling amount of said extra, at that time, was set at $5,000.00. This estimate, however, was erroneous because it did not take into consideration an item of $1,300.00, representing 26' of casing that, in the Sewerage Authority's opinion, would not have been warranted in the original cost. Due to this error the Sewerage Authority's engineer estimate was $5,000.00 but in reality should have been $6,300.00. In view of the above, it is hereby recommended that the State Highway Commissioner approve paying $6,106.20, which is the actual cost to the State and which will require the setting up of an additional amount of $1,106.20. (March 19, 1962)

Services-Engineering

5. Approval and execution is recommended of the attached Supplemental Agreement dated March 1, 1962, between DeLeuw, Cather & Company, consultant, and the State of New Jersey, covering understandings in connection with the performance of advanced engineering services relative to the proposed improvement of State Highway Route 23, from Oak Ridge Road to the vicinity of Stockholm, a distance of about 4.1 miles, plus an additional 1.1 miles for study. To remunerate the consultant for these services, it is recommended that the amount of $7,665.54 be set up which is broken down as follows:

Vendor's Invoice No. 15794	$7,169.82
Vendor's Invoice No. 15809	495.72
Total to be set up	$7,665.54

(March 9, 1962)

Utilities-Route 295, Section 2F (P.S. Elec. & Gas Co.)

6. Approval and execution is recommended of the attached Order (PUO-30-295-2F) issued to the Public Service Electric and Gas Company covering understandings in connection with the rearrangement of gas facilities to accommodate the construction of Freeway Interstate Route 295, Section 2F, located in the Township of Mount Laurel, County of Burlington. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $26,430.00. (March 17, 1962)

Route U.S. 322, Section 3A

7. Semi-final payment of Route U.S. 322, Section 3A from 8th Street to Weymouth Road, Atlantic County, was authorized by Action of the Commissioner dated November 15, 1961, but has been withheld pending evidence of settlement of eleven claims against the contract of which ten were against sub-contractors. South Jersey Construction Company, prime contractor, has now furnished releases from all except four of the claimants of record, which four claims they dispute per attached correspondence and for which they have furnished bonds for twice the amounts of the claims. Acceptance is recommended of the attached bonds indemnifying the claims of For-Man Contracting Company, Ocean Paving Company, William Brown and American Electronics, Inc. in lieu of requiring releases of these claims:

Claimant	Amount	Bond
For-Man Contracting Co.	$29,975.23	$59,950.46
Ocean Paving Co.	3,512.00	7,024.00
William Brown	443.40	886.80
American Electronics, Inc.	1,625.50	3,251.00

(March 19, 1962)

It is recommended that this agreement be approved and that the appeal previously authorized be discontinued. (March 19, 1962)

Right of Way-Route 295

119. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73. An agreement was previously approved in the sum of $6,600.00 with John Sebastian and wife for Parcel R-87. Subsequently, it was learned that the dwelling was incorrectly plotted on the original plan and that the dwelling was actually closer to the right of way line than originally indicated. This necessitated a slight jog in the right of way line to miss the dwelling. Negotiations were reopened for the acquisition of Parcel 2R-87 which resulted in the execution of an agreement in the sum of $7,000.00. It is recommended that this agreement covering Parcel 2R-87 in the sum of $7,000.00 be approved and that the previous agreement covering Parcel R-87 in the sum of $6,600.00 be rescinded. (March 13, 1962)

Right of Way-Route 3 (1927)

120. There is presented a communication from Walter Hunziker, Esquire, with reference to the purchase of excess land on Route 3 (1927), Section 4A, Parcels AX8-1, X8-2, X-10. This office has been advised by our various divisions that the above properties are considered excess land and they can be sold, subject to the retention of slope rights. Mr. Walter Hunziker has guaranteed the minimum price of $1,400.00, plus $150.00, which is the estimated cost of conducting the sale. Authority is requested to dispose of this property at public auction based on a minimum price of $1,400.00 plus $150.00 which is the estimated cost of conducting the sale. (March 15, 1962)

Sale of Buildings

121. There is presented a report of a public sale held on March 15, 1962, for the building located on Route 18, Section 1, Weston's Mills to Tanners Corner; Project U-112-(18), Parcel 70. A bid in the amount of $800.00 was received for this building which was submitted by Mr. John S. Gunia. It is recommended that the bid in the amount of $800.00 be accepted and that authority be granted to have the building removed by the high bidder upon payment of the full purchase price. Authority is requested to return to the successful bidder the Performance Guarantee Money which he will be required to post with the State; said money to be returned after certification that he has complied with the terms of the sale. (March 16, 1962)

Sale of Buildings

122. There are presented reports of the public sale held on March 14, 1962, for buildings located on Route 18 (1953), Section 6, Project U-112-(18), Tanners Corner to Old Bridge Traffic Circle, as follows:

Parcel	Name of Bidder	Amount of Bid	Performance Guarantee Money
14 (Garage only)	A. W. Messmahl, Jr.	$175.00	$300.00
20	J. A. F. Company	850.00	300.00

It is recommended that the bids be accepted and that the successful bidders be authorized to remove the buildings upon payment of the full purchase price. Authority is requested to return to the successful bidders the Performance Guarantee Money which they will be required to post with the State; said money to be returned after certification that they have complied with the terms of the sale. (March 16, 1962)

123. There are presented reports of the public sale held on March 8, 1962, for the buildings located on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73; as follows:

Parcel	Name of Bidder	Amount of Bid	Performance Guarantee Money
R92 (Road Stand)	Anthony Mattia	$80.00	$300.00
R92 (Main Building)	Carmen DiCiurcio	410.00	300.00
113A	Charles Olsen	25.00	300.00
118 A, B, R138 (Bar Only)	Wilson Branciforte	280.00	300.00
	BPOE #2085	100.00	-
172	Carmen DiCiurcio	225.00	300.00
173	Carmen DiCiurcio	240.00	300.00

It is recommended that the bids be accepted and that the successful bidders be authorized to remove the buildings upon payment of the full purchase price. Authority is requested to return to the successful bidders the Performance Guarantee Money which they will be required to post with the State; said money to be returned after certification that they have complied with the terms of the sale. (March 13, 1962)

Demolition of Buildings

124. There are presented estimates for the cost of demolishing the buildings located on Parcels 131, 135 (rear), 139, 140, on Route 80, Section 5K, New Jersey - New York Railroad (Erie), at Hackensack to Hackensack River, as follows:

Walter Moritz	$1,460.00
William M. Young & Company	2,160.00
Edward Rembish	2,480.00

It is recommended that the proposals submitted by Walter Moritz in the amount of $1,460.00 be accepted and that he be authorized to demolish the buildings listed above. (March 19, 1962)

- - - - - - - - - -

125. There are presented estimates for the cost of demolishing the buildings located on Parcels 134, 135, 136, 138 A & B, on Route 80, Section 5K, New Jersey - New York Railroad (Erie), at Hackensack to Hackensack River, as follows:

William M. Young & Company	$2,160.00
Edward Rembish	2,750.00
Walter Moritz	2,480.00

It is recommended that the proposals submitted by William M. Young & Co. be accepted and that they be authorized to demolish the buildings as listed above. (March 19, 1962)

Right of Way-Route U.S. 1 (1953)

126. There is presented again the matter of condemnation of lands on Route U.S. 1 (1953), Section 8, Project U-94-(45), Main Street to Raritan River, Condemnation proceedings were previously authorized for the acquisition of Parcels 37, 38, 39 and 105, George Behr et al. As a result of information secured upon completion of the title search, it now becomes necessary to condemn Parcel 105 separately. It is therefore recommended that authority be granted to institute condemnation proceedings for the acquisition of the following parcels in fee simple, subject to any public utilities existing in the premises:

Parcel	Name
37, 38, and 39	George Behr et al
105	George Behr et al

The owners are demanding $60,000.00 for all four parcels which is considered excessive. It is further recommended that the previous action authorizing condemnation of these parcels as one case be rescinded. (March 21, 1962)

Right of Way-Route 295

127. There is presented a report on Route FAI 108-2-(5), Warwick Road to Route 73, Parcel R92, formerly owned by Mary Ranoldo, widow. Located within the road stand was a small walk-in ice box which was removed by the son of the former owner. A check in the amount of $100.00 was received from the attorney of the former owner for the walk-in ice box. It is recommended that the amount of $100.00 be accepted as payment in full for missing item, which amount is considered fair and reasonable. (March 21, 1962)

Right of Way-Route 287

128. There is presented again the matter of acquisition of property on Route 287 (1953), Section 13, Project I-287-3-(5), Intervale Road to Main Road, Montville, Parcel 94, Roland P. Klisiewecz et ux on which an agreement was previously approved in the sum of $19,800.00 including a down payment of $4,900.00. In accordance with this agreement, the owners have executed their Deed to the State; and the State has made payment in the sum of $4,900.00 representing the down payment. Completion of the search reveals that Parcel 94 is subject to a private lane 12 feet in width running along the entire length of the easterly property line. This private land is for the benefit of the properties lying south of the parcel. One of these property owners, Louis Theobald, has refused to execute a Release of his interest in the lane. Negotiations with Mr. Theobald for other property required from him have not yet been concluded and he indicates he does not wish to prejudice his claim against the State by signing the release of his interest in the lane. The balance due Mr. Klisiewecz under the above-indicated agreement is $14,900.00. It is recommended that authority be granted to pay the sum of $13,900.00, withholding $1,000.00 until such time as all required releases affecting the lane have been secured. (March 19, 1962)

Right of Way-Route 80 (1953)

129. There is presented report from the Title Officer together with Deed for conveyance of Parcels V2R22B, V24B, V30B and VR31C on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, from the State of New Jersey to Harry S. Reiman and wife. This conveyance is being made in accordance with an agreement approved by the State Highway Commissioner on June 12, 1961, under the terms of which Harry S. Reiman and wife conveyed to the State Parcels 23A, R23B, 23C, and R23D at a consideration of $115,000.00 plus conveyance of Parcels V2R22B, V24B, V27B, V30B and VR31C, including down payment of $28,750.00. All the other terms of this agreement have been consummated. It is recommended that this deed be executed and authority granted to make delivery of same. The State Highway Commissioner does hereby determine that Parcels V2R22B, V24B, V27B, V30B and VR31C are no longer required for the use of the State of New Jersey in the improvement, betterment, reconstruction, or maintenance of any State Highway. (March 21, 1962)

NO. 9 - 1962

NO. 10 - 1962

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

SCHEDULE OF APPROVALS - MARCH 30, 1962

Administration Items

Claims-Settlements

1. There is presented a claim arising out of an accident occurring on March 3, 1960 involving a vehicle owned by Friedman's Express, Inc. and a vehicle owned and operated by William Davis. As a result of the aforesaid accident Highway Department guard railing was damaged and had to be repaired at a cost of $108.06. The aforesaid accident appeared to be caused by the negligence of both drivers. The Friedman's Express, Inc. vehicle was insured and the insurance carrier involved offered us fifty percent of our claim, on the basis that both vehicles involved contributed to the cause of the accident. William Davis was not insured and his attorney agreed that his client should contribute fifty percent of our claim in this matter. However, he could not get his client to cooperate with him and later dropped the case. The Claims Bureau attempted to make a personal call on William Davis and discovered that William Davis had died and left no relatives in the area. The Claims Bureau then reopened negotiations with the insurance carrier for Friedman's Express, Inc. and they subsequently offered us $75.00 in full settlement of this claim. In view of the circumstances, I feel that their offer is reasonable and it is recommended that the $75.00 offer be accepted and the balance of this claim in the amount of $33.06 be cancelled. (March 23, 1962)

Agreements-Township of Pennsauken

2. Approval and execution is recommended of the attached Agreemented dated March 12, 1962, between the Township of Pennsauken and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to the construction of a pedestrian overpass in the vicinity of Garfield Avenue, Township of Pennsauken, Camden County on Route U.S. 130 (1953), Section 7. (March 27, 1962)

Utilities-Township of Edison

3. To accommodate the construction of the grade separation of Woodbridge Avenue over Route 1, in the Township of Edison, it will be necessary for the Public Service Electric & Gas Company to rearrange their electric facilities. A portion of the rearrangement costs are reimbursable in accordance with Departmental policy. It is, therefore, recommended that the Public Service Electric & Gas Company be reimbursed for this work, which including approximately 10% for contingencies is estimated at $10,300.00. (March 30, 1962)

Utilities-Route 35 Freeway

4. Approval and execution is recommended of the attached agreement between the State of New Jersey and the Monm uth Consolidated Water Company, covering understandings in connection with the relocation f certain facilities of the proposed water supply system which is to be owned and operated by the utility company. This work is made necessary on account of the State's c nstruction of Route 35 Freeway in the Township of Neptune, Monmouth County, a portion of which construction runs through the company's right-of-way. The Monmouth Consolidated Water Company is fo be reimbursed for the actual cost of the relocation work which, including 10% for contingencies, is estimated at $20,000.00. (March 27, 1962)

Utilities-Route 95, Section 1G

5. The original Utility Agreement (PUA-13-95-1F) with the Borough of Fort Lee provided for the State to construct relocated sanitary sewers for the Borough under the State's Contract for Interstate Route 95, Section 1G. However, due to difficult rock excavation problems and sewer grade problems, the proposed 12" gravity sanitary sewer indicated in the State's construction drawing is to be eliminated and replaced by a sewerage pumping station with gravity and force mains as indicated in brown on attached utility plan as revised March 29, 1962. It is, therefore, recommended that the Borough of Fort Lee be paid in accordance with attached Change Order #2 in the amount of $4,000.00 representing the lump sum payment for the sewer pumping station maintenance, and further, approval is also recommended for the State to arrange for electrical services to the pumping station and paying electrical energy charge for same through the Supervisor, Bureau of Electrical Operations, Division of Maintenance & Operations. (March 30, 1962)

NO. 10 - 1962

Utilities-Route U.S. 130, Section 7F

6. Approval and execution is recommended of the attached Agreement between the Merchantville-Pennsauken Water Commission and the State of New Jersey covering understandings in connection with the rearrangement of water distribution facilities to accommodate the construction of Route U.S. 130, Section 7F, located in the Township of Pennsauken, City of Camden, County of Camden. The Water Commission is to be reimbufsed for the actual cost of the rearrangement work wihich including approximately 10% for contingencies is estimated at $1,953.00. (March 23, 1962)

Utilities-Marlot Avenue Bridge over Rt.

7. To accommodate the construction of the Marlot Avenue Bridge over Route 208, Section 3C, it will be necessary for the Public Service Electric & Gas Company to relocate a portion of their gas facilities consisting of 325'± of 16" and 360'± of 6" main. The Utility Company plans to subcontract for the installation of these mains but supply all major materials and making all connections and disconnections involving live gas themselves. It is, therefore, recommended that the Public Service Electric & Gas Company be reimbursed for this relocation work, which including 10% for contingencies is estimated at $15,875.00. (March 29, 1962)

Utilities-Route 287, Section 12B

8. Approval and execution is recommended of the attached Order (PUO-67-287-12B), issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of telephone facilities to accommodate the construction of Freeway Interstate Route 287, Section 12B, located in the Township of Parsippany Troy Hills, County of Morris. The telephone company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $14,100.00. (March 23, 1962)

Right of Way Items

General Property Parcel Map-Route 9, Section 22

46. There are presented two sheets of the General Property Parcel Map on Route 9, Section 22, Fort Plains to Route 33, showing right of way to be acquired for improvements at Elton Road, Willow Brook Road & Tassaquanaqua Brook; together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It is recommended that these sheets be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of the necessary right of way. The estimated cost of this rightof way is $30,000.00 and authority is requested to set up this amount from funds available under Item 2, of the 1960-61 Construction Program. (March 30, 1962)

General Property Parcel Map-Route 28, Section 3

47. There is presented a sheet of the General Property Parcel Map on Route 28, Section 3, Bridge Street to Green Brook, showing easements to be acquired at Cuckels Brook; together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It is recommended that this sheet be approved subject to such changes as may be necessary in order to conform with construction plans as finally adopted and approved; and that authority be granted to negotiate for the acquisition of these easements. The estimated cost of these easements is $2,000.00 and authority is requested to set up this amount from funds available under Item 41, Miscellaneous, 1961-62 Construction Program. (March 30, 1962)

Right of Way-Route 35 Freeway

48. There is presented a preliminary plan on Route 35 Freeway, Section 1, Atlantic Avenue to Shark River, Federal Project EF-207-(2) showing right of way to be acquired between Route 35 & Shark River; together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It has been deemed feasible and desirable to request authority of the State Highway Commissioner to approve the preliminary plan (Scale 1"=200') to set up funds, and to negotiate for the advance acquisition of the properties where the owners are seeking approval by municipalities and county zoning boards for the filing of development maps and issuance of building permits. These advance acquisitions would permit the State's taking advantage of present day values and the forestalling of attempts by owners to claim excessive values. The total estimated cost of Right of Way required for this project is $1,450,000.00. At this time, it is requested that authority be set up only $750,000.00 of 100% State funds and to granted to negotiate for the acquisition of such properties as would be in the public interest. As right of way plans are completed for this project, they will be transmitted to the State Highway Commissioner for formal approval in the usual manner. (March 30, 1962)

49. There is presented a preliminary plan on Route 35 Freeway, Section 2, Shark River to Poplar Road, Federal Project EF-207-(3); together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It has been deemed feasible and desirable to request authority of the State Highway Commissioner to approve the preliminary plan (Scale 1"=200') to set up funds, and to negotiate for the advance acquisition of the properties where the owners are seeking approval by municipalities and county zoning boards for the filing of development maps and issuance of building permits. These advance acquisitions would permit the State's taking advantage of present day values and the forestalling of attempts by owners to claim excessive values. The total estimated cost of Right of Way required for this project is $1,250,000.00. At this time, it is requested that authority be granted to set up only $1,000,000.00 of 100% State Funds. It is also requested that authority be granted to negotiate for the acquisition of such properties as would be in the public interest. As right of way plans are completed for this project, they will be transmitted to the State Highway Commissioner for formal approval in the usual manner. (March 30, 1962)

Services - Engineering

12. Approval and execution is recommended of the attached Agreement dated March 30, 1962, between Howard, Needles, Tammen and Bergendoff, consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to a Feasibility Study of a Highway Bridge across Delaware Bay between Sea Breeze, Cumberland County, New Jersey, and Bombay Hook Point, Delaware, and the necessary State Highway network of roads to serve the subject bridge in order to provide safe and efficient traffic movements. The consultant is to be remunerated for this work upon properly drawn vouchers in the flat sum of $12,500.00. In order that this be a complete study, it is our understanding that the State of Delaware is employing this same consultant at the same compensation as indicated above. (April 4, 1962)

- - - - - - - - - -

13. Approval and execution is recommended of the attached Supplemental Agreement dated March 29, 1962, between Fay, Spofford and Thorndike Inc. and the State of New Jersey, covering understandings in connection with the performance of preliminary engineering services relative to the proposed improvement of Route 80. The parties hereto entered into an Agreement for engineering services on April 17, 1957. Both parties now agree that the scope of the work involved and limits as conceived in the original Agreement have been expanded to an extent which renders said Agreement inadequate. In the original Agreement, the consultant was to be paid on a fee basis of 4.25% of a tentative engineers estimated of $34,000,000.00 or $1,445,000.00. This Supplemental Agreement proposes to reimburse the consultant on a fee basis of 4.25% of $34,770,000.00 or $1,477,725.00 representing an increase of $32,725.00 over the original Agreement to which should be added 15% for extra work (rounded off) in an amount of $5,000.00, making a total amount to be set up over and above that which was set up in the original Agreement executed April 17, 1957 of $37,725. (April 2, 1962)

Services - Engineering

14. Approval and execution is recommended of the attached Agreement dated April 2, 1962, between John G. Reutter & Associates, consultant, and the State of New Jersey, covering understandings in connection with the performance of specific construction engineering services relative to the construction of State Highway Route U.S. 130, Section 7E, 8D, 9D and 10D, Chelton Avenue to Union Avenue, Burlington and Camden Counties, a distance of 10.2 miles. The consultant will be paid for these services on a fee basis of 2½% of the actual construction costs to the State with the stipulated ceiling of $70,000.00. (April 4, 1962)

Utilities - Grade Separation Woodbridge Ave.

15. To accommodate the construction of the grade separation of Woodbridge Avenue over Route U.S. 1, it is necessary for the Public Service Electric and Gas Company (Gas Department) to relocate their gas main facilities. The Company will replace with a 3" main instead of the 2" main, which would be an in-kind replacement. The State will pay 74.45% of the actual cost of the 3" main which will be equivalent to the actual cost of a 2" main. In addition, the Company is allowing $765.00 for the expended life of the main in Akin Avenue which is being abandoned, and is to be considered as a replacement item. The total estimated cost with betterment and expired life deducted is in the amount of $1,685.00. It is, therefore, recommended that the Public Service Electric and Gas Company (Gas Department) be reimbursed for rearranging their facilities in a total estimated amount of $1,850.00 which includes approximately 10% for contingencies. (April 9, 1962)

Utilities-Route 22, Section 14B

16. To accommodate the construction of State Highway Route 22, Section 14B, it was necessary for the Township of Hillside Fire Department to relocate two fire hydrants. The Township of Hillside have submitted two invoices for this relocation work in the amount of $277.16 and $152.66 which are attached. It is recommended that the Township of Hillside be reimbursed in the total amount of $429.82 representing the cost of relocating the two fire hydrants to accommodate the State's construction of State Highway Route 22, Section 14B. (April 4, 1962)

Utilities-Route 80, Section 5N

17. To accommodate the construction of Freeway Interstate Route 80, Section 5N, in the City of Hackensack, it will be necessary for the City of Hackensack to relocate their fire alarm systems in Hudson Street and Polifly Road which cross the Freeway project. The duct work must be installed to meet telephone company's standards for which the company's contractors estimate an amount of $3,628.00 for both locations. The estimated cost for material, labor and equipment for work to be performed by the City of Hackensack with their own forces for both locations is approximately $900.00. The total cost, therefore, is in the estimated amount of $4,530.00 to which approximately 10% should be added for contingencies, making a total estimated amount of $4,980.00. It is recommended that the City of Hackensack be reimbursed for its cost in the relocation of the above fire alarm system. (April 2, 1962)

Utilities-Route 208, Section 3C

18. To accommodate the construction of the Marlot Avenue bridge over Route 208, Section 3C, it will be necessary for the Public Service Electric and Gas Company to relocate and change pole heights on a portion of their 26 KV distribution lines. The Utility Company plans to do this work with their own forces and it is recommended that they be reimbursed for the actual cost of relocating these pole lines which including 10% for contingencies is estimated at $5,830.00. (April 5, 1962)

This work has now been satisfactorily completed and authority is hereby requested to release the retainage of $1,000.00 to the Bridge Commission. (April 13, 1962)

Penn-Jersey Transportation Study

10. Additional costs for the collection and processing of data for the Penn-Jersey Transporation Study, partly due to the delay in receiving census data and partly due to increases in cost through inflation and increses in population in the area, have necessitated an increase of $223,000.00 in the approved cost estimate of $3,400,000. The final cost estimate for the completion of the Study by December 31, 1962 is now $3,623,000.00. The increase in the New Jersey share of 18% or $40,140.00 will be participated in by the Bureau of Public Roads in an amount of $26,760.00 of Federal monies with $13,380.00 of State funds. The increase can be provided from Highway Planning Funds. Approval and execution is recommended of the attached Supplemental Agreement dated March 30, 1962 between the Commonwealth of Pennsylvania and the State of New Jersey, providing the necessary funds for a revised budget to satisfactorily complete the Penn-Jersey Transportation Study. (April 10, 1962)

Right of Way Items

Right of Way-Route 280

49. There is presented preliminary plan on Route 280, Section 3, Laurel Avenue to Prospect Street; together with processing form from Mr. F.L. Gerard which has been approved by Mr. Cunningham and Mr. Fritzsche. It has been deemed feasible and desirable to request authority of the State Highway Commissioner to approve the preliminary plan (scale 1"=100') to set up funds, and to negotiate for the advance acquisition of the properties where the owners are seeking approval by municipalities and county zoning boards for the filing of development maps and issuance of building permits. These advance acquisitions would permit the State's taking advantage of present day values and the forestalling of attempts by owners to claim excessive values. The total estimated cost of right of way required for this project is $1,107,750.00. At this time, authority is requested to set up the sum of $1,000,000.00 from funds available under Item 20, of the 1960-61 Construction Program. It is also requested that authority be granted to negotiate for the acquisition of such properties as would be in the public interest. As right of way plans are completed for this project, they will be transmitted to the State Highway Commissioner for formal approval in the usual manner. (April 11, 1962)

50. There is presented preliminary plan on Route 280, Section 4, Prospect Street to Northfield Avenue, Federal Project I-280-6-(7); together with processing form from Mr. F.L. Gerard which has been approved by Mr.Cunningham and Mr. Fritzsche. It has been deemed feasible and desirable to request authority of the State Highway Commissioner to approve the preliminary plan (scale 1"=100') to set up funds, and to negotiate for the advance acquisition of the properties where the owners are seeking approval by municipalities and county zoning boards for the filing of development maps and issuance of building permits. These advance acquisitions would permit the State's taking advantage of present day values and the forestalling of attempts by owners to claim excessive values. Heretofore, the State Highway Commissioner authorized the acquisition of Parcel 70, to be acquired from H.C. Warnick; and also authorized the setting up of $100,000.00 to cover the estimated cost. The total estimated cost of this project is $2,609,250.00. Authority is now requested to set up an additional $900,000.00 at this time, making a total set up on this project of $1,000,000.00 from funds available under Item 20, of the 1960-61 Construction Program. It is also requested that authority be granted to negotiate for the acquisition of such properties as would be in the public interest. As right of way plans are completed for this project, they will be transmitted to the State Highway Commissioner for formal approval in the usual manner. (April 11, 1962)

NO. 13 - 1962

SCHEDULE OF APPROVALS - APRIL 30, 1962

Administration Items

Prequalification of Bidders

1. Approval is recommended of the attached list of assignment of classifications and/or reclassifications of prospective bidders as prepared by the Prequalification Committee in accordance with R.S. 52:35. The Committee consists of the Comptroller, Director and Chief Road Engineer, Counsel, and State Highway Engineer. (April 17, 1962)

Claims-Settlement-Route 20 (1953), Section 4A

2. Final payment of Route 20 (1953), Section 4A, from South Drive to Broadway, Paving and Bridge, City of Paterson, Passaic County, which was authorized by Action of the Commissioner dated October 30, 1961, continues to be withheld pending evidence of settlement of claim of Callahan Equipment Company for $1,174.80 against Texman Construction Company, sub-contractor. Public Contracting Corporation, prime contractor has now furnished a bond indemnifying the Callahan Equipment Company in twice the amount ($2,349.60) of this disputed claim, acceptance of which is recommended in lieu of requiring the contractor to furnish a release therefrom. Subject bond and associated correspondence are attached. (April 23, 1962)

Claims-Settlements

3. This claim arises out of an accident occurring on July 20, 1960 involving a vehicle owned and operated by the Rev. Jack Maza of Brooklyn, New York. As the result of said accident, electric directionary signs were damaged and had to be repaired at a cost of $175.72. The insurance company who insured the Rev. Maza's vehicle at the time of the mishap were unsuccessful in obtaining a report from him containing his version of how the accident occurred. We were advised by the insurance company that after many attempts to contact their assured and obtain an accident report, their letters started to be returned by the postal authorities with the notation "moved left no forwarding address". Inasmuch as the State was involved, the carrier offered the sum of $100.00 in full settlement of our claim. Subsequent negotiations by the Claims Bureau have now resulted in the carrier offering a final figure of $125.00 in full settlement of this debt. The insurance carrier during our discussions pointed out that they attempted to disclaim liability on this accident because of lack of cooperation on the part of their assured; however, they were unable to do so because their assured could not be located. In view of the foregoing, we feel their offer of $125.00 should be accepted and the balance of the claim in the amount of $50.72 be cancelled. In order to collect the full amount of this claim, it would be necessary to institute a suit and if the insurance company can not locate their assured, it is rather doubtful that we would be successful in locating him in order to make service of a Summons and Complaint. It is, therefore, our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack that the offer of settlement be approved. (April 23, 1962)

4. The New Jersey State Highway Department has three claims totaling $2,619.62 which it is carrying on its books against McAllister Bros., Inc., arising out of the cost of making repairs to the fender system located at the Victory Bridge, Perth Amboy, New Jersey, which was damaged as the result of accidents involving vessels owned by McAllister Bros., Inc. McAllister Bros., Inc. also has a claim against the New Jersey State Highway Department in the amount of $4,426.00 for damage sustained by the Tug Catherine McAllister arising out of an accident occurring at the Victory Bridge on June 8, 1961. The damage involved the mast supporting the running lights, the coaming and roof of the pilot house, and the UHF antenna and radarscope. The actual repairs amounted to $1,726.00 and inasmuch as the Tug was out of service between June 9 and June 12, a demurrage charge of $900.00 a day was made. The tugboat company also indicated that approximately $200.00 was paid a standby crew as the result of the incident which would bring their total claim to $4,626.00. Our investigation of the accident indicates that an error on the part of the bridge operator was the proximate cause of the accident and that the captain of the tug in no way contributed to the occurrence. Several meetings were held between a representative of the Claims Bureau, Mr. Henderson of the Electrical Division and representatives of the tugboat company. After much discussion, an offer was proposed that the three claims of the State Highway Department totaling $2,619.62 be cancelled and the McAllister Bros. would consider their claim paid in full. The tugboat company during the discussion, pointed out that the State bills did not reflect any depreciation allowance on the materials used. Giving due consideration to their legal right to a depreciation allowance, we feel

(continued on next page)

the proposed offer by McAllister Bros., Inc. to settle the claims in question by each side waiving their respective claims appears to be fair, and it is our recommendation and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack, that the proposed offer of settlement by McAllister Bros. be approved. (April 23, 1962)

Services-Engineering

5. Approval and execution is recommended of the attached Agreement dated April 27, 1962, between Otis R. Seamen, consultant, and the State of New Jersey, covering understandings in connection with the performance of engineering services relative to the construction of roadways and parking areas for the proposed Sandy Hook Park recreational area. To remunerate the consultant for the work he must perform in accordance with this Agreement, it is recommended that the amount of $5,000.00 be set up. (April 30, 1962)

Section 1C&2B
Agreements-Jurisdiction, Control & Maintenance-Route 287.

6. Approval and execution is recommended of the attached Agreement dated April 4, 1962, between the Township of Franklin, and the State of New Jersey, covering understandings in connection with the apportionment of jurisdiction, control and maintenance functions relative to improvement of the following roadways: Cotton Tail Lane, Sanders Avenue, Howard Avenue, Jerome Avenue, Samuel Place Relocation, the Frontage Road on the southerly side of Route 287 between Jerome and Sanders Avenues, the Frontage Road on the northerly side of Route 287 between Louis and Equator Avenues, Louis Avenue, Madison Avenue, Cedar Avenue, Vernon Street, Lafayette Street, Reid Street and Wilson Street, in connection with the construction of Route 287, Sections 1C and 2B, in the Township of Franklin, Somerset County. (April 30, 1962)

Utilities-Delaware Twp. Sewerage Corp.-Route 295, Sec. 2E

7. It is recommended that the Delaware Township Sewerage Corporation be reimbursed in the amount of $10,878.50, representing the total cost to the State for the re-routing of sewer around Kresson Road Bridge to accommodate the construction of Interstate Route 295, Section 2E. This re-routing was necessary due to the fact that after the construction plans for Interstate Route 295, Section 2E were in finalized form, but prior to the awarding of the contract, it was discovered that the Delaware Township Sewerage Corporation was in the process of constructing a sanitary sewer along Kresson Road which would have interfered with the State's construction. The Corporation was advised that they would have to revise their plans to accommodate this construction. The change in plan for the sewer construction was finalized to the satisfaction of the State and the Sewerage Corporation, and after several negotiations with the Corporation it was decided that the State would pay the additional costs caused by the revised sewerage construction. Not included in the above costs is the amount of $1,221.00 which it is felt that the State is not obligated to reimburse the Corporation, which represents sewer work constructed without State's approval and within the State's jurisdiction. (April 17, 1962)
